"NO SUCH WORD AS FAIL."

A RESISTLESS REMEDY.

HOLLOWAY'S OINTMENT.

Circular to the Sick.

The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflamatory and healing properties of this Ointment: governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties It penetrates the sources of inflamation and corruption which underlie the external evidences of disease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS.

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin; yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation.

Salt Rheum, Fever Sores, Stiff Joints.

In cases of Salt Rheum, where medical waters, lotions, and every recipe of the pharmacopœa have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews, is truly wonderful.

Discharging Ulcers.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material, and the ulcer radically cured.

A Word to Mothers.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

Significant Facts.

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbutic affections and as the best possible remedy for wounds and bruises Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following cases:

Bunions	Rheumatism	Mercurial Eruptions
Burns	Salt Rheum	Sores of all kinds
Chapped hands	Skin-diseases	Sprains Scalds
Chilblains	Sore Legs	Swelled Glands
Piles	Sore throats	Wounds of all kinds.
Lumbago	Sore Heads	Venereal Sores
Fistula, Gout	Sore Breasts	Stiff Joints Ulcers
Scalds	Tetter	Ringworm.

EASE AND COMFORT.

HOLLINGSWORTH'S *TWO HUNDRED FLOATING BALLS, or KNUCKLE WASHING MACHINE*, will wash one dozen pieces of clothes in two minutes without injury to the most delicate material.

This Washing Machine has taken the premium at all the Fairs where exhibited. It is pronounced by all who have seen it *the wonder* of the age. It is so simple in its construction as not to get out of order.

The Machine is so easy to work that small children can take part in it; any half grown girl of ordinary strength, however little used to labor, can do a regular week's washing, and derive great benefit from the exercise, it being of the very best kind for strengthening the arms, chest and loins.

BANK NOTES.—It will wash bank notes without tearing or injuring them. Therefore not only is great labor saved, but the clothes are not injured as by other machines and rubbing boards This will be apparent to all who see it in operation as it is not a rubbing machine. No boiling of clothes required. We invite the public to call and see it; also ask the Ladies (who wish to purchase) to send their servants with soiled clothing to No. 240 Baltimore street, (up stairs) where we wash them so quickly as to convince the most sceptical To meet the circumstances of all we put it at $7. We give the testimony of a few of the hundreds who are using them.

THIS GENTLEMAN is well known throughout our own and other States as a chemist:

SYKESVILLE, Md., March 5th, 1856.

MESSRS. MORTIMER & MOWBRAY,

Gentlemen—In reply to your inquiries in regard to Hollingsworth's Floating Balls Washing Machine, I have to say the principle is certainly the best I have ever seen or used for the saving of labor, clothes, time and soap. Those in my family say they can wash six pieces by this machine to one on the old plan, and not feel the labor; the clothes being better washed. We are perfectly satisfied with the machine, and recommend it to all our friends.

Yours, with respect, WM. BAER.

BALTIMORE, June 19, 1855.

This is to certify that the undersigned has in use one of the PATENT KNUCKLE WASHING MACHINES, and finds it to be every thing claimed for it. The labor is greatly lessened, and the expedition with which a heavy washing is accomplished is surprising. A wash-day is accompanied by many inconveniences to well-regulated households, and any improvement by way of speed should be hailed with pleasure; and in this machine that is certainly obtained. The undersigned believes that the KNUCKLE WASHER must be generally adopted, as much time and labor are both saved, and the work better done, while the articles are not injured by the usual friction of rubbing in the old way of washing.

JOHN F. MCJILTON, "Baltimore Patriot."

I fully endorse the above recommendation of Mr. McJilton. F. D. BENTKEN,

Baltimore street, near Light.

I have the KNUCKLE WASHING MACHINE in use in my family, and cheerfully concur in the above recommendation. JOHN L. REESE, JR.,

No. 82 Camden street.

[From J. Wills, Esq., one of the proprietors of the Baltimore Patriot.]

I have had in use in my family for some time one of HOLLINGSWORTH'S PATENT KNUCKLE WASHING MACHINES, and feel no hesitancy in pronouncing it one of the very best instruments of the kind now in use. I make this assertion from having seen its operations, and upon the unreserved recommendation of washerwomen who worked it.—The principle on which this washer operates is thoroughly scientific, and at once indicative of its utility. My impression is that the Knuckle Washer must gradually find its way into general use. Some of the many advantages possessed by it are expedition, thoroughness in cleansing garments, and the ability to wash goods of the finest texture without causing the slightest wear or injury. Every family who can conveniently, should have this most excellent Washer. J. WILLS, Baltimore, Md.

"Having had the KNUCKLE WASHING MACHINE in my family, I cheerfully concur in the above recommendation. E. Y. REESE,

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give *Directions* for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of Piles, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the cause of *Costiveness*, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it and the *heartburn, bodyblow*, and *sour stom* of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

FOR A FOUL STOMACH, or *Morbid Inaction of the Bowels*, which produces general depression of the spirits and bad health take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR SICK HEADACHE, NAUSEA, *Pains in the Stomach, Back, or Side*, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCROFULA, ERYSIPELAS, *and all Diseases of the Skin*, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

TO PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, *and all Bilious Affections*, arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhœa, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness, sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acids; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhœa, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles It is wicked to suffer such pains when you can cure them for 25 cents.

RHEUMATISM, GOUT, *and all Inflammatory Fevers*, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

AS A DINNER PILL, this is both agreeable and useful. No Pill can be made more pleasant to take, and certainly none has been made more effectual to the purpose for which a dinner pill is employed.

"Pale and wan, she grew still weakly,
Bearing all her pains so meekly."

MISS MARY A. SCHOFIELD,

AN INTERESTING NARRATIVE.

"Truth stranger than fiction."

LET THE AFFLICTED HEAR THE TESTIMONY OF A LADY.

TO those who have the pleasure of knowing her, we need say nothing, but to others we remark that a desire to benefit the suffering induces her thus to speak. None can appreciate her joy and gratitude to being relieved from pain, after years of suffering almost unparalleled, but those (if there be any) who have suffered like her.

Miss S. has been a resident of this city—for the last two years has been successfully conducting a school at No 630 Baltimore street. The happy change in her health is a subject of astonishment and joy to her numerous friends. We ask those interested to call on her. She will tell them more of her cure by *Hampton's Tincture* than she has written. Thus it is this remedy goes on giving relief to the sick. We refer the public to them From more distant places we also hear of the same happy result. These facts, with the concurrent testimony of thousands, should cause scepticism and prejudice to hide their heads and concede that Hampton's Tincture is in truth a wonderful discovery.

BALTIMORE, Oct. 18, 1855.

MESSRS. MORTIMER & MOWBRAY; Gents:—I have delayed entirely too long in writing to you in relation to the virtues of Hampton's Tincture. I fear, even now, that I cannot give the afflicted world a just idea of the good I have derived from its use; the ecstasies have been so great that I feel inadequate to the task. I was attacked with the chronic rheumatism in its most malignant form, at the early age of two and-a-half years, and continued to be so afflicted until I crossed the Atlantic Ocean on my way to America, at which time it changed its form into a gathering. I had at this time attained my growth, and never expected to be well again, as the disease came in its first place, of my being VACCINATED from a child who had the white swelling. When my gathering first broke it did not discharge less than one quart, and so continued to trouble me every time I took a cold or was in the least fatigued; my bodily strength was reduced to the weakness of infancy. I was several times very near to the grave; my hip joint had often out of place ever since I had the first attack. At the age of thirteen my hands became dislocated. These sufferings, and the general debility I felt from the constant discharge of my gatherings, caused me often to think that I should never be permitted to know how it felt to be free from pain and suffering, even for one hour, until my poor body should be changed, and become like unto "Christ's glorious body," at least, until this mortal have put on immortality."

I had taken so many medicines, and received so little benefit that I had confidence in NONE I had used of very nearly all the CELEBRATED LINIMENTS, and other external remedies I had heard of. I had been placed by my friends under some of the best physicians in England, and all the relief I ever obtained was out of transitory duration.

