Hence it should be, as it can be, promptle relieved. FOR DESPERSIA, which is gometimes the case of Costireness, and always uncomfortable, take mild doses - from one to four - to stimuthte the stomach" and liver into healthy action. They will do it and the hearthurn, bodyburn, and sou burn of dragupeta bandsome Black & Fancy will rapidly disappear. When it has give, don's

For a For L STOMACH, or Morbid I'm tion of the E Boscets, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system. FOR NERVOTENESS, SICK, HEADACHE, NATHEA. Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If ther do not operate sufficiently, take more the next day until they

FOR SCROPPLA, ERYSTPELAS, and all Discount of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and parifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

To PURITY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swent out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by
