REPORT

Of the Committee appointed by the Commissioners for Talbot County to revise the list of text-books, recommended by the Teachers' Convention, to be used in the Primary Schools in Talbot County:

The undersigned, appointed by the Commissioners of Talbot county a committee to review the action of the Teachers' Convention in relation to text-books to be used in the Primary School of said county, and recommend a list of books for use in said schools, together with such other recommendations in relation thereto as they may deem proper—beg leave respectfully to submit the following

REPORT:

1- A list of books to be used uniformly in the Primary School.

1. McGuffy's Primmer.
2. McGuffy's Eclectic Reader No. 1.
3. McGuffy's Eclectic Reader No. 2.
4. McGuffy's Eclectic Reader No. 3.
5. McGuffy's Eclectic Reader No. 4
6. Town's Speller and Definer.
7. Town's Analysis of words by suffixes and prefixes.
8. Goldsmith's Natural History.
9. Sargent's *Primary* standard Speaker.
10. Goodrich's History of the U. States.
11. Cornell's First Steps in Geography.
12. Mitchell's Modera Geography and Atlas.
13. Emmerson's Arithmetic No. 1.
14. Emmerson's Arithmetic No. 2.
15. Emmerson's Arithmetic No. 3.
16. Potter & Hammond's Penmanship —*first six numbers.*
17. Davies' Mensuration.
18. Davies' Elementary Algebra.
19. Parker's Philosophy.
20. Guy's Astronomy.
21. Gummere's Surveying.
22. Crittenden's System of Book-keeping.
23. Bullion's Grammar for Beginners.
24. Bullion's Principles of Grammar.
25. Book of Commerce.
26. Ruschenberger's Physiology.
27. Map of Talbot County,

2.—Your committee do not think it advisable that a copy of Webster's unabridged Dictionary, nor a pair of Globes should be provided by the county for each school, as recommended by the Teachers' Convention—but that each District having pupils requiring the use of the Globes, should provide them for itself

3—Your committee recommend that the county should provide the books named in the foregoing list—but that each District should be supplied with a permanent Blackboard, a copy of Monk's Map of the United States, and such other aids as the condition of the school may require, including Globes, Chemical and Philosophical apparatus, Dictionaries, &c., at the expense of each District respectively requiring them.

4.—Your committee further recommend that the Commissioners purchase the books themselves for the use of the schools, and keep them in the Comm'rs' office to be distributed by the Clerk of the Commissioners to the schools as they may be required, and that an account be opened and kept by the said Clerk with each District, to show what books are obtained by each District, by whom obtained, and their value—the object of this recommendation being two-fold: 1.—That a considerable sum may be annually saved to the county by purchasing the books at first hand, varying from 10 to 50 per cent on the prices now paid.—2—That the books may be uniformly the same, and may be accounted for directly to the Commissioners

5—Your committee do hot doubt that the mode of levying a half year's salary in advance for the teachers would be of great service in securing good teachers and adding to the efficiency of the Primary School system; but as that is a subject of policy involving the general system of county taxation, your committee do not deem it their duty to urge the subject further than to recommend, that if consistent with the best interests of the county in other respects, the Commissioners should so levy in advance, and also levy a sum say not less than two hundred dollars for the purchase of books—deeming this latter a matter of much importance.

All of which is respectfully submitted.

CAMPBELL'S *PURE ESSENCE OF JAMAICA GINGER*.—Ginger is a grateful stimulant and carminitive, and is often given in *Gout, Rheumatism, Dyspepsia, Cramp, Cholera Morbus, Cholic, Cholera*, &c., &c.

In *Nervous and Sick Headache, Sea Sickness, Nausea, Imperfect Digestion*, or from Nausea induced by riding in a carriage, &c., it will be found most agreeable to the stomach and palatable to the taste, and affording at the same time almost in all cases immediate relief.

To the *Inebriate* it is particularly serviceable; a very small quantity used instead of the usual stimulant, will give tone and vigor to the digestive organs, and impart strength to resist the temptation, and may therefore be considered a valuable agent in reclaiming the drunkard.

The traveling public will also find it very efficacious in correcting the bad results arising from a change of water and diet, a few drops of which will give a glow and vigor to the stomach, equal to a wine glass of brandy or other stimulant, without producing any of the injurious and overrating effects which are sure to result from the use of stimuli of any kind. *It is also a superior article for Flavoring Jellies, Preserves, Cakes, and for other Culinary uses*, besides making a good beverage in hot weather.

DOSE.—An adult may take one spoonful; a child from 8 to 14 years old, half that quanity; and for a child 2 to 5 years old, 10 to 20 drops To be given in syrup or in sugar and water. Prepared and for sale by LEVIN H. CAMPBELL,

The following letter from Rev. Henry Wood, late Consul to Beyroot, Syria, and formerly editor of the *Congregationalist*, Concord, N. H., and now Chaplain U. S Navy, is of like tenor of thousands in our possession:—

CONCORD, N. H., March 2.

Messrs. Seth W. Fowle & Co.—Gentlemen—Two years ago, a sudden and violent attack upon my lungs confined me to my bed for several weeks, and when I recovered, I was so much oppressed by difficulty in breathing, that I was often unable to sleep or rest upon a bed by night. The suffering was extreme, and judging from the inefficiency of the remedies used, I supposed the disease incurable. Being persuaded to try a bottle of WISTAR'S BALSAM OF WILD CHERRY, without the least confidence in its efficiency, I found the difficulty almost entirely removed before one bottle was used up. Having a mortal aversion to medicine, and seldom using it in any form, sympathy with my fellow sufferers induces me to make this public statement, and recommend the article to others similarly afflicted.

With respect, yours truly, HENRY WOOD.

It has been used with like success by
