WHO ARE THE ABOLITIONISTS?

—The following special dispatch received from Hagerstown last night, will startle the democrats who have dared to bring the charge of abolitionism against the American comments. The startling relation of the freedom shrieker Cook, is strangely confirmed by the following information conveyed by the New Albany, La., *Tribune*, which came to hand as if providentially at the same moment with the telegram from Hargerstown. We have not room for comment, and none indeed is needed:

[*Special Dispatch to the Baltimore Clipper.*]

CAPT. COOK A DEMOCRAT.

HAGERSTOWN, Oct. 28.—The notorious Capt. Cook was brought to this place yesterday, on rout for Charlestown. Whilst at the hotel waiting for a conveyance to Charlestown, Messrs. George Freaner and Wm. Motler, two locofoco candidates on the county ticket, approached him and engaged him in conversation in reference to any political question involved in the insurrection at Harper's Ferry. The Captain declared that politics had nothing to do with the matter. The gentlemen interrogated him further as to his own politics, when, to their great surprise, the Captain told them that he had not voted for many years, but that in politics he was a Democrat. No further inquiries about politics were made by those candidates.

M.

[From the New Albany, Ia., Tribune.]

Cook, the second in command by the insurgent at Harper's Ferry, as the New Albany Tribune states, is the brother-in-law of Gov. Willard, of Indiana. Our citizens here will remember that Gov. Willard, in his speech in the Court-House in this place, and at other points in this Congressional district, in 1856, recommended the Abolitionists to hang meat and provisions on the bushes to feed the runaway negroes, on their route to Canada. And for this, was cheered by *Democrats!* We said then—we have said before—we said subsequently—and we say now, that Gov. Willard of Indiana, is and Abolitionist, as deep in the mud as his brother-in-law Cook is in the mire, and we would not be surprised to hear that letters from him were found on Ossawatomie Brown.

The Harper's Ferry Insurrection—Trial of Capt. Brown.

CHARLESTOWN, Oct. 28.—Capt. Cook was brought here at 1 o'clock this morning from Pennsylvania. He says that if Brown had taken his advice in relation to the affair one thousand men couldn't have taken them.—There is great rejoicing here at his arrest.

Cook also says that Fred. Douglas acted the coward, having promised to be there in person.

George H. Hoyt, of Boston, arrived here this morning as counsel for Capt. Brown.—He is quite a youth in appearance.

The Court met at 11 o'clock, when Brown was led over from the jail walking, but very feeble. He laid down on the cot, as on yesterday.

Senator Mason entered the court with Mr. Hoyt, of Boston, counsel for Brown.

Before the trial commenced Brown remarked that the testimony of Mr. Washington and Conductor Phelps yesterday was strictly truthful.

The jury were called and answered.

Mr. Botts announced the arrival of Mr. Hoyt, who had come here to assist as counsel for the prisoner. At present, however, he did not feel disposed to take part in the case whenever he should feel disposed he would do so.

The Harper's Ferry Insurrection.

CLEVELAND, Oct. 31.—Copeland's confession to Deputy Marshal Johnson is published in this morning's papers. He says he was furnished with money to go to Virginia by the two Messrs. Plumb of Oberlin. Mrs. Sturtevant of this city knew of the plans of the insurgents and supposes her husband did, but the latter denies any knowledge of the transaction.

Senator Hale and the Harper's Ferry Insurgents.

CHICAGO, Oct. 31.—Senator Hale publishes a card strenuously denying all complicity with Capt. Brown's Harper's Ferry movement, and pleging himself if evidence shall be laid before the Grand Jury of either Maryland or Virginia, and they find a bill, that he will submit himself for trial.

Counsel for the Insurgents.

BOSTON, Oct. 31.—Judge Russell, of the Superior Court, and George Senott, Esq., left here this afternoon, to take part in the defence of Capt. Brown, and the other insurgents prisoners at Charlestown, Va. It is reported also that B. F. Butler, the Democratic candidate for Governor, has also been retained by Brown's friends.

BONNER'S HORSES TOO FAST FOR HIM.—A short time since, says Burleigh of the Boston Journal, the papers were full of the then recent purchase by Mr. Bonner of the two fastest horses in this region, called Lantern and Lady Woodruff. But the end of it was that while Mr. Bonner owns the fleetest of steeds, they are of little avail. He cannot drive them himself. Once put on their speed the great Ledger man would find it impossible to manage them. So when Mr. Bonner appears on the "road," with his $14,000 team, he is obliged to employ a professional driver to attend him; and such is the power of this noted team, that it is regarded as quite dangerous to put them to their full mettle, and thus, on more than one occasion, the great team of the city has been left behind and the dust of slower ones hurled back on their owner.

A CLEVER IDEA OF HAM.—"We have a little six-year-older at home, who is noted among our friends and acquaintances for his original and precocious sayings.

