From Dr. C. S. Burnett

TO HIS PATIENTS.

THE authorities of this city, with commendable promptness and zeal, have been putting a stop to the *swindling* operations of the hordes of medical Quacks, who, for the past few years, have been swindling the public under fictitious and assumed names, calling themselves "*Old Doctors,*" "*Retired Physicians,*" "*Old Root Doctors,*" &c., &c., in order to deceive their victims. All letters addressed to such parties are ordered by the proper authorities to be sent to the *Dead Letter Office* at Washington.

During my absence from the city my letters were detained for a few days by mistake; but immediately on my return the mistake was rectified and a satisfactory apology given; and as the above detention was mentioned in one of our city papers, I consider this explanation necessary. After showing the authorities my *Diploma*, (which I hold from the Medical Department of the University of Edenburg, Scotland,) and inviting them to my office and laboratory, they expressed themselves satisfied and highly pleased with the honorable and philanthropic manner in which my business was conducted I would merely say, in conclusion, that most of the Quacks, &c, mentioned above, are imitators, and have been copying my "Receipe," &c, &c, and offering it for sale—also manufacturing an inferior Medicine Against all such empirics and swindlers the public are earnestly cautioned Very respectfully,

The fact that this Guano is *equal to Peruvian, pound for pound*, is as well established as any fact can be established by HUMAN TESTIMONY AND EXPERIENCE.

Four Good Reasons Why Farmers Should Use this Guano

IN PREFERENCE TO PERUVIAN.

1st—It is fully equal to Peruvian on the first crop.
2d—Its cost, at present price of Peruvian, is $10 less per ton.
3d—It is perfectly prepared for *immediate use*, by DRILL or otherwise.
4th—It contains 50 per cent. more Phosphate than Peruvian, and therefore a more permanent improver of the soil.

This Guano is used by the following named gentlemen, among many others, from whom its results may be learned:

A List of Unpatented Certificates Ready for Patents

IN THE LAND OFFICE OF MARYLAND,

FOR TALBOT CO.

THE following is a list of the unpatented certificates which have been compounded on and are ready for Patents, in the Land Office of Maryland, for Talbot County. These certificates being unpatented are not recorded, and are becoming defaced and destroyed by time, and in consideration of this fact the Legislature of Maryland, at January Session, 1858, passed an Act, requiring the Commissioner of the Land Office to make out, and have published, in one newspaper in each county, a list of the unpatented certificates for said county. Persons holding the Lands enumerated below may save themselves serious trouble and loss by obtaining Patents thereon, which can be done by proper application to the Commissioner of the Land Office, otherwise the evidence of their title will become destroyed. There are also a number of certificates not included in this list which have not been compounded on and are liable to Proclamation. Persons holding these would do well to secure a reliable title at once.
