VERY DESIRABLE
TALBOT COUNTY FARM
FOR SALE.
ON TUESDAY, the 17th of May next, I shall offer at public sale at the Court House in Easton, Maryland,

'TAUSKEY WOOD,'

containing 353 3-4 ACRES—176¼ being cleared and 177½ fine TIMBERED LAND, 38 Acres of the latter being detached from, but near to the main body, and covered with very superior WHITE OAK TIMBER which has never been subjected to cutting.

This Farm is 1½ mile distant from Easton, and is situated on Glebe Creek, an arm of Miles River, and fronts upon a public road. It is noted on the County Map, *"Heirs of N. Goldsborough."*

In respect to its central and accessible position in the county, and its proximity to the County Town, Steamboat Landings, Churches, Schools, and Mills; and in respect to the character of the neighborhood, the location of this farm is admirable and unsurpassed, as will fully appear upon examination of the County Map, copies of which can be seen in Annapolis, Washington, Baltimore and Philadelphia.

This farm has for many years passed been cultivated in the best manner; all of it has been well limed, and it has produced some of the heavies crops of grain that have been grown in this county. For extensive and profitable fruit culture, this location in respect to two steamboat landings and the projected Rail Road from Easton;—its protection from storms by surrounding forests, and the character of the soil, possesses very great advantages.

The fences, ditches and meadows are clean and in fine order.

The *Dwelling* is a small two storied brick house, in good repair, and the barn & corn house are new, well built of prime materials, and commodious.

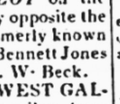

TERMS of sale, one fourth of the purchase money cash, the purchaser giving notes secured by mortgage on the property, for the deferred payments, to be made in 12, 18 and 24 months.

PUBLIC SALE OF
Valuable Real Estate,
IN AND NEAR EASTON.
BY virtue of a decree of the Circuit Court for Talbot county sitting in Equity, passed in a cause in which Anna C. Hammond and others are complainants, and Samuel Chamberlain and others are defendants, the undersigned Trustee will offer for sale at public auction at the Court House door in the town of Easton, on

Tuesday 17th day of May next,

at 3 o'clock P. M., the following parcels of the Real Estate of Doct. Nicholas Hammond dec'd., viz:

1 *A HOUSE & LOT* at the north end of Washington street in the town of Easton, opposite the Steam mill, and now in the occupancy of Mrs. Gannon.

2. *A HOUSE & LOT* on the same street, nearly opposite the Frame Tavern, formerly known as the property of Bennett Jones and now occupied by Mr. Geo. W. Beck.

3. The Farm known as "WEST GALLOWAY," situated about two miles from Easton, opposite to and adjoining the residence of Howes Goldsborough, Esq., and now rented to Mr. Wm. A. Cox. This farm contains by recent survey 368¼ acres, and will be sold in parcels, according to a plat to be exhibited at the sale. These parcels comprise a *COMPACT FARM* of 200¾ acres, binding on the public roads leading from Easton to Centreville, and to Hillsborough, with an abundance of **WOOD** to serve the place, and improved by a *Frame Dwelling House* and suitable Stabling and outbuildings. The soil is kind and easily improved, produces well the usual crops of the country, and is peculiarly adapted to the growth of Fruit and marketing, for the sale of which the projected Maryland and Delaware Railroad, passing near the borders of the farm, will offer unsurpassed facilities.

They comprise also **10 Wood Lots**, containing from 9 to 11¾ acres each, all opening on the West side of the Hillsborough road, and within a convenient distance of Easton, and an unimproved tract of 64 acres mostly covered with a young growth of Cedar and other woods, lying on the east side of that road and well situated for a small farm.

These parcels are numbered Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, and 13, on the plat and will be sold separately.

4th. The well known farm, called *"St. AUBEN,"* situate about one mile from Easton, now in the occupancy of Mr. Charles Rathel, and containing

174 Acres of Land,

of which 62 acres lie on the right, and 112 on the left of the road leading to Goldsboro' neck. The improvements upon this property are of the most ample and substantial character, consisting of a Large Brick Dwelling House, and large and commodious Brick Stabling; Carriage House, Hay Barracks and a frame Barn. The soil is well adapted to the growth of wheat, corn and hay, or to the purposes of a grazing farm, and with proper treatment may be made to produce heavily, while its proximity to town, with its schools, churches, society, and business facilities, renders the farm particularly desirable as a residence for any one having professional or other engagements there, and who may wish to combine with them the attractive and healthy pursuits of agriculture.

Both of these farms are within three miles of navigable water.

The title to all this property is clear and unquestionable. The terms of sale are one third cash on the day of sale, or on its ratification by the court at the discretion of the Trustee and the remaining two-thirds in equal payments at one and two years from that day; the whole to bear interest from the day of sale, if not then paid, and the credit payments to be secured by the bond of the purchaser with surety to the satisfaction of the Trustee. As the property is under rent for the current year, Rent and taxes will be apportioned, in the discretion of the Trustee, to the day of sale. And on the payment of the whole purchase money and not before the Trustee is authorized to convey undoubted title in fee to the property sold.

The tenants on the premises will show the property and any information will be given on application to the undersigned.

The following letter from Rev. Henry Wood, late Consul to Beyroot, Syria, and formerly editor of the *Congregationalist*, Concord, N. H. and now Chaplain U. S Navy, is of like tenor of thousands in our possession:—
Concord, N. H., March 2.
Messrs. Seth W. Fowle & Co.—Gentlemen—Two years ago, a sudden and violent attack upon my lungs confined me to my bed for several weeks, and when I recovered, I was so much oppressed by difficulty in breathing, that I was often unable to sleep or rest upon a bed by night. The suffering was extreme, and judging from the inefficiency of the remedies used, I supposed the disease incurable. Being persuaded to try a bottle of WISTAR'S BALSAM OF WILD CHERRY, without the least confidence in its efficiency, I found the difficulty almost entirely removed before one bottle was used up. Having a mortal aversion to medicine, and seldom using it in any form, sympathy with my fellow sufferers induces me to make this public statement, and recommend the article to others similarly afflicted.
With respect, yours truly, HENRY WOOD.
It has been used with like success by
SAMUEL A. WALKER, Auctioneer.
DR. WM. A. SHAW, Washington, N.C.
Alderman PERKINS.
And by numerous Physicians in their practice, as their Certificates testify.
