The Easton Gazette.

ATUEDAY MORNING . . . . MAY 21, 1859.

AGRICULTURE.

From the New England Farmer.

THE FARMER'S GIRL.

The Farmer's girl leads a happy life
As she trips o'er the grassy lawn;
With an eye as bright and a step as light
As that of the agile fawn.

The farmer's girl is a merry maid,
With cheeks of a rosy hue;
She sits on the stile, a sweet sunny smile
Darts out from her eye so blue.

There's a magic in her winsome voice
That "drives dull cares away;"
She can scrub and scour, or at evening hour,
The sweet-toned harp can play.

She would grace the halls of a mansion high,
Or the porch of a lowly cot;
She will make the home of her chosen one,
A most delightful spot.

Young men choose a wife 'mong the farmer's girls
If happy in life you would be;
They are gentle and kind, just to your mind.
Sing! A Farmer's Girl for me.

SOAP SUDS.

The value of soap suds, as an article to be used in irrigating plants, appears not to be generally appreciated. Suds contains the food of vegetables in a state of solution, and when applied, its effects are more immediate than those produced by any other stimulant that can be used. For irrigating gardens, especially during the summer, it is unequalled. But when used for this purpose, it is advisable to let it stand till it becomes putrid, as it will, in that condition, act with greater energy, and prove much more nutritive and salutary in its effects upon the plants. If your garden beds are infested by insects, fresh suds, from the laundry, if sprinkled over them, will prove highly beneficial in arresting their ravages. It should be applied early in the morning to culmiterous vegetables, and perhaps the early morning is the best time to apply it to garden vegetables generally. A very excellent compost is made by mixing common swamp muck and common barn manure, in equal quantities, and saturating the mass with suds. By daily effusions of this liquid, the compost will be rendered highly energetic, and act with most excellent effect on any crop.

OLD BEANS.—Old beans that have been injured by becoming mouldy or rancid, may be made sweet by pouring over them boiling water. In case where the disagreeable flavor cannot be removed by this means, they will be found to furnish an excellent feed for sheep, especially while suckling their young. A gill a day will be found sufficient, and prove of more value than three times the quanity of corn.

TO MAKE COWS "GIVE DOWN."—Put a bag of meal or any other weight, on their back. This is almost a sure way.

CURE FOR HORSES RUBBING THEIR TAILS.—Wash three or four times with stale urine It is a most effectual cure.— *Country Gentleman.*

Destruction Railroad.

The Directors take pleasure in reassuring their numerous friends and patrons, that the Road to Ruin is now in good order.

Within the last three months, it has carried more than three hundred thousand passengers clear through from the town of Temperance, to the city of Destruction, while the number of way passengers is encouraging.

An enormous amount of freight, such as mechanics' tools, household furniture, and even whole farms. have gone forward; and the receipts of the year have been so large, that the Directors have resolved to declare a dividend of five hundred per cent. The track has been much improved, and relaid with Messrs. Diabolus & Co's. patent rail. The grades are reduced to a dead level, and the switches brought to such perfection all along the route, as to jerk the cars in a moment from the main track, to avoid collision with the total Abstinence engine and the Temperance train which have recently occasioned so much trouble. In short, we have spared no expense to make it superior to any other Road to Ruin ever established. It gives us great pleasure to call the attention of the public to the improvements in our engines and cars. The old favorite locomotive—Alcohol—has a fire chamber of double capacity and patent driving wheels after the fashion of old Juggernaut. Our wine cars are models of luxurious conveyance, after the patent of the far-famed London Gin Palaces, where ladies and children and gentlemen of the first water can have all attention. To keep up with the spirit of the times, our whiskey, rum and brandy cars, have been greatly enlarged, and fare reduced to half price. Our cider and beer cars are exciting attention among the children.

Our experienced engineer Mr. Belial, and our polite and gentlemanly conductor, Mr. Mix, have been too long known to the traveling public to need any recommendation. Indeed, so swift and sparkling are our trains through all the towns and villages, that some have called it "The flying artillery of hell let loose on the earth."—Tickets must always be procured of Mr. Mix, at the Drinker's Hotel, where you may see the following extract from our charter from Government:

"Licensed to make a strong man weak,
Licensed to lay a wise man low;
Licensed a wife's fond heart to break,
And make her children's tears to flow.

