A CARD.

DR. MONTARDE, F. R. S., M. P. A., late Professor of Chemistry in the University of Paris, &c., sole discoverer and compounder of Dr Montarde's Miraculous Pain Killer, and great French Rheumatic Remedy, begs to invite the attention of the citizens of the United States to the above extraordinary preparation, which is the result of years of careful chemical research and experiment, and which will be found to possess chemical and medicinal properties and virtues which have already proved, and he fondly trusts will continue to prove, a solace and blessing to mankind. Dr Montarde's Miraculous Pain Killer is an internal and external remedy, and will be found to be an infallible and instantaneous cure for

Rheumatism, Neuralgia, Toothache, Dyspepsy, Nervous Headache, Cholera Morbus, Debility, Catarrh or cold in the Head, Cholic, Fever and Ague, loss of Appetite, Bites or Stings of venomous insects, Flatulency, Piles, Corns, Bunions, Cuts, Bruises, Burns, Scalds, Inflamed Gums of Teething Children, Sprains, &c.

Its effects in all the above complaints are truly miraculous, instantly alleviating pain of every character. Its great European popularity may be inferred from the fact that it is patronized by their imperial majesties, the Emperor and Empress of the French. Also, by H M Queen Victoria, the court and people of Great Britain and Ireland.—Also, by the principal Hospitals and Infirmaries of Europe, thus conceding and establishing its claim to beyond all comparison the greatest Pain Killer and remedy in the world! I now submit it with confidence to the verdict of the American people, satisfied that a single trial will establish for it an American reputation equalling its *European*—and secure for it popularity and sale unparalleled. The price is only 25 cents per bottle! Thus placing this inestimable blessing within the means of all.

I have appointed JAMES McDONNEL, Esq, of the city of Baltimore, my General Agent for the United States, from whom Druggists, etc., can get supplied, and who will furnish all desired information.

A CARD
To the Citizens of Baltimore.

The undersigned in accepting the agency of the above Medicine, and introducing it in this community, believes that he is conferring a great public benefit, as he feels satisfied from his own observation, as well as from the reports and certificates of numbers of respectable citizens who have tested its merits, that it possesses all the rare properties claimed for it by Dr Montarde. He begs to direct attention to the following certificates of well known citizens of Baltimore by whom it has been used with the most gratifying results:
