PEREMPTORY SALE
OF THAT
VALUABLE REAL ESTATE!
FAUSLEY WOOD!

FOR the purpose of effecting a final division of the real estate jointly held by the heirs of Nicholas and E. T. Goldsborough, deceased, I will sell at public auction in front of the Court House in Easton, Talbot County, Maryland, on

TUESDAY, the 30th DAY OF AUGUST NEXT,

peremptorily to the highest bidder,

"FAUSLEY WOOD,"

containing **353 ACRES,** more or less, of arable and Timbered Land.

This Farm is 1½ mile distant from Easton, and is situated on Glebe Creek, an arm of Miles or St. Michaels River, and fronts upon a public road.

It is noted on the County Map, "Heirs of N. Goldsborough."

In respect to its central and acceptable position in the county, and its proximity to the county town, steamboat landings, churches, schools, mills, and the character of the neighborhood, the location of this farm is admirable and unsurpassed, as will be evidently seen upon due examination of the county map, copies of which can be seen in Annapolis, Washington, Baltimore, Philadelphia and elsewhere.

This Farm has been cultivated in the best manner for many years; all of it has been well, and some of it twice limed, and it has produced very heavy crops of grain.

For extensive and profitable fruit culture this location in respect to two steamboat landings, and the projected Railroad from Easton, its protection from storms by surrounding forests, and the character of the soil, possesses rare and peculiar advantages.

THIRTY-EIGHT ACRES of this tract are detached from, but very near to, the main body, and are covered by a very superior growth of WHITE OAK TIMBER, which has never been cut upon, and will be offered separately, first in seven Lots of 5 Acres each, and one of 3 Acres, and afterwards as a whole. The remaining 315 acres can be advantageously divided into two farms, by a line running in a northerly direction up the valley on the west side of the buildings, the one of about 125 acres, and the other of about 190 acres, the latter containing the present buildings and each farm having an ample amount of timber, and therefore it will be offered first in two parts as above described, and afterwards as a whole, the seller reserving the right to choose whether to accept the bids for the property divided into parcels or in two parts as above named and described.

James N. Goldsborough or the subscriber will exhibit the property and a plot of the same.

THE TERMS OF SALE are ⅓ of the purchase money cash, the purchaser or purchasers giving notes secured by mortgage on the property, for the remainder to be paid in three equal annual instalments in one, two and three years, with interest from the day of sale.

By order of the heirs,
M. T. GOLDSBOROUGH,

The said road begins at a point a little below the lot where "Emory Chapel" recently stood, and running thence, through the lands of Wm. R. CAMPBELL'S *PURE ESSENCE OF JAMAICA GINGER*—Ginger is a grateful stimulant and carminitive, and is often given in *Gout, Rheumatism, Dyspepsia, Cramp, Cholera Morbus, Cholic, Cholera, &c., &c.*

In *Nervous and Sick Headache, Sea Sickness, Nausea, Imperfect Digestion*, or from Nausea induced by riding in a carriage, &c., it will be found most agreeable to the stomach and palatable to the taste, and affording at the same time almost in all cases immediate relief.

To the *Inebriate* it is particularly serviceable; a very small quantity used instead of the usual stimulant, will give tone and vigor to the digestive organs, and impart strength to resist the temptation, and may therefore be considered a valuable agent in reclaiming the drunkard.

The traveling public will also find it very efficacious in correcting the bad results arising from a change of water and diet, a few drops of which will give a glow and vigor to the stomach, equal to a wine glass of brandy or other stimulant, without producing any of the injurious and overrating effects which are sure to result from the use of stimuli of any kind. *It is also a superior article for Flavoring Jellies, Preserves, Cakes, and for other Culinary uses*, besides making a good beverage in hot weather.

DYSPEPSIA
AND KINDRED DISEASES
RADICALLY, PERMANENTLY & SPEEDILY
CURED BY THE
OXYGENATED BITTERS.

Experience has confirmed these Bitters, as the most Remarkable Preparation ever presented to the public for the cure of the following complaints, viz:—Pain in the Stomach, Heart Burn, Water Rash, Costiveness, Acidity, Oppression after Eating, Jaundice, Piles, Flatuency, Ennui, Torpor of the Liver, Dizziness, Debility, Fever and Ague, Climatic Influence, Female Complaints, and all Diseases having their origin in imperfect digestion, or deranged condition of the stomach.

This preparation contains no Alcohol, or Poisonous Drugs; is not affected by time or climate; is highly agreeable to the taste; and while it differs totally from all other remedies ever discovered, is unsurpassably superior to them all.

[From the Boston Post, Feb. 9, 1858.]

OXYGENATED BITTERS.—The various certificates given by gentlemen of position in regard to the merits of these Bitters, which we believe to be fully merited, are endorsed to-day by a card which appears in the Portland Christian Mirror, of the 20th ult. As a voluntary expression of opinion, it must have its due effect.

EAST TAUNTON, Jan 4, 1858.

Mr. Lord—Dear Sir:—You will confer a favor upon me, and I trust also upon the suffering, by giving the following a place in the Mirror.

JAMES R. CUSHING.

OXYGENATED BITTERS.—For more than twenty-five years I have been a sufferer from the dyspepsia. Besides trying the patience of my family physicians in the almost useless trials of their various prescriptions, I have tried a great variety of patent medicines with a similar result. Through the kindness of Dr. W. G. Hanaford, I received, in March last, a half dozen bottles of Oxygenated Bitters, from Mr. Seth W. Fowle & Co., Boston. I began to use them without any hope of deriving help from them. Being determined to give them a fair trial, I continued their use, but without any perceptible benefit till June.

Since then I have gradually improved in health till I am entirely free from acidity of the stomach, and from the consequent flatulency, and the awful and almost distracting sick headache, which often, for days together, has wholly unfitted me for study and for all other ministerial duties, and rendered life a burden. Having derived so great a relief, I feel that I owe it, as an expression of gratitude to Mrs. Fowle & Co., and also a duty to the public, to recommend their Oxygenated bitters, as in my estimation, a sure remedy for that most trying, most vexing, and cruel of all diseases, to which poor human flesh is heir, the dyspepsia. Having suffered so long, and tried so many different remedies with no good result, I can recommend the Oxygenated Bitters with a confidence few others can. If any of the readers of the Mirror are suffering, I beg of them to make a trial of these Bitters without delay
