BEAUTIFUL RESIDENCE ON SALT WATER, IN OXFORD NECK, TALBOT CO., MD. AT PUBLIC SALE!

THE subscriber intending to leave the State, will offer at Easton, Md., on

The 7th day of June next,

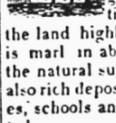

"EAST AVON," being a part of "Otwell," the residence of the late Col. N. Goldsborough, a tract celebrated for its fertility. This Farm contains

193 ACRES,

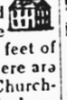

and has on it a new and beautiful **Cottage Residence,** designed by Jas. & Jas. M. Dixon, Architects, Baltimore, Md., built of first class material and in the best manner. The view from the Dwelling is very commanding, and from the Observatory which overlooks the entire surrounding country is seen the beautiful Third Haven Creek with its numerous tributaries, and at a greater distance the broad Choptank River. This landscape is rendered more attractive by the frequent passing of sailing vessels and steamers running to and from Baltimore, and by sail canoes, most of which are in the oyster trade, but a great many are fancy pleasure boats. The steamers passing by the door stop for passengers whenever a signel is given. The shores are of firm white sand, affording delightful bathing.—The **Angling** is always good during the summer and fall months—and at a hurdle near the house are caught the delicious Sheepshead. Oysters abound in vast quantities and within a few hundred yards from the house there is

a land-locked cove, a lake in appearance, now planted with Oysters, covering three acres, and as the mouth or outlet is only twenty feet wide, Terrapins could be enclosed and bred in it with trifling cost. Upon this farm is one of the most prominent Ducking Points on the creek. It is distant ten miles from Easton, the county town, five from Trappe, and the same distance from Oxford, where there is a steamboat wharf. The enclosure around the buildings are new and handsome, built of heart yellow pine with locust and cedar posts. The Barn and stables are new and built in the most durable manner. There is also an

Overseer's House and two Negro Houses. The location is very healthy, and

the land highly productive. There is marl in abundance within three feet of the natural surface; besides this there are also rich deposits of Indian Shells. Churches, schools and mills are conveniently located.

TERMS OF SALE, one fourth of the purchase money cash; the purchaser giving notes secured by mortgage on the property or other approved security for the deferred payments, to be made in 12, 18 and 24 months.

THE FAMILY JOURNAL.

A WEEKLY NEWSPAPER,
Devoted to Literature, News, Romance, Science and Art.

JOHN B. WILLIAMS, } Editors & Proprietors.
CHAS. H. MOORE. }

IT is a well known fact that the South is almost entirely dependent on the North for its hebdomadal literature. It is to be seen whether the Southern States cannot support a literary journal of its own. The parties undertaking this new enterprise are determined to spare no effort or expense to produce a paper which shall effect this purpose, and deserve a share of the support of the reading public. Such a paper, it is hoped, will arouse the somewhat dormant literary condition of our (Baltimore) city, develop its inactive talent; and offer at our own doors a vehicle for the expression of thought, interchange of ideas, and the imparting of new items of information.

The Family Journal will contain Original Stories, Sketches of Travel, Biographical essays, a Summary of News, domestic and Foreign; Reviews of Books, Dramatic and Musical Criticisms, Reports of Popular Lectures, and such general information as will make it a welcome guest in every family. The proprietors are determined that their journal shall be second to none in the variety, interest and value of its contents; in its literary excellence and high moral tone. Politics and Sectarianism will be most rigidly excluded.

Particular attention paid to "answers to correspondents," a talented gentleman having been especially engaged for that purpose.

Arrangements have already been made with a distinguished corps of American contributors, and negotiations are still in progress which will ultimately secure the best talent in the country. It is intended that the literary matter in this journal shall be chiefly original; the appropriation from foreign sources, without acknowledgement, in the newspapers of the day, is already too frequent.—Should any article be selected on account of its superior excellence, credit will be invariably given where it is due.

DYSPEPSIA AND KINDRED DISEASES RADICALLY, PERMANENTLY & SPEEDILY CURED BY THE OXYGENATED BITTERS.

Experience has confirmed these Bitters, as the most Remarkable Preparation ever presented to the public for the cure of the following complaints, viz:—Pain in the Stomach, Heart Burn, Water Rash, Costiveness, Acidity, Oppression after Eating, Jaundice, Piles, Flatuency, Ennui, Torpor of the Liver, Dizziness, Debility, Fever and Ague, Climatic Influence, Female Complaints, and all Diseases having their origin in imperfect digestion, or deranged condition of the stomach.

This preparation contains no Alcohol, or Poisonous Drugs; is not affected by time or climate; is highly agreeable to the taste; and while it differs totally from all other remedies ever discovered, is unsurpassably superior to them all.

[From the Boston Post, Feb. 9, 1858.]

OXYGENATED BITTERS.—The various certificates given by gentlemen of position in regard to the merits of these Bitters, which we believe to be fully merited, are endorsed to-day by a card which appears in the Portland Christian Mirror, of the 26th ult. As a voluntary expression of opinion, it must have its due effect.

EAST TAUNTON, Jan 4, 1858.

Mr. Lord—Dear Sir:—You will confer a favor upon me, and I trust also upon the suffering, by giving the following a place in the Mirror.
JAMES R. CUSHING.

OXYGENATED BITTERS.—For more than twenty-five years I have been a sufferer from the dyspepsia. Besides trying the patience of my family physicians in the almost useless trials of their various prescriptions, I have tried a great variety of patent medicines with a similar result. Through the kindness of Dr. W. G. Hanaford, I received, in March last, a half dozen bottles of Oxygenated Bitters, from Mr. Seth W. Fowle & Co., Boston. I began to use them without any hope of deriving help from them. Being determined to give them a fair trial, I continued their use, but without any perceptible benefit till June.

Since then I have gradually improved in health till I am entirely free from acidity of the stomach, and from the consequent flatulency, and the awful and almost distracting sick headache, which often, for days together, has wholly unfitted me for study and for all other ministerial duties, and rendered life a burden. Having derived so great a relief, I feel that I owe it, as an expression of gratitude to Mrs. Fowle & Co., and also a duty to the public, to recommend their Oxygenated bitters, as in my estimation, a sure remedy for that most trying, most vexing, and cruel of all diseases, to which poor human flesh is heir, the dyspepsia. Having suffered so long, and tried so many different remedies with no good result, I can recommend the Oxygenated Bitters with a confidence few others can. If any of the readers of the Mirror are suffering, I beg of them to make a trial of these Bitters without delay
