GAS LAMPS.

IT IS OBTAINED!

Light! Light! Light!

A PERFECT

GAS LIGHT

FOR THE MILLION.

Edward H. Anderson's

PORTABLE, AIR-PRESSURE, FAMILY

GAS LAMPS,

PATENTED APRIL 3, 1860.

WARRANTED NON-EXPLOSIVE.

BY this valuable invention, every family both of Town or Country, can enjoy the luxury of a first quality Gas Light. This light is equal in brilliancy to the Coal Gas Light, and is at the same time softer and more agreeable to the eyes, which for safety in its use, brilliancy and economy, cannot be surpassed, at a cost of less than one cent per hour. It produces a light equal to four ordinary two tube fluid lamps, and is perfectly free from *smoke or smell*, and less trouble in its management than the ordinary fluid or Coal oil lamps. They are so constructed that the flame can be reduced to one half size, when the full force is not required, thereby only consuming one half the quantity of oil.

The great desideratum that has so long been felt for a portable Gas-light, simple in construction, one that is easily managed, and not requiring too much outlay in the first cost of apparatus, has now been obtained, and is fully realized in this truely valuable invention, and must be seen to be fully appreciated.

This Generator is easily applied, and fully adapted to all descriptions of Lamps known, viz: such as ordinary fluid Lamps, every description of Coal Oil Lamps, Lard Oil Lamps, Chandaliers, Brackets, Hall pendants and easily applied to every description of Gas fixtures.

The Lamp can be put up from the cheapest ordinary one dollar hand-Lamp to the most costly and ornamented eighteen and twenty-four burner Chandalier; thereby bringing it within the reach of the poor as well as the wealthy. The light remains the same. The prices alone vary in proportion to the style and finish of the fixtures. The poor individual enjoying as good a light at a cost of one dollar, as his more fortunate neighbor will, in many instances at a cost of fifty dollars.

FACTS FOR THE PEOPLE.

1st. This Generator produces a more steady, clear and brilliant flame than any other known Generator.

2d. The Lamp is rendered entirely *non-explosive* from the principle upon which it is arranged, and the adaptation of the *air-tube* passing through the screw-top.

3rd. The flame is entirely free from *smoke* and *smell*, for the reason that the *flame* does not come in contact with *metal* or *wire-heaters* of any description.

4th. It consumes *less oil* than any other Generator, (producing the same size flame) for the reason that the Gas produced is *more perfect combustion* when it issues from the burner, and the ascent of the oil is regulated by the variafaction in the chambers.

5th. We do not assert that *one pint of oil* will burn a given *number of hours*, knowing at the same time that it will only last one half of the time stated.

6. We know that one pint of the ordinary fluid burns in this Lamp 10 hours, producing the full size flame, being less than one cent per hour.

7. The flame has more the appearance of a regular Gas light from large works, for the reason that the flame is not obstructed either above or on the sides by heaters, &c.,

8th. It is the best generator for lighting churches, dwellings, halls, cars, steamboats, &c.

Every individual purchasing a Right, will realize a larger return on the investment made than he possibly could on any one thing else, as light is something that interests every individual throughout the world. A good light is a luxury and a blessing, it increases business, and adds cheerfulness to the household.

The proprietors, Hopkins & Anderson, have made extensive arrangements for manufacturing the Generators in any desired quantity, and for furnishing those purchasing Rights with everything necessary to go into business.

LIGHT! LIGHT!!

HOPKINS & ANDERSON'S

CELEBRATED

Lilliputian Gas Burner.

Patented April 3, 1860.

The great Desideratum attained by the Inventors.

IN producing this simple yet ingenious little Gas Burner, whereby double the amount of Light is actually obtained from one half the quantity of oil ordinarily consumed. It has proved itself to be the best and cheapest little Lamp in existence where only a medium size light is required.

One pint of Oil burns twenty hours with the full size flame.

It gives more Light than any ordinary *two tube Lamp*.

It is perfectly free from smoke.

The light can be reduced to the smallest taper —thereby making it an excellent chamber light.

Passing about with the lamp does not effect its burning.

It can be put in operation by simply using a match.

It is certainly the cheapest Light known for ordinary household purposes.

Every individual purchasing these Lamps, exercises true economy.

The price of one gallon of oil pays for the entire apparatus, which amount it saves in a very short time, alone in the consumption of the oil.

Its merits will win the approval of all who try it.

It is destined to be introduced into every community throughout the country.

Any ordinary Lamp can be altered to use these Burners in a few moments.

Town, County, State and District Rights for sale.

The proprietors, Hopkins & Anderson, have made extensive arrangements for manufacturing these Burners, in any desired quantity, and for furnishing those purchasing Rights with every thing necessary to go into business. For further information address or apply to the proprietors. HOPKINS & ANDERSON,

NOTICE

To Merchants, Traders & others.

