NOTICE

TO MERCHANTS, TRADERS AND OTHERS.

ALL persons and bodies, corporate or politic, in Talbot county, who are or shall be doing any act or thing or shall be in the occupation of any house or place for any purpose for which a license is made necessary by the laws of Maryland, are hereby warned to obtain a License or renew the same on or before the first day of May ensueing, under the penalties prescribed by said laws for the infraction thereof.

Those interested are notified of the following requirements of the License Law passed at the last session of the General Assembly of Maryland.

The rates required by the 2d section for Trader's Licences are as follows:

If the amount of goods on hand at the principal season of sale or expected to be kept on hand, does not exceed

The applicant must either make oath, as heretofore, before the Clerk of the Circuit Court of the county where he is engaged in business of the amount of goods kept on hand at the principal season of sale; or the oath may be administered by a Justice of the Peace when the person wanting the license applies through an agent. If the latter course be adopted the following form will be deemed a sufficient compliance with the act:

TALBOT COUNTY, TO-WIT:

On this——day of——1859, before the subscriber, a Justice of the Peace of the State of Maryland, in and for said county, personally appeared—— ——and declared that he intends to apply for trader's license under the 2d section of the Act of January Session, 1858, to the clerk of the circuit court for Talbot county and made oath that the amount of stock of goods generally kept on hand by him (*or by the concern in which he is engaged*, in case it is a partnership) at the principal season of sale (or if the applicant has not previously engaged in such trade, *that the amount of the stock of goods which he expects to keep, &c.*) does not (or will not) exceed $———

Sworn before ———

If the oath be administered by a Justice of the Peace out of the county in which the application is made, there must be attached the certificate of the Clerk of the Circuit Court of the county in which the Justice resides.

By section 3d, the rates of license to females vending millinery, &c., whose stock at any season of the year does not or will not exceed $500, is $5. If their stock does or shall exceed $500, the rates are the same as those contained in the 2d section.

The 4th section requires all persons proposing to sell spirituous or fermented liquors or lager beer in quantities not less than a pint, to apply to the Clerk of the Circuit Court for licences, *in person* and make oath before said Clerk of the amount of stock, &c. Section 5th requires persons applying for Ordinary Licences in which spirituous or fermented liquors or lager beer is to be sold in quantities less than a pint, must make application to the Clerk of the Circuit Court for the county in which they reside, and must also be recommended by two respectable freeholders of the *immediate vicinity* of the applicant—which may be made in the following form:

To the Clerk of the Circuit Court for Talbot County:

We, the undersigned, freeholders of Talbot county, living in the immediate vicinity of—— who is about to apply to you for a license to keep an ordinary at ——— in said county, do hereby recommend him as a suitable person to obtain such license ——

May—, 1859. ———

The applicant must then make oath to the Clerk to the following effect, that he has bona fide, and without intending to evade the requirements of an act passed at January session, 1858, to regulate the issuing of licences to ordinary keepers and traders, provided and expects to maintain six good beds with sufficient clothing therefor, and three rooms more than sufficient for the private uses of said applicant, and stabling and provender for five horses at least.

In addition he shall also make oath to the Clerk of the rate of rent or annual value of the house or place at or in which the business is intended to be carried on. If said rent does not exceed

Sec. 6th requires that any person proposing to keep an oyster house, &c., or any place other than an ordinary for the sale of spirituous or fermented liquors or lager beer in quantities less than a pint shall apply to the Clerk of the Circuit Court for the county where he resides and must be recommended by two respectable freeholders of his immediate vicinity and in addition make oath before the Clerk of the rent or annual value of the house or place in which he intends to do business. THE MIGHTY HEALER.
WORLD KNOWN AND WORLD TRIED

HOLLOWAY'S OINTMENT.

The free admissions of all Nations, as well as the verdict of the leading Hospitals of the Old as well as the New World stamp this powerful remidial Agent as the greatest healing preparation ever made known to suffering man. Its PENETRATIVE QUALITIES are more than MARVELLOUS, through the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal diseases: and in all external affections its anti-inflamatory and healing virtues surpass anything else on record, and is nature's great ally.

ERYSIPELAS AND SALT RHEUM

Are two of the most common and virulent disorders prevalent on this continent, to these the Ointment is especially antagonistic, its "MODUS OPERANDI" is first to eradicate the venom and then complete the cure.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment; have invariably succumbed to a few applications of this powerful ungent.

ERUPTIONS ON THE SKIN,

Arising from a bad state of the blood or chronic disease are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient; warm fomentations should precede its application. Its healing qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Mecurial Eruptions,	Swelled Glands,
Sprains,	Burns,	Piles,
Sore Legs,	Stiff Joints,	Chapped Hands,
Rheumatism,	Sore Breasts,	Tetter,
Chilblains,	Ringworm,	Sore Heads,
Ulcers,	Fistula,	Salt Rheum,
Sore Throats,	Veneral Sores,	Gout,
Scalds,	Sores of all kinds,	Wounds of all
Lumbago,	Skin Diseases,	kinds.

☞ CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAF TO THE LIGHT. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines throughout the United States and the civilized world, in pots at 25 cents, 63cents, and $1.

☞ There is considerable saving by taking the larger sizes.
