TO THE LADIES

WILCOX & GIBB'S
SEWING MACHINE,
Patented June 22, 1857.

FULLY EQUAL TO ANY MACHINE IN USE.

The points of superiority peculiar its own in this Machine may be briefly stated.

FIRST.—The remarkable simplicity and accuracy of its mechanism, manifested in the fact that it is capable of making, unerringly,

3000 Stitches to the Minute.

SECOND.—It will not drop stitches, and is noiseless in its operation.

THIRD.—The facility with which the learner may become expert in operating it, inasmuch as no mistake can be made in *setting the needle* or in regulating the tension.

FOURTH.—*A patented device of great utility to learners has recently been applied, which prevents the possibility of the machine being run in the wrong direction, or the balance-wheel wearing a lady's dress.*

FIFTH.—Being made interchangeable in all its parts, any of them can readily be replaced in case of accident.

From the Philadelphia Evening Journal.

"It is indeed a wonderful production and its facility and simplicity, to other machine will bear any comparison with it."

THE UNIVERSAL
GAS LIGHT.
Edward H. Anderson's,
PORTABLE, AIR-PRESSURE, FAMILY
GAS LAMPS.
(Patent applied for.)

BY this valuable invention, every family both of Town or Country, can enjoy the luxury of a first quality Gas light which for safety in its use, brilliancy and economy, cannot be surpassed, at a cost of less than one cent, per hour. It produces a light equal to four ordinary two tube fluid lamps, and is perfectly free from smoke or smell, and less trouble in its management than the ordinary fluid or Coal oil lamps. They are so constructed that the flame can be reduced to one half size, when the full force is not required, thereby only consuming one half the quantity of oil.

The great desideratum that has so long been felt for a portable Gas-light, simple in construction, one that is easily managed, and not requiring too much outlay in the first cost of apparatus, has now been obtained, and is fully realized in this truly valuable invention, and must be seen to be fully appreciated.

Every person in want of a superior and economical Gas-light, are respectfully invited to call and examine for themselves, or address

Every description of Coal oil or fluid Lamps altered to manufacture and burn the Gas, at the low price of $2.00 without shade, and $3 when a shade and attachment is required.

Full Length Steel Engravings of
WASHINGTON & EVERETT,
INCLUDING A VIEW OF MOUNT VERNON,

In the Engraving of Washington. These splendid engravings are from original paintings by Hicks, and are *engraved on steel* in the highest style of Art. They are each 25x35 inches *each containing six square feet.* So many coarse, miserable pictures have been palmed upon the public as works of art—and especially in cheap, black and muddy engravings—that it is difficult to convince persons of taste that they are safe in ordering what they have not first seen. We have paid the first artists their own prices, amounting to many thousand dollars, to produce engravings really beautiful, as well as the best portraits, and that shall be splendid ornaments to any parlor.—

☞ Opinions that can be relied on.

The Editor of the *New York Observer* says: —"These engravings are genuine works of art—the likenesses are admirable. The portrait of Mr. Everett will take precedence of all others."

The New York Christian Advocate says:—"They are among the finest engravings we have ever seen, and the publishers are fully responsible for all they promise."

Terms, almost Gratis.

We will send, POST PAID, securely packed in rollers—Either Engraving and a $3 Magazine, one year, for $3. Both Engravings, and a $3 Magazine, one year, for $4. Agents who remit $30 at one time, will have an extra copy of each engraving. The Magazines are Harper's, the Knickerbocker, Godey's Lady's Book, the Atlantic, Blackwood.

By special arrangement, the entire year's subscription to the Magazines is paid over by us to their publishers, and subscribers receive their supply for the year direct from their respective publication offices. The cost of the engravings is paid only by the difference between the lowest wholesale and the regular price of the Magazines.

Engravings sent at once, and subscriptions to periodicals commence with current issue, unless otherwise ordered. Money at our risk if proof is retained of having been mailed. First impressions are best, therefore send early. Address,

PULMONARY COMPLAINT!

Discovered by a distinguished Physician—containing no mineral or deleterious ingredient, but everything agreeable, it has, by the wonderful cures it has effected, been constantly appreciating in public favor, and is now firmly established as the **Great American Remedy** For the cure of every minor disease of the Throat, Lungs, and Chest, as well as the most fell and fatal of all, **CONSUMPTION!**

The following letter from Rev. Henry Wood, late Consul to Beyroot, Syria, and formerly editor of the *Congregationalist,* Concord, N. H., and now Chaplain U. S Navy, is of like tenor o thousands in our possession:—

CONCORD, N. H., March 2.

Messrs. Seth W. Fowle & Co.—Gentlemen—Two years ago, a sudden and violent attack upon my lungs confined me to my bed for several weeks, and when I recovered, I was so much oppressed by difficulty in breathing, that I was often unable to sleep or rest upon a bed by night. The suffering was extreme, and judging from the inefficiency of the remedies used, I supposed the disease incurable. Being persuaded to try a bottle of WISTAR'S BALSAM OF WILD CHERRY, without the least confidence in its efficiency, I found the difficulty almost entirely removed before one bottle was used up. Having a mortal aversion to medicine, and seldom using it in any form, sympathy with my fellow sufferers induces me to make this public statement, and recommend the article to others similarly afflicted.

With respect, yours truly, HENRY WOOD.

It has been used with like success by
SAMUEL A. WALKER, Auctioneer.
DR. WM. A. SHAW, Washington, N.C.
