INPECTINE,

THE PERSIAN FEVER CHARM.

FOR the prevention and cure of *Fever and Ague and Billious Fevers.* This wonderful remedy was brought to the knowledge of the present proprietors by a friend who has been a great traveler in Persia and the Holy Land.

While going down the river Euphrates, he experienced a severe attack of Fever and Ague.—On discovering his condition, one of the boatmen took from his person an *Amulet* saying, *"Wear this and no Fever will touch you."* Although incredulous as to its virtues, he complied, and experienced immediate relief, and has since always found it an effectual protection from all malarious complaints.

On further investigation he found that the boatman attributed to it miraculous powers, and said that it could only be obtained from the Priests of the Sun. Sometime afterwards, the gentleman in conversing with a Priest obtained from him the secret of its preparation, and ascertained where the medicinal herbs were found, of which it was compounded. The wonderful virtues of this article have induced a full belief in the minds of the natives in the miraculous healing powers of their Priests.

Since his return to America, it has been tried with the happiest effect by several Ladies and Gentlemen of high character, who have given it the most unqualified praise. This remedy having been a specific in Persia for hundreds of years, for the prevention and cure of Fever and Ague and Billious Fevers—is now offered to the American people.

It will be sent by mail, prepaid, with full directions for use, on receipt of one dollar.

MARYLAND:

Talbot County Orphan's Court, June 22, A. D., 1860.

THE CODE OF LAWS
For the State of Maryland.

THE subscriber has been appointed sole agent for Talbot county, to furnish the code of Laws for Maryland. The distinguished Codifiers, whose labors have been ratified by an Act of the recent Legislature, have comprised in full detail, in two volumes, all the public and local laws, now in force in this State, and, of course, bearing on every department of business, and every interest of society. Into this comprehensive space, the Code, *(whose provisions are brought down to the close of the session of 1860,) collects and digests the entire Legislation of Maryland from the provincial period to the present day;*—with an elaborate index to each article and section, prepared by Henry C. Mackall, Esq.,—careful and minute in its classification of subjects, the reader, no matter how unfamiliar with the science of law, may easily examine the enactments on any question referring to his *Property*, his *Rights*, or his *Liberties* as a *Citizen*.

It is not urged that the ownership of these volumes will "make every man his own lawyer," —for few things are more dangerous than to define or assert our legal rights in cases of doubt or intricacy, without the assistance of Counsel; yet, in the concerns of all business men there are numerous questions, constantly occurring, which may be at once satisfactorily solved by reference to this book. One such reference may refund its price in the saving of a single fee.

With the view of enabling every citizen to possess a copy of this valuable work, the prepartion of which has cost the State upwards of $6000, the Publishers have affixed the price at about one-half the usual charge for Law books, relying with confidence on the intelligence of the citizens of Maryland for a liberal encouragement.

The Maryland Code, will be published in 2 volumes octavo, with clear new type, on fine paper, bound in Law sheep. Each volume will comprise about 900 pages, and will be furnished to subscribers at $6 for the complete work. Interleaved copies, for the use of Members of the Bar, and others, $10.

The work will be ready about the 1st of July, and will be furnished to subscribers in the order in which their names are received.

☞ As the Edition will be limited, to secure copies, orders should be sent at once to

THE subscriber would most respectfully inform the citizens of Easton and of Talbot county, that, as he has had considerable experience in Cabinet-making and Furniture Repairing he offers his services in the way of Cleaning and repairing Furniture, of all kinds. By having old Furniture repaired in time very often makes it look nearly as well as new besides it is a saving of more than one half. The subscriber will go in the country wherever his services may be required. His prices in all cases will be moderate. When not engaged in the country he may be found in Easton.
