☞ *SPECIAL NOTICE TO AGENTS.*

G. G. EVANS, having purchased the stereotype plates, copyrights, etc., of the "Prince of the House of David," "Pillar of Fire," etc., would call the attention of agents to these truly valuable Works.

The "Prince of the House of David," is one of the most popular and best selling books ever published. Over 100 000 copies have been sold, and it bids fair to out-rival the "Pilgrim's Progress," or any other similar work.

The "Pillar of Fire," by the same author, is now meeting with a rapid sale, over 90,000 copies have been sold since its publication, and as a companion to the "Prince of the House of David," every reader of that book should purchase a copy.

"The Records of the Revolutionary War," is a book of great interest and gives a vast amount of information relative to the Soldiers of the Revolution, and is an invaluable book of reference for the descendants of its heroes and all who are interested in Pension Claims, Land Warrants, etc.

The most Liberal Inducements are offered to Agents, and upon addressing the publisher every information will be given.

TO THE LADIES.

THE WILCOX & GIBB'S SEWING MACHINE,
Patented June 2d, 1857.

FULLY EQUAL TO ANY MACHINE IN USE.

The points of superiority peculiar its own in this Machine may be briefly stated.

FIRST.—The remarkable simplicity and accuracy of its mechanism, manifested in the fact that it is capable of making, *unerringly,*

4,000 Stitches to the Minute.

SECOND.—It will not drop stitches, and is noiseless in its operation.

THIRD.—The facility with which the learner may become expert in operating it, inasmuch as *no mistake can be made in setting the needle* or in regulating the *tension.*

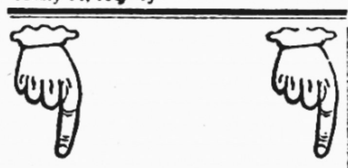

FOURTH.—*A patented device of great utility to learners* has recently been applied, *which prevents the possibility of the machine being run in the wrong direction,* or the balance-wheel wearing a lady's dress.

FIFTH.—Being made *interchangeable* in all its parts, any of them can readily be replaced in case of accident.

From the Philadelphia Evening Journal.

"It is indeed a wonderful production, and, *for family use especially, no other machine will bear any comparison with it.*"

THE UNIVERSAL
GAS LIGHT.
Edward H. Anderson's,
PORTABLE, AIR-PRESSURE, FAMILY
GAS LAMPS.
(Patent applied for.)

BY this valuable invention, every family both of Town or Country, can enjoy the luxury of a first quality Gas light which for safety in its use, brilliancy and economy, cannot be surpassed, at a cost of less than one cent per hour. It produces a light equal to four ordinary two tube fluid lamps, and is perfectly free from *smoke or smell,* and less trouble in its management than the ordinary fluid or Coal oil lamps. They are so constructed that the flame can be reduced to one half size, when the full force is not required, thereby only consuming one half the quantity of oil.

The great desideratum that has so long been felt for a portable Gas-light, simple in construction, one that is easily managed, and not requiring too much outlay in the first cost of apparatus, has now been obtained, and is fully realized in this truely valuable invention, and must be seen to be fully appreciated.

Every person in want of a superior and economical Gas light, are respectfully invited to call and examine for themselves, or address

Every description of Coal oil or fluid Lamps altered to manufacture and burn the Gas, at the low price of $2 00 without shade, and $3 when a shade and attachment is required.

A good supply of GAS LAMPS, BRACKETS, Pendants, Chandaliers, &c., suitable for Churches, Halls, Stores and private residences, constantly on hand and manufactured to order.

DYSPEPSIA
AND KINDRED DISEASES
RADICLLY, PERMANENTLY & SPEEDILY
CURED BY THE
OXYGENATED BITTERS.

Experience has confirmed these Bitters, as the most Remarkable Preparation ever presented to the public for the cure of the following complaints, viz:—Pain in the Stomach, Heart Burn, Water Rash, Costiveness, Acidity, Oppression after Eating, Jaundice, Piles, Flatuency, Ennui, Torpor of the Liver, Dizziness, Debility, Fever and Ague, Climatic Influence, Female Complaints, and all Diseases having their origin in imperfect digestion, or deranged condition of the stomach.

This preparation contains no Alcohol, or Poisonous Drugs; is not affected by time or climate; is highly agreeable to the taste; and while it differs totally from all other remedies ever discovered, is unsurpassedly superior to them all.

[From the Boston Post, Feb. 9, 1858.]

OXYGENATED BITTERS.—The various certificates given by gentlemen of position in regard to the merits of these Bitters, which we believe to be fully merited, are endorsed to day by a card which appears in the Portland Christian Mirror, of the 20th ult. As a voluntary expression of opinion, it must have its due effect.

EAST TAUNTON, Jan 4, 1858.

Mr. Lord—Dear Sir:—You will confer a favor upon me, and I trust also upon the suffering, by giving the following a place in the Mirror.
JAMES R. CUSHING.

OXYGENATED BITTERS.—For more than twenty-five years I have been a sufferer from the dyspepsia. Besides trying the patience of my family physicians in the almost useless trials of their various prescriptions, I have tried a great variety of patent medicines with a similar result. Through the kindness of Dr. W. G. Hanaford, I received, in March last, a half dozen bottles of Oxygenated Bitters, from Mr. Seth W. Fowle & Co., Boston. I began to use them without any hope of deriving help from them. Being determined to give them a fair trial, I continued their use, but without any perceptible benefit till June.

Since then I have gradually improved in health till I am entirely free from acidity of the stomach, and from the consequent flatulency, and the awful and almost distracting sick headache, which often, for days together, has wholly unfitted me for study and for all other ministerial duties, and rendered life a burden. Having derived so great a relief, I feel that I owe it, as an expression of gratitude to Mrs. Fowle & Co., and also a duty to the public, to recommend their Oxygenated bitters, as in my estimation, a sure remedy for that most trying, most vexing, and cruel of all diseases, to which poor human flesh is heir, the dyspepsia. Having suffered so long, and tried so many different remedies with no good result, I can recommend the Oxygenated Bitters with a confidence few others can. If any of the readers of the Mirror are suffering, I beg of them to make a trial of these Bitters without delay
JAMES R. CUSHING.