Licensed to do their neighbor harm;
Licensed to hate and strife;
Licensed to nerve the robber's arm;
Licensed to whet the murderors knife.

Licensed, where peace and quiet dwell,
To bring disease and want and woe;
Licensed to make the world a hell,
And fit more for hell below!"

REGULATIONS.—The down train leaves Ciderville at 6 a. m.; Portertown at 7 a. m.; Beerville at 8 a. m.; Wineville at 2 a. m; Brandyborough at 10 a. m.; and Whiskey City at 12 m.

The speed of the train will be greatly increased as it proceeds: stopping, however, to land passengers at Poorhouseville, Hospitaltown, Prisonburg, Gallowsville, etc.

On Saturday, cars will be ready as usual, especially for way passengers, at the risk of the owners, and widows and orphans are particularly requested not to enquire after persons or property at rum Depot, as in no case will the Directors hold themselves responsible for accidents to passengers.

MARION AND HIS MEN!

The Anxiously-Looked for and Deeply Exciting
TALE OF THE REVOLUTION,
Now Ready!

THE
SWAMP FOX;
OR THE
Reble Riflemen,
A TALE OF THE
TIMES AND FEATS OF MARION,
By George Albany, Esq.,
Author of "The Orange-Girl or Venice," "The Swamp Steed," "Rue the Ranger," &c.,
will be commenced in the
NEW YORK MERCURY
Of Saturday, April 30, 1859,
Now Ready at all News Depots and Bookstores.

No character in history offers a better subject for the romancer, than that of Marion, or, as he was familiarly called,

"SWAMP FOX,"

from the immense ingenuity of his stratagems and devices for misleading and deceiving the enemy, his thorough knowledge of the woods, forests, fields, and swamps of his native region, where he and his gallant band were perfectly at home, while their enemies became lost and bewildered in the labyrinthine mazes of undergrowth and morass.

The story announced is a true reflex of those scenes and times, and its talented author has most vividly portrayed, therein, the many exciting incidents and accidents of a tenacious and indefatigable struggle for Liberty, pursued under the most adverse circumstances. Every chapter is replete with exciting and romantic interest, historically accurate, but with a sparkling web of poetry woven through it, which makes it at once a brilliant story and a veracious record. The strongly written descriptions of events—the ambuscade—the sudden sortie—the night attack—the wild charge and repulse—are all wonderful as examples of word-painting, and equally true to the actual facts.

In addition to these scenes of heroism and lofty daring the *Swamp Fox* is not without the gentle charm of a love-story, for the working and the effects of the tender passions are depicted in its pages, as truly and artistically as the sterner emotions, rendering the tale a perfect picture of life and character in the Days of the Revolution, which cannot fail to appeal to the admiration, and gratify the taste of every reader who has a spark of patriotism in his soul.

The peculiar power and interest with which the gifted author, **George Albany, Esq.,** describes the thrilling period, is a guarantee of the excellence of this truly magnificent Historical Romance. The vivid delineation of character, the depth of thought, the fascination of style, the picturesque beauty of description, and, in a word, the power of language he commands, all combine to render him one of the most brilliant writers of the age, while the great appreciation of and sympathy with the pioneers in the cause of universal liberty give him a grasp of Revolutionary subjects possessed by very few others. This has enabled him, in the Swamp Fox, to exhibit the life and adventures of

MARION AND HIS MEN,

as they really were, and to do fit homage to that deliberate valor, that unyielding patriotism, which, in a few noble spirits, defying danger, and above the scenes of privation, could keep alive the sacred fires of liberty in the thick swamps and dense and gloomy forests—asking nothing, yielding nothing, and only leaving the field the better to re-enter it for the combat!

We take to ourselves some credit for having secured for our columns the *chefs d'œuvres* of the master's pen, but we intend to give the

NEW YORK MERCURY

a still higher prestige than ever. We believe it is already the

Best and Largest Story Paper

in the world, and we contemplate making it better and better, with every successive number, in spite of expense and opposition.

BAYARD TAYLOR,

ENGAGED EXCLUSIVELY FOR
THE NEW YORK MERCURY!

At a very heavy expense we have succeeded in securing the

Celebrated Poet, Author and Tourist,

whose charming letters from foreign lands have long kept the world enlightened and interested,

BAYARD TAYLOR, Esq.,

who will hereafter make the Mercury the *only recipient* of his inestimable

Sketches of Travel,

one of which will appear EVERY WEEK.