"The other day he broke out very abruptly with

"'Father what makes negroes black?'

"Father tried to explain the supposed reasons to suit his comprehension, and in the course of his remarks said that they were descendants of Ham, one of the sons of Noah. Georgie pondered awhile, and at last brightening up, he said, very gravely,

"'Was it *smoked* ham, father?'"

THE PRINCE OF WALES COMING.—The Montreal Pilot has it on authority, that His Royal Highness the Prince of Wales, accompanied by the colonial secretary, and other distinguished personages, will visit Canada in the end of May or the beginning of June next. The formal opening of the Victoria bridge will then take place.

The Alexandria (Va.) correspondent of the *Washington Star* states the following as afact:

A man named Stilwell, the driver of an express wagon was brought before Justice Summers on Tuesday, on a peace warrant issued at the instance of the Commonwealth's Attorney, charging him with expressing sentiments denunciary of Southern institutions and people, while in conversation on the subject of the Harper's Ferry foray. The justice required him to give bail in the sum of $500 to keep the peace.

The receipts at the Central Virginia Agricultural Fair were $400, independedt of membership tickets.

There is a *thing* in this community, who is styled a "snake in the grass," who holds the rose of friendship in one hand and the dagger in the other, let all men beware of him, he will thrust himself into your confidence, Arnold-like, only for the purpose of betraying you. Beware!

THE UNIVERSAL
GAS LIGHT.
Edward H. Anderson's,
PORTABLE, AIR-PRESSURE, FAMILY
GAS LAMPS.
(Patent applied for.)

BY this valuable invention, every family both of Town or Country, can enjoy the luxury of a first quality Gas-light which for safety in its use, brilliancy and economy, cannot be surpassed, at a cost of less than one cent per hour. It produces a light equal to four ordinary two-tube fluid lamps, and is perfectly free from *smoke or smell*, and less trouble in its management than the ordinary fluid or Coal oil lamps. They are so constructed that the flame can be reduced to one half size, when the full force is not required, thereby only consuming one half the quantity of oil.

The great desideratum that has so long been felt for a portable Gas-light, simple in construction, one that is easily managed, and not requiring too much outlay in the first cost of apparatus, has now been obtained, and is fully realized in this truely valuable invention, and must be seen to be fully appreciated.

Every person in want of a superior and economical Gas-light, are respectfully invited to call and examine for themselves, or address

CURED BY THE
OXYGENATED BITTERS.

Experience has confirmed these Bitters, as the most Remarkable Preparation ever presented to the public for the cure of the following complaints, viz:—Pain in the Stomach, Heart Burn, Water Rash, Costiveness, Acidity, Oppression after Eating, Jaundice, Piles, Flatuency, Ennui, Torpor of the Liver, Dizziness, Debility, Fever and Ague, Climatic Influence, Female Complaints, and all Diseases having their origin in imperfect digestion, or deranged conditions of the stomach.

This preparation contains no Alcohol, or Poisonous Drugs; is not affected by time or climate; is highly agreeable to the taste; and while it differs totally from all other remedies ever discovered, is unsurpassably superior to them all.

OXYGENATED BITTERS.—The various certificates given by gentlemen of position in regard to the merits of these Bitters, which we believe to be fully merited, are endorsed to-day by a card which appears in the Portland Christian Mirror, of the 20th ult. As a voluntary expression of opinion, it must have its due effect.

EAST TAUNTON, Jan 4, 1858.

Mr. Lord—Dear Sir:—You will confer a favor upon me, and I trust also upon the suffering, by giving the following a place in the Mirror.
JAMES R. CUSHING.

OXYGENATED BITTERS.—For more than twenty-five years I have been a sufferer from the dyspepsia. Besides trying the patience of my family physicians in the almost useless trials of their various prescriptions, I have tried a great variety of patent medicines with a similar result. Through the kindness of Dr. W. G. Hanaford, I received, in March last, a half dozen bottles of Oxygenated Bitters, from Mr. Seth W. Fowle & Co., Boston. I began to use them without any hope of deriving help from them. Being determined to give them a fair trial, I continued their use, but without any perceptible benefit till June.

Since then I have gradually improved in health till I am entirely free from acidity of the stomach, and from the consequent flatulency, and the awful and almost distracting sick headache, which often, for days together, has wholly unfitted me for study and for all other ministerial duties, and rendered life a burden. Having derived so great a relief, I feel that I owe it, as an expression of gratitude to Mrs. Fowle & Co., and also a duty to the public, to recommend their Oxygenated bitters, as in my estimation, a sure remedy for that most trying, most vexing, and cruel of all diseases, to which poor human flesh is heir, the dyspepsia. Having suffered so long, and tried so many different remedies with no good result, I can recommend the Oxygenated Bitters with a confidence few others can. If any of the readers of the Mirror are suffering, I beg of them to make a trial of these Bitters without delay
JAMES R. CUSHING.
