Herrick's Map of Maryland

JUST PUBLISHED:

HERRICK'S

Map of Maryland & District of Columbia.

THE undersigned having been engaged for some time in making a survey for, and in draughting and designing a correct and beautiful State Map of Maryland, with the intention of publishing a more thorough, comprehensive and accurate map than any heretofore published, would respectfully announce to the citizens of this county, and of the State generally, that their work is engraved, published, and ready for sale. This map is carefully drawn, executed with taste, and is calculated to be of the greatest importance for reference by the resident; as an ornament to the parlor, hall or office, and as a dictionary to the traveller.

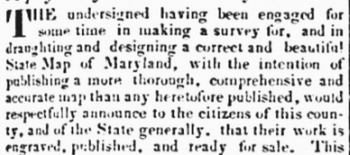

Description of Map.

The map is drawn upon a large scale (1 in 400,000,) representing the land boundaries, that beautiful sheet of water, the Chesapeake Bay, with its numerous tributaries, the rivers and streams throughout the counties, the public works, canals, rail roads, &c., together with the cities, post offices, many smaller villages, and most of the county roads. It also embraces in the margin enlarged maps of the District of Columbia, and cities of Baltimore and Washington. The whole will be colored in counties, beautifully embellished, varnished and mounted on rollers, with cloth backs, thus combining *beauty* with *durability*.

PUBLISHING TERMS.—We sell our maps by subscription only, at $5 per copy, payable on delivery. Regular canvassing Agents will visit each county and receive subscriptions, which will not be binding on parties, unless the map, when delivered, is as good in every respect as the specimens shown by them. Persons are cautioned against subscribing with any who have not certificates of agency, signed by us, and who do not exhibit a sample copy of the map.

JENNINGS, HERRICK & DEARBORN,
Publishers of County, State and City Maps,
Balto, Md,

☞Any regular Newspaper in Maryland giving the above advertisement and this notice five or more insertions, sending marked copies to the publishers, will receive one copy of the map gratis.

Full Length Steel Engravings of WASHINGTON & EVERETT,

INCLUDING A VIEW OF MOUNT VERNON,

In the Engraving of Washington. These splendid engravings are from original paintings by Hicks, and are *engraved on steel* in the highest style of Art. They are each 25x35 inches *each containing six square feet.* So many coarse, miserable pictures have been palmed upon the public as works of art—and especially in cheap, black and muddy engravings—that it is difficult to convince persons of taste that they are safe in ordering what they have not first seen. We have paid the first artists their own prices, amounting to many thousand dollars, to produce engravings really beautiful, as well as the best portraits, and that shall be splendid ornaments to any parlor.—☞Opinions that can be relied on.

The Editor of the *New York Observer* says: —"These engravings are genuine works of art—the likenesses are admirable. The portrait of Mr. Everett will take precedence of all others.'

The New York Christian Advocate says:— "They are among the finest engravings we have ever seen, and the publishers are fully responsible for all they promise."

Terms, almost Gratis.

We will send, POST PAID, securely packed in rollers—Either Engraving and a $3 Magazine, one year, for $3. Both Engravings, and a $3 Magazine, one year, for $4. Agents who remit $30 at one time, will have an extra copy of each engraving. The Magazines are Harper's, the Knickerbocker, Godey's Lady's Book, the Atlantic, Blackwood.

By special arrangement, the entire year's subscription to the Magazines is paid over by us to their publishers, and subscribers receive their supply for the year direct from their respective publication offices. The cost of the engravings is paid only by the difference between the lowest wholesale and the regular price of the Magazines.

Engravings sent at once, and subscriptions to periodicals commence with current issue, unless otherwise ordered. Money at our risk if proof is retained of having been mailed. First impressions are best, therefore send early. Address,

THE UNIVERSAL

GAS LIGHT.

Edward H. Anderson's,

PORTABLE, AIR-PRESSURE, FAMILY

GAS LAMPS.

(Patent applied for.)

BY this valuable invention, every family both of Town or Country, can enjoy the luxury of a first quality Gas-light which for safety in its use, brilliancy and economy, cannot be surpassed, at a cost of less than one cent per hour. It produces a light equal to four ordinary two tube fluid lamps, and is perfectly free from *smoke or smell,* and less trouble in its management than the ordinary fluid or Coal oil lamps. They are so constructed that the flame can be reduced to one half size, when the full force is not required, thereby only consuming one half the quantity of oil.

The great desideratum that has so long been felt for a portable Gas-light, simple in construction, one that is easily managed, and not requiring too much outlay in the first cost of apparatus, has now been obtained, and is fully realized in this truely valuable invention, and must be seen to be fully appreciated.

Every person in want of a superior and economical Gas light, are respectfully invited to call and examine for themselves, or address

Every description of Coal oil or fluid Lamps altered to manufacture and burn the Gas, at the low price of $2 00 without shade, and $3 when a shade and attachment is required.

Great American Remedy

For the cure of every minor disease of the Throat, Lungs, and Chest, as well as the most fell and fatal of all, **CONSUMPTION!**

The following letter from Rev. Henry Wood, late Consul to Beyroot, Syria, and formerly editor of the *Congregationalist,* Concord, N. H. and now Chaplain U. S Navy, is of like tenor of thousands in our possession:—

CONCORD, N. H., March 2.

Messrs. Seth W. Fowle & Co.—Gentlemen—Two years ago, a sudden and violent attack upon my lungs confined me to my bed for several weeks, and when I recovered, I was so much oppressed by difficulty in breathing, that I was often unable to sleep or rest upon a bed by night. The suffering was extreme, and judging from the inefficiency of the remedies used, I supposed the disease incurable. Being persuaded to try a bottle of WISTAR'S BALSAM OF WILD CHERRY, without the least confidence in its efficiency, I found the difficulty almost entirely removed before one bottle was used up. Having a mortal aversion to medicine, and seldom using it in any form, sympathy with my fellow sufferers induces me to make this public statement, and recommend the article to others similarly afflicted.

With respect, yours truly, HENRY WOOD.

CAMPBELL'S *PURE ESSENCE OF JAMAICA GINGER*—Ginger is a grateful stimulant and carminitive, and is often given in *Gout, Rheumatism, Dyspepsia, Cramp, Cholera Morbus, Cholic, Cholera, &c., &c.*
