PUBLIC SALE OF
Valuable Real Estate,
IN AND NEAR EASTON.

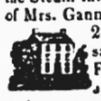

BY virtue of a decree of the Circuit Court for Talbot county sitting in Equity, passed in a cause in which Anna C. Hammond and others are complainants, and Samuel Chamberlain and others are defendants, the undersigned Trustee will offer for sale at public auction at the Court House door in the town of Easton, on

Tuesday 17th day of May next,

at 3 o'clock P. M., the following parcels of the Real Estate of Doct. Nicholas Hammond dec'd., viz:

1 *A HOUSE & LOT* at the north end of Washington street in the town of Easton, opposite the Steam mill, and now in the occupancy of Mrs. Gannon.

2. *A HOUSE & LOT* on the same street, nearly opposite the Frame Tavern, formerly known as the property of Bennett Jones and now occupied by Mr. Geo. W. Beck.

3. The Farm known as "WEST GALLOWAY," situated about two miles from Easton, opposite to and adjoining the residence of Howes Goldsborough, Esq., and now rented to Mr. Wm. A. Cox. This farm contains by recent survey 368¼ acres, and will be sold in parcels, according to a plat to be exhibited at the sale. These parcels comprise a *COMPACT FARM* of 200¾ acres, binding on the public roads leading from Easton to Centreville, and to Hillsborough, with an abundance of **WOOD** to serve the place, and improved by a *Frame Dwelling House* and suitable Stabling and outbuildings. The soil is kind and easily improved, produces well the usual crops of the country, and is peculiarly adapted to the growth of Fruit and marketing, for the sale of which the projected Maryland and Delaware Railroad, passing near the borders of the farm, will offer unsurpassed facilities.

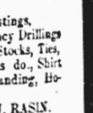

They comprise also **10 Wood Lots**, containing from 9 to 11¾ acres each, all opening on the West side of the Hillsborough road, and within a convenient distance of Easton, and an unimproved tract of 64 acres mostly covered with a young growth of Cedar and other woods, lying on the east side of that road and well situated for a small farm.

These parcels are numbered Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, and 13, on the plat and will be sold separately.

4th. The well known farm, called "*St. AUBEN*," situate about one mile from Easton, now in the occupancy of Mr. Charles Rathel, and containing

174 Acres of Land,

of which 62 acres lie on the right, and 112 on the left of the road leading to Goldsboro' neck. The improvements upon this property are of the most ample and substantial character, consisting of a Large Brick Dwelling House, and large and commodious Brick Stabling; Carriage House, Hay Barracks and a frame Barn. The soil is well adapted to the growth of wheat, corn and hay, or to the purposes of a grazing farm, and with proper treatment may be made to produce heavily, while its proximity to town, with its schools, churches, society, and business facilities, renders the farm particularly desirable as a residence for any one having professional or other engagements there, and who may wish to combine with them the attractive and healthy pursuits of agriculture.

Both of these farms are within three miles of navigable water.

The title to all this property is clear and unquestionable. The terms of sale are one third cash on the day of sale, or on its ratification by the court at the discretion of the Trustee and the remaining two-thirds in equal payments at one and two years from that day; the whole to bear interest from the day of sale, if not then paid, and the credit payments to be secured by the bond of the purchaser with surety to the satisfaction of the Trustee. As the property is under rent for the current year, Rent and taxes will be apportioned, in the discretion of the Trustee, to the day of sale. And on the payment of the whole purchase money and not before the Trustee is authorized to convey undoubted title in fee to the property sold.

The tenants on the premises will show the property and any information will be given on application to the undersigned.

DYSPEPSIA
AND KINDRED DISEASES
RADICALLY, PERMANENTLY & SPEEDILY
CURED BY THE
OXYGENATED BITTERS.

Experience has confirmed these Bitters, as the most Remarkable Preparation ever presented to the public for the cure of the following complaints, viz:—Pain in the Stomach, Heart Burn, Water Rash, Costiveness, Acidity, Oppression after Eating, Jaundice, Piles, Flatuency, Ennui, Torpor of the Liver, Dizziness, Debility, Fever and Ague, Climatic Influence, Female Complaints, and all Diseases having their origin in imperfect digestion, or deranged condition of the stomach.

This preparation contains no Alcohol, or Poisonous Drugs; is not affected by time or climate; is highly agreeable to the taste; and while it differs totally from all other remedies ever discovered, is unsurpassably superior to them all.

[From the Boston Post, Feb. 9, 1858.]

OXYGENATED BITTERS.—The various certificates given by gentlemen of position in regard to the merits of these Bitters, which we believe to be fully merited, are endorsed to-day by a card which appears in the Portland Christian Mirror, of the 20th ult. As a voluntary expression of opinion, it must have its due effect.

EAST TAUNTON, Jan 4, 1858.

Mr. Lord—Dear Sir:—You will confer a favor upon me, and I trust also upon the suffering, by giving the following a place in the Mirror.

JAMES R. CUSHING.

OXYGENATED BITTERS.—For more than twenty-five years I have been a sufferer from the dyspepsia. Besides trying the patience of my family physicians in the almost useless trials of their various prescriptions, I have tried a great variety of patent medicines with a similar result. Through the kindness of Dr. W. G. Hanaford, I received, in March last, a half dozen bottles of Oxygenated Bitters, from Mr. Seth W. Fowle & Co., Boston. I began to use them without any hope of deriving help from them. Being determined to give them a fair trial, I continued their use, but without any perceptible benefit till June.

Since then I have gradually improved in health till I am entirely free from acidity of the stomach, and from the consequent flatulency, and the awful and almost distracting sick headache, which often, for days together, has wholly unfitted me for study and for all other ministeral duties, and rendered life a burden. Having derived so great a relief, I feel that I owe it, as an expression of gratitude to Mrs. Fowle & Co., and also a duty to the public, to recommend their Oxygenated bitters, as in my estimation, a sure remedy for that most trying, most vexing, and cruel of all diseases, to which poor human flesh is heir, the dyspepsia. Having suffered so long, and tried so many different remedies with no good result, I can recommend the Oxygenated Bitters with a confidence few others can. If any of the readers of the Mirror are suffering, I beg of them to make a trial of these Bitters without delay
