Trustee's Sale.

BY virtue of competent authority the undersigned, as Trustee, will offer at public sale, on *Tuesday, the 9th of August next*,

in front of the Court House, in the town of Easton, between the hours of 2 and 4 o'clock P. M., the farm known as the "Glebe" Farm, whereof Andrew Sullivan late of Talbot county, died, seized and possessed, situate on the public road leading from Easton to Landing Neck, and near the public road leading from Easton to Trappe, containing the quantity of

143 Acres of Land.

The buildings comprise a two story Dwelling House out of repair, with ample Kitchen; commodious Smoke-house, Stables, Carriage house, Cart house and Granary—all in good repair, and an excellent well of water. The Farm is divided into three fields, each having a fine stream of water and meadow running through it. Soil very good and susceptible of a high state of improvement. There is also a fine Apple and Peach Orchard upon the farm. The farm is located within 3 miles of Lloyd's Landing, on the Choptank, a mile of Churches and Schools, and two miles distant from "Lloyd's Springs," a place of great resort on account of the excellent and healthy mineral properties of the water. In a beautiful neighborhood, it has all the advantages of an inland situation necessary to commend it to the notice of purchasers. Persons desiring to view the premises will be shewn them by the Trustee, residing thereon.

TERMS.—One third of the purchase money in cash; balance in 12 and 18 months, with interest from day of sale, secured by bond and security, approved by the Trustee.
ju 15-ts SILAS SULLIVAN, Trustee.

Trustee's Sale
OF A
Valuable Salt Water Situation,
ON
TRED AVON RIVER.

BY virtue of authority derived from the Circuit Court of Talbot County, sitting as a court of equity, I will offer at public sale to the highest bidder, in front of the court house, in Easton, on

Tuesday, the 2d day of August next,

at the hour of 2 o'clock, P. M., all that farm or plantation of which Joshua E. Leonard died seized and possessed, situated in Hopkin's Neck, Talbot county, immediately on Tred Avon river, opposite the farm of Col. H. E. Bateman, and known as the

"Double Mills."

This farm contains about 50 acres of land, more or less, a small portion of which is in wood; the balance is arable land, very fertile, and in a high state of cultivation.—There is an abundance of shell-bank and other resources on it to keep up its present fertility. No farm in that desirable locality produces more abundant crops, the land being adapted alike to Wheat, Corn, Vegetables, and Fruit. It is located immediately on the salt water, and the steamboats running between Easton and Baltimore pass up and down the river within a few rods of the shore. Sail boats also anchor within a few feet of the landing. The facilities it affords for shipping vegetables and fruits to the city, renders it a most desirable location for a truck or

Market Farm.

The wood on the place is amply sufficient for farm purposes—and two sides of it being bounded on the water, it requires but a small quantity of fencing to enclose it.

The improvements consist of a DWELLING HOUSE, and necessary out houses, and a first rate well of water—two

WIND MILLS,

favorably located for doing a good grist business.

☞ *ADVANTAGES.* ☜

Perhaps no situation on the Eastern Shore is more healthy, it having enjoyed a high character in this respect from time immemorial. The waters adjacent abound with Fish, Oysters and Terrapins, all of which are plentiful in their season Wild fowl is also abundant during the winter, the "Double Mills" being well known as one of the best gunning points on the river, the current being so strong it seldom freezes over, and never longer than a few days at a time. Flock fowl and the more delicate

CANVASS BACK DUCKS.

frequent the waters and may be taken in quantities, by baiting for them at the landing during a freese. There is a tolerable good apple orchard, and some peaches. No farm in the county combines more local advantages which go to make a desirable situation. The prospect from the dwelling is beautiful. On one hand, a view of the river may be had almost to Oxford, while on the other, the view extends to Cedar Point, the residence of Joseph R. Price, Esq. Immediately in front is the beautiful Tred Avon river, beyond which is a veregated land-scape of wood and field rarely excelled.

TERMS.—The terms of sale as prescribed by the decree, are one-fourth of the purchase money in cash, to be paid on the day of sale, the residue in three equal instalments of one, two and three years; the purchaser giving bond with good and sufficient security, to be approved by the trustee, bearing interest from the day of sale. On the payment of the purchase money a good title in fee simple will be conveyed by the trustee at the expense of the purchaser.

