THE WEEKLY STATES,

PUBLISHED BY

PRYOR & HEISS,

AT

WASHINGTON, D. C.

Subscription price—$1 00 *per year.*

With the view of securing the largest possible circulation among the masses of the people, the proprietors of The States have determined to reduce the price of the Weekly paper to

ONE DOLLAR PER ANNUM.

The States will be conducted with an exclusive regard to the principles of the States-rights Democracy, will be independent of factions, and unbiased by partial interests—in short, will continue on the line it has pursued under its present management.—We presume it has given a sufficient exemplification of its principles and objects to dispense with the necessity of any formal professions.

Located at the Federal Capitol, The States has great advantages over other journals in procuring important and valuable information relating to the affairs of government. Its central position also enables it to procure at the earliest moment the latest foreign and domestic news, and in its columns will always be found matters of interest appertaining to Literature, Agriculture, and Commerce.

The price of subscription is fixed so low, that it brings the paper within the reach of every person who desires a good and reliable newspaper. We therefore appeal to our Democratic friends throughout the country to aid us in securing The States an extended circulation.

To those who will take the trouble of getting us a Club of Ten Subscribers, at the rate of ONE DOLLAR PER YEAR for each subscriber, we will send a copy of the Weekly States for one year gratis.

Payments in all cases required in advance

A Desirable Farm for Sale.

ANY one wishing a very desirable farm near the pleasant county Town of Talbot, are hereby informed that such an one can be had upon accommodating terms

This farm is located just two miles from Easton, on the Trappe road, formerly known as the "Thomas Farm," and recently owned by W. H. Shepard, contains

163 Acres more or less.

The advantages of this farm in addition to its size, are numerous, a soil well adapted to the growth of all crops usually raised here, and is now in good heart, situated upon one of the most public roads leading from Easton, and commanding a view of the same as well as a number of very fine farms in its immediate vicinity. Churches, Schools and Mills are all convenient, and the excellent produce market which Easton affords is by no means one of its least attractions.

The Dwelling is a two story frame and Kitchen in tolerable good condition, with several Outhouses sufficient for the use of the farm—Manures from the town can be had at fifty cents per load and a Landing for Lime as well as for shipment of the grain is within three miles of the farm. It is now undera rent of $350

Until *Tuesday, the 1st day of March*, 1859, the above Farm will be offered at private sale, and on that day will be offered at public auction in Easton, if not sold before.