When I first heard of Hampton's tincture I had not the slightest confidence in its efficacy, but I had a friend who had known Mr. Jarrett Plummer when his sufferings were at the worst, and had witnessed the cure wrought upon him. To please her I consented to try the Tincture, and I had not taken one bottle before I began to feel its beneficial effects—my strength returned—my appetite became good—my complexion was clear—I felt like another person.—Through the influence of this friend you became acquainted with my case, and requested to see me; you told me my case was such a peculiar one that you would like to see the effects of the Tincture fully developed in it, and if I desired to take it, you would present it to me, if it was for the space of five years—but only eighteen months have elapsed, and I HAVE LOST EVERY SYMPTOM OF MY DISEASE. I have become stout and hearty—I can stand as much if not more fatigue than most of my lady acquaintances. I have a beautiful complexion, and all my friends say I am getting quite FLESHY—one thing is certain, my LAME LEG is quite as large again as it was before, and I can trip about home without a crutch.

I often wish my parents had known of this remedy when I was a child, as I believe I should have been saved the excruciating pain I have been subjected to, as well as the deformity of body I must carry to the grave, and my parents would not have been under such heavy expenses from doctors' bills and in sending me, as they did, to the celebrated springs in England in search of health. I wish all the afflicted world could see me, and hear the benefits I have derived from this Tincture of Hampton's. I try to make all acquainted with its virtues with whom I come in contact.

Gentlemen I am a thousand times obliged to you, and you are at liberty to use my name and case to all. I remain yours, in gratitude,

A REVOLUTION IS CERTAIN!

VICTORY IS OURS.

SUCH is the progress of Science in this age that nothing seems impossible. That there are new and scientific discoveries being made every day, no one will doubt. After a thorough investigation of the Vegetable Kingdom, with a view to obtain a positive or specific remedy for the more common ills of humanity, I have succeeded in bringing together such. Three years have elapsed since its introduction, and it is now esteemed the most popular remedy in the *WORLD*, known as

Helmbold's Genuine Preparation.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT OF BUCHU

Is prepared directly according to the

RULES OF PHARMACY & CHEMISTRY,

with the greatest accuracy and chemical knowledge and care devoted in its combination. Its popularity has extended in all directions, and whether used in town, country, hospital or private practice, has invariably given the most decided and unequivocal satisfaction and produced the most salutary and beneficial effects. It has been and is used in all the principal cities in the United States and British Provinces, in both public and private practice, with great success. Henceforth let it be understood, for the proofs are too overwhelming to be contradicted, that Helmbold's Highly Concentrated Compound Fluid Extract Buchu, is the most valuable remedy ever offered to the afflicted.

THE mass of voluntary testimony in possession of the proprietor is immense, embracing names well known to SCIENCE AND FAME! Celebrated Physicians and Distinguished Clergymen.

See Professor DEWEE'S valuable work on the Practice of Physic and most of the late standard works of medicine.

DR. BENJAMIN MCDOWELL, a highly distinguished physician and member of the Royal College of Surgeons, Ireland, and published in the transactions of the King and Queen's Journal, says: "The Fluid Extract Buchu having been lately strongly recommended, I was induced to make it a trial, and my experiments have resulted in the most satisfactory manner, having succeeded in saving the most inveterate cases in which I had no hopes of success."

An interesting letter is published in the Medico Chirurgical Review on the subject of Extract Buchu, by BENJAMIN TRAVERS, F. R. S., speaking of Syphilis and diseases arising from excess of mercury, he states that "no remedy is equal to it—its power is extraordinary, more so than any drug I am acquainted with. It is in the strict sense a Tonic with this invaluable attribute, that it is applicable to a state of the system so sunken and yet so irritable as to render other substances of a Tonic class unavailable, or injurious." We take the liberty of marking, (italics,) says the distinguished, Dr. Johnson, because we most cordially concur with Mr. Travers in his statements of Extract Buchu.

It is a medicine which is perfectly pleasant in its taste and odor, but immediate in its action, and it is taken by persons of either sex, without hindrance from business or medical advice, as explicit directions for use and an ample number of reliable and responsible certificates to convince the most skeptical will accompany each bottle.

Price $1 per bottle, or six bottles for $5. Delivered to any address. Prepared and sold by