ALL persons and bodies, corporate or politic, in Talbot county, who are or shall be doing any act or thing or shall be in the occupation of any house or place for any purpose for which a license is made necessary by the laws of Maryland, are hereby warned to obtain a License or renew the same on or before the first day of May ensuing, under the penalties prescribed by said laws for the infraction thereof.

Those interested are notified of the following requirements of the License Laws passed by the General Assembly of Maryland.

The rates required for Traders' Licenses are as follows:

If the amount of goods on hand at the principal season of sale are expected to be kept on hand, does not exceed

$1000	the price of license is	$12 35	—if over
1000 and not over	$1500	15 35	"
1500 " "	2500	18 35	"
2500 " "	4000	22 35	"
4000 " "	6000	30 35	"
6000 " "	8000	40 35	"
8000 " "	10000	50 35	"
10000 " "	15000	65 35	"
15000 " "	20000	80 35	"
20000 " "	30000	100 35	"
30000 " "	40000	120 35	"
40000 " "		150 35	"

The applicant must either make oath, as heretofore, before the Clerk of the Circuit Court of the county where he is engaged in business of the amount of goods kept on hand at the principal season of sale; or the oath may be administered by a Justice of the Peace when the person wanting the license applies through an agent. If the latter course be adopted the following form will be deemed a sufficient compliance with the act.

Talbot County, to wit:

On this——day of——1860, before the subscriber, a Justice of the Peace of the State of Maryland, in and for said county, personally appeared——and declared that he intends to apply for a Trader's License under the laws of the said State to the Clerk of the Circuit Court for Talbot county, and made oath that the amount of stock of goods generally kept on hand by him (*or by the concern in which he is engaged*, in case it is a partnership) at the principal season of sale (or if the applicant has not precisely engaged in such trade, *that the amount of the stock of goods he expects to keep, &c.*) does not (or will not) exceed $——

Sworn before——

If the oath be administered by a Justice of the Peace out of the county in which the application is made, there must be attached the certificate of the Clerk of the Circuit Court of the county in which the Justice resides.

The rates of license to females vending millinery, &c., whose stock at any season of the year does not or will not exceed $500, is $6 35. If their stock does or shall exceed $500, the rates are the same as those of Traders' License, and the same form of application must be observed.

The laws require all persons, proposing to sell spirituous or fermented liquors, or lager-beer, in quantities not less than a pint, to apply to the Clerk of the Circuit Court, in person, or make the oath before a Magistrate, as above, stating that he desires a License to sell spirituous or fermented liquors, as the case may be, and the amount of stock in trade in the same manner as those applying for Traders' License. If the amount of stock does not or shall not exceed

$500	the rate is	$18 10	—it over
500 and not over	$1000	35 10	"
1000 " "	2000	50 10	"
2000 " "	4000	75 10	"
4000 " "	6000	100 10	"

Persons applying for Ordinary Licenses in which spirituous or fermented liquors or lager-beer is to be sold in quantities less than a pint, must make application to the Clerk of the Circuit Court for the county in which they reside, and must also be recommended by two respectable freeholders of the *immediate vicinity* of the applicant—which may be made in the following form:

To the Clerk of the Circuit Court for Talbot County:

We, the undersigned, freeholders of Talbot county, living in the immediate vicinity of——, who is about to apply to you for a license to keep an ordinary at——in said county, do hereby recommend him as a suitable person to obtain the license——

May—, 1860

The applicant must then make oath to the Clerk to the following effect, that he has bonafide, and without intending to evade the requirements and the Acts of Assembly of this State, regulating the issuing of licenses to ordinary keepers and traders, provided and expects to maintain six good beds with sufficient clothing therefor, and three rooms more than sufficient for the private uses of said applicant, and stabling and provender for five horses at least.

In addition he shall also make oath to the Clerk of the rate of rent or annual value of the house or place at or in which the business is intended to be carried on. If said rent does not exceed

$100	the rate is	$25 60	—if over
100 and not over	$200	40 60	"
200 " "	300	50 60	"
300 " "	400	60 60	"
400 " "	500	75 60	"

Any person proposing to keep an oyster house, &c., or any place other than an ordinary for the sale of spirituous or fermented liquors or Lager Beer in quantities less than a pint, shall apply to the Clerk of the Circuit Court for the county where he resides, and must be recommended by two respectable freeholders of his immediate vicinity, as a suitable person to keep such a house.

The License in all cases, by the late Act of the General Assembly, is $50.

The oath required to be made by applicants for Traders' License, and License to sell spirituous liquor in quantities not less than a pint, may be made before a Justice of the Peace and forwarded to and filed with the Clerk of the Circuit Court, to whom all applications for Licenses must be made.
