## THE FAMILY JOURNAL,
### A WEEKLY NEWSPAPER,
*Devoted to Literature, News, Romance, Science and Art.*

JOHN B. WILLIAMS, } Editors & Proprietors.
CHAS. H. MOORE. }

IT is a well-known fact that the South is almost entirely dependent on the North for its hebdomadal literature. It is to be seen whether the Southern States cannot support a literary journal of its own. The parties undertaking this new enterprise are determined to spare no effort or expense to produce a paper which shall effect this purpose, and deserve a share of the support of the reading public. Such a paper, it is hoped, will arouse the somewhat dormant literary condition of our (Baltimore) city, develop its inactive talent; and offer at our own doors a vehicle for the expression of thought, interchange of ideas, and the imparting of new items of information.

The Family Journal will contain Original Stories, Sketches of Travel, Biographical essays, a Summary of News, domestic and Foreign; Reviews of Books, Dramatic and Musical Criticisms, Reports of Popular Lectures, and such general information as will make it a welcome guest in every family. The proprietors are determined that their journal shall be second to none in the variety, interest and value of its contents; in its literary excellence and high moral tone. Politics and Sectarianism will be most rigidly excluded.

Particular attention paid to "answers to correspondents," a talented gentleman having been especially engaged for that purpose.

Arrangements have already been made with a distinguished corps of American contributors, and negotiations are still in progress which will ultimately secure the best talent in the country. It is intended that the literary matter in this journal shall be chiefly original; the appropriation from foreign sources, without acknowledgement, in the newspapers of the day, is already too frequent.—Should any article be selected on account of its superior excellence, credit will be invariably given where it is due.

## BEAUTIFUL RESIDENCE
## ON SALT WATER,
## IN OXFORD NECK, TALBOT CO., MD.
AT
## PUBLIC SALE!

THE subscriber intending to leave the State, will offer at Easton, Md., on

**The 7th day of June next;**

**"EAST AVON,"** being a part of "Otwell," the residence of the late Col. N. Goldsborough, a tract celebrated for its fertility. This Farm contains

193 ACRES,

and has on it a new and beautiful **Cottage Residence**, designed by Jas. & Jas. M. Dixon, Architects, Baltimore, Md., built of first class material and in the best manner. The view from the Dwelling is very commanding, and from the Observatory which overlooks the entire surrounding country is seen the beautiful Third Haven Creek with its numerous tributaries, and at a greater distance the broad Choptank River. This landscape is rendered more attractive by the frequent passing of sailing vessels and steamers running to and from Baltimore, and by sail canoes, most of which are in the oyster trade, but a great many are fancy pleasure boats. The steamers passing by the door stop for passengers whenever a signel is given. The shores are of firm white sand, affording delightful bathing.—The **Angling** is always good during the summer and fall months—and at a hurdle near the house are caught the delicious Sheepshead. Oysters abound in vast quantities and within a few hundred yards from the house there is a land-locked cove, a lake in appearance, now planted with Oysters, covering three acres, and as the mouth or outlet is only twenty feet wide, Terrapins could be enclosed and bred in it with trifling cost. Upon this farm is one of the most prominent Ducking Points on the creek. It is distant ten miles from Easton, the county town, five from Trappe, and the same distance from Oxford, where there is a steamboat wharf. The enclosure around the buildings are new and handsome, built of heart yellow pine with locust and cedar posts. The Barn and stables are new and built in the most durable manner. There is also an *Overseer's House* and two Negro Houses. The location is very healthy, and the land highly productive. There is marl in abundance within three feet of the natural surface; besides this there are also rich deposits of Indian Shells. Churches, schools and mills are conveniently located.

TERMS OF SALE, one fourth of the purchase money cash; the purchaser giving notes secured by mortgage on the property or other approved security for the deferred payments, to be made in 12, 18 and 24 months.

may 7-ts S N. GOLDSBOROUGH.

N. B.—The location of this farm can be fully understood by reference to the Map of Talbot County; to be seen in Washington, Annapolis, Baltimore, Philadelphia, and elsewhere.

*DR. WISTAR'S*
## BALSAM OF WILD CHERRY.

This well-known preparation has effected so many **WONDERFUL CURES,** and restored so many sufferers to health, that it is cherished by all who have experienced its virtues as *The Infallible Remedy*

For the Instant relief and Certain Cure of

WISTAR'S BALSAM.

LIVER COMPLAINT.

WISTAR'S BALSAM.

And every form, however severe, of PULMONARY COMPLAINT!

Discovered by a distinguished Physician—containing no mineral or deleterious ingredient, but everything agreeable, it has, by the wonderful cures it has effected, been constantly appreciating in public favor, and is now firmly established as the **Great American Remedy** For the cure of every minor disease of the Throat, Lungs, and Chest, as well as the most fell and fatal of all, **CONSUMPTION!**

The following letter from Rev. Henry Wood, late Consul to Beyroot, Syria, and formerly editor of the *Congregationalist*, Concord, N. H., and now Chaplain U. S Navy, is of like tenor of thousands in our possession:—

CONCORD, N. H., March 2.

Messrs. Seth W. Fowle & Co.—Gentlemen—Two years ago, a sudden and violent attack upon my lungs confined me to my bed for several weeks, and when I recovered, I was so much oppressed by difficulty in breathing, that I was often unable to sleep or rest upon a bed by night. The suffering was extreme, and judging from the inefficiency of the remedies used, I supposed the disease incurable. Being persuaded to try a bottle of WISTAR'S BALSAM OF WILD CHERRY, without the least confidence in its efficiency, I found the difficulty almost entirely removed before one bottle was used up. Having a mortal aversion to medicine, and seldom using it in any form, sympathy with my fellow sufferers induces me to make this public statement, and recommend the article to others similarly afflicted.

With respect, yours truly, HENRY WOOD.

It has been used with like success by
SAMUEL A. WALKER, Auctioneer.
DR. WM. A. SHAW, Washington, N.C.
Alderman PERKINS.

And by numerous Physicians in their practice, as their Certificates testify.
