Great American Remedy

For the cure of every minor disease of the Throat, Lungs, and Chest, as well as the most fell and fatal of all, CONSUMPTION!

The following letter from Rev. Henry Wood, late Consul to Beyroot, Syria, and formerly editor of the *Congregationalist*, Concord, N. H, and now Chaplain U. S Navy, is of like tenor of thousands in our possession:—

CONCORD, N. H., March 2.

Messrs. Seth W. Fowle & Co.—Gentlemen—Two years ago, a sudden and violent attack upon my lungs confined me to my bed for several weeks, and when I recovered, I was so much oppressed by difficulty in breathing, that I was often unable to sleep or rest upon a bed by night. The suffering was extreme, and judging from the inefficiency of the remedies used, I supposed the disease incurable. Being persuaded to try a bottle of WISTAR'S BALSAM OF WILD CHERRY, without the least confidence in its efficiency, I found the difficulty almost entirely removed before one bottle was used up. Having a mortal aversion to medicine, and seldom using it in any form, sympathy with my fellow sufferers induces me to make this public statement, and recommend the article to others similarly afflicted.

With respect, yours truly, HENRY WOOD.

It has been used with like success by
SAMUEL A. WALKER, Auctioneer.
DR. WM. A. SHAW, Washington, N.C.
Alderman PERKINS.

And by numerous Physicians in their practice, as their Certificates testify.