SPEDDEN OREM,
Trustee.

CAMPBELL'S *PURE ESSENCE OF JAMAICA GINGER*—Ginger is a grateful stimulant and carminitive, and is often given in *Gout, Rheumatism, Dyspepsia, Cramp, Cholera Morbus, Cholic, Cholera, &c., &c.*

In *Nervous and Sick Headache, Sea Sickness, Nausea, Imperfect Digestion*, or from Nausea induced by riding in a carriage, &c., it will be found most agreeable to the stomach and palatable to the taste, and affording at the same time almost in all cases immediate relief.

To the *Inebriate* it is particularly serviceable; a very small quantity used instead of the usual stimulant, will give tone and vigor to the digestive organs, and impart strength to resist the temptation, and may therefore be considered a valuable agent in reclaiming the drunkard.

The traveling public will also find it very efficacious in correcting the bad results arising from a change of water and diet, a few drops of which will give a glow and vigor to the stomach, equal to a wine glass of brandy or other stimulant, without producing any of the injurious and overrating effects which are sure to result from the use of stimuli of any kind. *It is also a superior article for Flavoring Jellies, Preserves, Cakes, and for other Culinary uses*, besides making a good beverage in hot weather.

DYSPEPSIA
AND KINDRED DISEASES
RADICALLY, PERMANENTLY & SPEEDILY
CURED BY THE
OXYGENATED BITTERS.

Experience has confirmed these Bitters, as the most Remarkable Preparation ever presented to the public for the cure of the following complaints, viz:—Pain in the Stomach, Heart Burn, Water Rash, Costiveness, Acidity, Oppression after Eating, Jaundice, Piles, Flatuency, Ennui, Torpor of the Liver, Dizziness, Debility, Fever and Ague, Climatic Influence, Female Complaints, and all Diseases having their origin in imperfect digestion, or deranged condition of the stomach.

This preparation contains no Alcohol, or Poisonous Drugs; is not affected by time or climate; is highly agreeable to the taste; and while it differs totally from all other remedies ever discovered, is unsurpassably superior to them all.

[From the Boston Post, Feb. 9, 1858.]

OXYGENATED BITTERS.—The various certificates given by gentlemen of position in regard to the merits of these Bitters, which we believe to be fully merited, are endorsed to-day by a card which appears in the Portland Christian Mirror, of the 20th ult. As a voluntary expression of opinion, it must have its due effect.
EAST TAUNTON, Jan 4, 1858.

Mr. Lord—Dear Sir:—You will confer a favor upon me, and I trust also upon the suffering, by giving the following a place in the Mirror.
JAMES R. CUSHING.

OXYGENATED BITTERS.—For more than twenty-five years I have been a sufferer from the dyspepsia. Besides trying the patience of my family physicians in the almost useless trials of their various prescriptions, I have tried a great variety of patent medicines with a similar result. Through the kindness of Dr. W. G. Hanaford, I received, in March last, a half dozen bottles of Oxygenated Bitters, from Mr. Seth W. Fowle & Co., Boston. I began to use them without any hope of deriving help from them. Being determined to give them a fair trial, I continued their use, but without any perceptible benefit till June.

Since then I have gradually improved in health till I am entirely free from acidity of the stomach, and from the consequent flatulency, and the awful and almost distracting sick headache, which often, for days together, has wholly unfitted me for study and for all other ministerial duties, and rendered life a burden. Having derived so great a relief, I feel that I owe it, as an expression of gratitude to Mrs. Fowle & Co., and also a duty to the public, to recommend their Oxygenated bitters, as in my estimation, a sure remedy for that most trying, most vexing, and cruel of all diseases, to which poor human flesh is heir, the dyspepsia. Having suffered so long, and tried so many different remedies with no good result, I can recommend the Oxygenated Bitters with a confidence few others can. If any of the readers of the Mirror are suffering, I beg of them to make a trial of these Bitters without delay
JAMES R CUSHING.
