Full Length Steel Engravings of WASHINGTON & EVERETT,

INCLUDING A VIEW OF MOUNT VERNON,

In the Engraving of Washington. These splendid engravings are from original paintings by Hicks, and are *engraved on steel* in the highest style of Art. They are each 25x35 inches *each containing six square feet*. So many coarse, miserable pictures have been palmed upon the public as works of art—and especially in cheap, black and muddy engravings—that it is difficult to convince persons of taste that they are safe in ordering what they have not first seen. We have paid the first artists their own prices, amounting to many thousand dollars, to produce engravings really beautiful, as well as the best portraits, and that shall be splendid ornaments to any parlor.—99-Opinions that can be relied on.

The Editor of the *New York Observer* says:—"These engravings are genuine works of art—the likenesses are admirable. The portrait of Mr. Everett will take precedence of all others.'

The New York Christian Advocate says:—"They are among the finest engravings we have ever seen, and the publishers are fully responsible for all they promise."

Terms, almost Gratis.

We will send, POST PAID, securely packed in rollers—Either Engraving and a $3 Magazine, one year, for $3. Both Engravings, and a $3 Magazine, one year, for $4. Agents who remit $30 at one time, will have an extra copy of each engraving. The Magazines are Harper's, the Knickerbocker, Godey's Lady's Book, the Atlantic, Blackwood.

By special arrangement, the entire year's subscription to the Magazines is paid over by us to their publishers, and subscribers receive their supply for the year direct from their respective publication offices. The cost of the engravings is paid only by the difference between the lowest wholesale and the regular price of the Magazines.

Engravings sent at once, and subscriptions to periodicals commence with current issue, unless otherwise ordered. Money at our risk if proof is retained of having been mailed. First impressions are best, therefore send early. Address,

THE UNIVERSAL
GAS LIGHT.
Edward H. Anderson's,
PORTABLE, AIR-PRESSURE, FAMILY
GAS LAMPS.
(Patent applied for.)

BY this valuable invention, every family both of Town or Country, can enjoy the luxury of a first quality Gas-light which for safety in its use, brilliancy and economy, cannot be surpassed, at a cost of less than one cent per hour. It produces a light equal to four ordinary two tube fluid lamps, and is perfectly free from *smoke or smell*, and less trouble in its management than the ordinary fluid or Coal oil lamps. They are so constructed that the flame can be reduced to one half size, when the full force is not required, thereby only consuming one half the quantity of oil.

The great desideratum that has so long been felt for a portable Gas-light, simple in construction, one that is easily managed, and not requiring too much outlay in the first cost of apparatus, has now been obtained, and is fully realized in this truely valuable invention, and must be seen to be fully appreciated.

Every person in want of a superior and economical Gas-light, are respectfully invited to call and examine for themselves, or address

Every description of Coal oil or fluid Lamps altered to manufacture and burn the Gas, at the low price of $2.00 without shade, and $3 when a shade and attachment is required.

A good supply of GAS LAMPS, BRACKETS, Pendants, Chandaliers, &c., suitable for Churches, Halls, Stores and private residences, constantly on hand and manufactured to order.

Commissioners' Sale.

THE Commissioners for Talbot county will offer at Public Sale, in front of the Court House, in Easton, on Tuesday, 3d day of January next, at 2 o'clock, P. M. the contract for building the new piece of Road and Landing, in Trappe District, Talbot county, through the lands of John Small, as recently laid down by Chas. Mullikin, Robert H. Kemp and A. S. Harper Esquires, Examiners, and surveyed by A. Chaplain, Esq., the County Surveyor. The Report of the Examiners says, "from point A on the plot to B is the private road leading to the residence of John Small, and with slight repairs subserves all practical purposes. On it three new bridges are necessary—one 18 feet span—another 6 feet span—These should be frame bridges well built—the other may be an ordinary tunnel bridge." The contractor will be required to make the road and bridges as suggested in the report—the bridges to be substantially built out of good white oak material—and the road to be cleared of all obstructions, ditched, and put in good traveling order to the water's edge.

When the work is completed it will be subjected to the inspection of three examiners, to be appointed by the county commissioners for that purpose, and not till they report it done in all respects as per contract, will it be received by the county commissioners.

The terms of payment to be agreed upon between the county Commissioners, and the contractor; the latter to enter into bond with good security for the faithful completion of the contract within 6 months from day of sale. A plat of the road, if desired, will be exhibited at the office of the commissioners on the day of sale.

Great American Remedy
For the cure of every minor disease of the Throat, Lungs, and Chest, as well as the most fell and fatal of all, **CONSUMPTION!**

The following letter from Rev. Henry Woodlate Consul to Beyroot, Syria, and formerly editor of the *Congregationalist*, Concord, N. H, and now Chaplain U. S Navy, is of like tenor o thousands in our possession:—

CONCORD, N. H., March 2.

Messrs. Seth W. Fowle & Co.—Gentlemen—Two years ago, a sudden and violent attack upon my lungs confined me to my bed for several weeks, and when I recovered, I was so much oppressed by difficulty in breathing, that I was often unable to sleep or rest upon a bed by night. The suffering was extreme, and judging from the inefficiency of the remedies used, I supposed the disease incurable. Being persuaded to try a bottle of WISTAR'S BALSAM OF WILD CHERRY, without the least confidence in its efficiency, I found the difficulty almost entirely removed before one bottle was used up. Having a mortal aversion to medicine, and seldom using it in any form, sympathy with my fellow sufferers induces me to make this public statement, and recommend the article to others similarly afflicted.

With respect, yours truly, HENRY WOOD.

It has been used with like success by