We have the happiness to announce, therefore, that in the

The New York Mercury for April 30, '59,

will be commenced

STRAY CHAPTERS
OF
Life and Travel,
BY BAYARD TAYLOR,

the initiatory article being entitled

"THE FIRST JOURNEY I EVER MADE,"

which is considered by the author—as it unquestionably will be by the public—to be his most interesting adventure since the original outset of the *Great American Traveler,* and cannot fail to be of interest to all. These delightful articles will be *Beautifully Illustrated* with original designs, in the highest style of the art, portraying the scenes and characters described in the most graphic manner.

This new feature is a most valuable and instructive one, suited to both young and old, and will render the *NEW YORK MERCURY* worthy of a leading place, as the most refined and elegant of all *FAMILY PAPERS.* Since the first announcement of our engagement of Mr. Taylor, we have received a flood of inquiries from all parts of the Union, relative to the enterprise, showing that public expectation is on tip-toe to learn the particulars regarding the character of his contributions. As it is impossible for us to answer these in detail, we can only refer our friends and correspondents to the

New York Mercury for April 30.

where the first of these sparkling and popular sketches will be found.

As no other American has ever traveled so extensively as BAYARD TAYLOR, and no other traveler can see things with the eyes of America, we need not further eulogize the value of these emanations of his mind and observation, to the reading public. It is sufficient to say that they will greatly enhance the high character that the MERCURY has ever maintained, and that has heretofore rested upon many causes, some of the most important of which may be summed up as follows:

The *MERCURY* employs more literay talent than any other paper.

The *MERCURY* pays more, and higher prices for that talent, than any other paper.

The *MERCURY* is constantly announcing new, startling, and brilliant additions to its already unrivaled fund of attractions.

The *MERCURY* is illustrated by F. O. C. Darley, Esq., the greatest artist of this century, and his beautiful pictures are thus brought within the reach of the entire public.

The *Mercury* is the oldest and most firmly established literary journal in America.

THE MERCURY, during the Twenty-one years of its prosperous existence, has published a large number of popular original tales, romances, than all its imitators combined.

THE MERCURY must be seen, to be appreciated, and we are fully determined to make its name "familiar as a household word," with every family in the land.

THE MERCURY is for sale by all newsdealers and booksellers in every part of the country, and subscriptions are received for it at eyety Post Office.

It will be seen from the foregoing announcement, that the Mercury for April 30th, 1859, will be an excellent number for subscribers to date their subscriptions from.

THE MIGHTY HEALER.
WORLD KNOWN AND WORLD TRIED

HOLLOWAY'S OINTMENT.

The free admissions of all Nations, as well as the verdict of the leading Hospitals of the Old as well as the New World stamp this powerful remidial Agent as the greatest healing preparation ever made known to suffering man. Its PENETRATIVE QUALITIES are more than MARVELLOUS, through the external orifices of the skin, invisible to the naked eye, it reaches the seat of the internal diseases: and in all external affections its attendant anti-inflamatory and healing virtues surpass anything else on record, and is nature's great ally.

ERYSIPELAS AND SALT RHEUM

Are two of the most common and virulent disorders prevalent on this continent, to these the Ointment is especially antagonistic, its "MODUS OPERANDI" is first to eradicate the venom and then complete the cure.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing that have pertinaciously refused to yield to any other remedy or treatment; have invariably succumbed to a few applications of this powerful ungent.

ERUPTIONS ON THE SKIN,

Arising from a bad state of the blood or chronic disease are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient; warm fomentations should precede its application. Its healing qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Mecurial Eruptions,	Swelled Glands,
Sprains,	Burns,	Piles,
Sore Legs,	Stiff Joints,	Chapped Hands,
Rheumatism,	Sore Breasts,	Tetter,
Chilblains,	Ringworm,	Sore Heads,
Ulcers,	Fistula,	Salt Rheum,
Sore Throats,	Veneral Sores,	Gout,
Scalds,	Sores of all kinds,	Wounds of all
Lumbago,	Skin Diseases,	kinds.

☞ CAUTION!—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAF TO THE LIGHT. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactories of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines throughout the United States and the civilized world, in pots at 25 cents, 63 cents, and $1.
