To Planters and Gardeners.

THE subscribers offer for sale 60,000 barrels of poudrette, made by the Lodi Manufacturing Company, in lots to suit purchasers. This article is in the twentieth year of its introduction into this country, and has outlived fertilizers of every other description, for the following reasons:—

1st. It is made from the night soil of the City of New York, by the L. M. Co., who have a capital of over $100,000 invested in the business, which is at risk should they make a bad article.

2d. For corn and vegetables it is the cheapest, neatest and handiest manure in the world, it can be placed in direct contact with the seed, forces and ripens vegetation two weeks earlier, prevents the cut worm *doubles the crop*, and is *without disagreeable odor*. Three dollars worth or two barrels is all sufficient to manure an acre of corn in the hill.

PRICE—1 bbl, $2.—3 bbls. $3,50,—5 bbls, $8, and over 6 bbls. $1.50 per barrel, delivered free of cartage to vessel or railroad in New York City.

A pamphlet containing every information, and certificates from farmers all over the United States, who have used it from two to seventeen years, will be sent free to any one applying for the same. GRIFFING BROTHERS & Co.,

There is no longer a necessity for limping chairs, splintered veneers, headless dolls, and broken cradles. It is just the article for crockshell and other ornamental work so popular with ladies of refinement and taste.

This admirable preparation is used cold, being chemically held in solution, and possessing all the valuable qualities of the best cabinet maker's glue. It may be used in the place of ordinary mucilage, being vastly more adhesive.

ALLEN & NEEDLES' NEW FERTILIZER.

THE subscriber begs leave to call the attention of the Farmers of Talbot and adjacent counties to the above celebrated Fertilizer, a sample of which will be here by first boat.

This fertilizer is being rapidly taken into confidence and use in Pennsylvania and New Jersey, and is also in great favor on the Western Shore of this State from whence he has letters speaking in high terms of it.

It is highly Ammoniated, being chiefly of Bones, Hair, Wool, animal matter and Sul. Acid, and is claimed to be superior to any Guano or other Fertilizer in use. It is put up in new and seemless grain bags, which can afterwards be used as such or for other purposes on the farm. In order to introduce it, and to place it within the reach of every farmer, I have succeeded in arranging so as to sell it at the Philadelphia CASH price on a credit of eight months without interest, provided I get a certain amount ordered. The price in Philadelphia is $20 per ton of 2000 lbs. nett cash, but I have, through much exertion, succeeded in being able to offer it at $30 per ton for endorsed note having eight months to run.—This will enable the farmer to pay for it out of the crop it assists in producing. An inspection of it by every Farmer is requested and early orders solicited. THOS. C. NICOLS, JR.,

Discovered by a distinguished Physician, containing no mineral or deleterious ingredient, but everything agreeable, it has, by the wonderful cures it has effected, been constantly appreciating in public favor, and is now firmly established as the **Great American Remedy**

For the cure of every minor disease of the Throat, Lungs, and Chest, as well as the most fell and fatal of all, **CONSUMPTION!**

The following letter from Rev. Henry Wood late Consul to Beyroot, Syria, and formerly editor of the *Congregationalist*, Concord, N. H, and now Chaplain U. S Navy, is of like tenor o thousands in our possession:—

CONCORD, N. H., March 3.

Messrs. Seth W. Fowle & Co.—Gentlemen—Two years ago, a sudden and violent attack upon my lungs confined me to my bed for several weeks, and when I recovered, I was so much oppressed by difficulty in breathing, that I was often unable to sleep or rest upon a bed by night. The suffering was extreme, and judging from the inefficiency of the remedies used, I supposed the disease incurable. Being persuaded to try a bottle of WISTAR'S BALSAM OF WILD CHERRY, without the least confidence in its efficiency, I found the difficulty almost entirely removed before one bottle was used up. Having a mortal aversion to medicine, and seldom using it in any form, sympathy with my fellow sufferers induces me to make this public statement, and recommend the article to others similarly afflicted.

With respect, yours truly, HENRY WOOD.

It has been used with like success by
SAMUEL A. WALKER, Auctioneer.
DR. WM. A. SHAW, Washington, N.C.
Alderman PERKINS.

And by numerous Physicians in their practice, as their Certificates testify.
