A. P. SHARP & CO.,
PROPRIETORS OF THE
BOOTH & PARMENTER
SEWING MACHINE,
59 South Howard Steet, (near Pratt,)
BALTIMORE, MD.

We take the liberty of calling your attention to our superior Sewing Machines, expressly adapted for family use.
It is now a fixed fact, that Sewing Machines must take the place of the old needle. It is no longer an experiment. After ten years' experience of the difficulties of Sewing Machines, from the fact of their complication rendering them almost impossible to be used in the country, success has become complete. In offering to the public the BOOTH & PARMENTER MACHINE, we can say with great confidence that the difficulty is now removed, for this Machine is so simple in all its parts, that any ordinary child can learn to work it, and it will sew with equal facility either way you turn it. In other words, there is no wrong way of turning the treadle, nor is there any danger of inexperienced persons putting it out of order.
As those who have them in use are the ones to speak, we insert a few cards of the hundreds who can testify of its simplicity, easy management, &c.:

From Rev. E. Yeates Reese, Editor "Methodist Protestant."

MESSRS. A. P. SHARP & Co.
The *Sewing Machine* of *Booth & Parmenter* is a household fixture in my family. It answers all my expectations concerning it—is simple, rapid in operation, does coarse and fine work, and has given no trouble to those who operate it. I can recommend it with great confidence.
E. Y. REESE, 105 Conway Street.

From "Barnum's City Hotel."

Baltimore, January 14th, 1860.
MESSRS. A. P. SHARP & Co.
Gentlemen:—The *Booth & Parmenter Sewing Machine* works well, and to say it is doing the principal work of this *Hotel*, using up spool after spool of thread, and sewing from the finest to the coarest fabrics, without the *least trouble*, is saying very much in its favor. It is extremely simple, and not liable to get out of order; and being easily understood and worked, makes it a *very superior* Family Machine. Yours truly,
BARNUM & CO.

From Gerard H. Reese, 209 Pratt-Street.

MESSRS. A. P. SHARP & Co.
Gentlemen:—I have carefully examined the *Booth & Parmenter Sewing Machine* at your suggestion, and, having paid considerable attention to such machines generally from their first introduction, I can with confidence recommend it *for general family and plantation use*. Its *simplicity* and *ease* of management renders it particularly *well adapted* to those who do not posses the mechanical tact necessary in using more complicated machines. Yours truly,
GERARD H. REESE.
Baltimore, January 16th, 1860.

From Dr. Wm. H. Stinson, Dentist, 43 Hanover Street.

Baltimore, January 14th, 1860,
MESSRS A. P. SHARP & Co.
Gentlemen:—I am very much pleased with the *Booth & Parmenter Sewing Machine;* it is *very simple*, and not liable to get out of order, and being *very easily* learned and worked, makes it a *very desirable* Machine, both for manufacturing and family purposes. Yours truly,
WM. H. STINSON.

This is to certify that we, the undersigned, have had in use in our family, and thoroughly tested *Booth & Parmenter Sewing Machine*, on various kinds of Goods, both heavy and light, and do hereby concur in pronouncing it the most simple and perfect working Machine, that has ever come under our notice. It is so very strong and simple in all its parts, that it cannot get out of order, except from carelessness. It sews with perfect ease by turning either way, and makes a very neat, strong elastic seam, which will not rip, though every third or fourth stitch be cut.
JOHN J. THOMSEN, 18 McCullogh Street.
DR. ISAAC J. MARTIN, Elicott's Mills, Howard Co., Md.
W. K. BARKER, No. 150 Barre Street.
DR. E. J. HENKLE, Anne Arundel Co., Md.
RICHARD KING, 226 Baltimore Street.
B. F. NEWCOMER, 53 South Howard Street.

From R. King, (firm of F. W. & R. King, Mathematical Instrument Makers,) 226 Baltimore Street.

A. P. SHARP & Co.
Gentlemen:—From an inspection of the *Booth & Parmenter's Sewing Machine*, I was pleased with its simplicity and certainty of forming a stitch, and purchased one from this fact, and I am glad to say, so far, my expectations have been fully realized, and I feel justified in recommending it, after a *severe test*, as a *simple, reliable machine*, easily managed and understood, and not liable to get out of order. Respectfully,
RICHARD KING.

From the Rev. James Turner.

A. P. SHARP & Co.
Gentlemen:—After using the *Booth & Parmenter's Sewing Machine* two months almost constantly, I can cheerfully recommend it, and believe it will perform all that is claimed. Too much cannot be said in its praise.
Yours, &c.,
Millersville, A. A. County, Md. J. TURNER.

Glen Mary, Frederick Co., February 7, 1860.
A. P. SHARP & Co.
Gents:—It gives me pleasure to recommend the *Booth and Parmenter Sewing Machine* to the public; it is easily managed, and I like it better than any machine I have ever seen. It is worked with perfect ease backwards or forwards. I have made myself two entire suits of heavy cloth, and have in one day made six pairs of heavy pants for my negroes, entirely on the Machine. I think it fully equal to any Machine now in use. Yours, &c.
LEWIS G. KEMP.

MESSRS. A. P. SHARP & Co.
Gents:—I am delighted with the Machine I purchased from you, and from considerable experience in Sewing Machines, I am enabled to say that this excels them all. It is extremely simple and easily understood, and works better and faster on all kinds of goods than any I have ever seen. Yours, truly,
ANNIE CAULK

From the Proprietor of the "Relay House."

Relay House, Md., July 17, 1860.
MESSRS A. P. SHARP & Co.
Gentlemen:—After a fair trial of the *Booth & Parmenter Machine;* having tried 3 or 4 other *high* priced ones, (which we have thrown by,) we give the decided preference to this Machine. It is much more simple, more easily understood, and less liable to get out of order, and we find that any of our employees can use it with as much facility as a lady of refinement and intelligence. The great advantage this Machine has over all others, it may be turned in either direction, uses a straight needle, and *never* misses a stitch. J. M. LOWE.

From the Daughter of the late Rev. Dr. Johns.

Baltimore, June 1, 1860.
MESSRS. A. P. SHARP & Co.
Gentlemen:—After useing your Sewing Machine for some time, I am very much pleased with it, and would cheerfully recommend it for family use. Yours, truly,
MISS JOHNS.

Another card from "Barnum's City Hotel."

Baltimore, June 12, 1860.
A. P. SHARP & Co.
Gents:—After over six months almost constant use, the *Booth & Parmenter Sewing Machine* continues to work admirably.
BARNUM & Co.

From the "Methodist Protestant," edited by the Rev. E. Yates Reese.

A First-rate Sewing Machine.—BOOTH & PARMENTER'S SEWING MACHINE, is really a first rate instrument. It is rapidly going into domestic use. One was placed some time ago in our domicil on trial, to be returned if we did not like it. But, like the Yankee clock, the experiment was a capital *hit*. Once worked there, it would require more fortitude than a peacefully-disposed husband could summon to allow it to be removed. The danger is that, to find work for it, more money may be spent for dry-goods than is desirable; for it disposes of material so rapidly, and so fascinates the femanines who operate it, that it is likely to be used more than is agreeable to a linky-lanky editorial purse. We commend it to our readers.

A lecture on the nature, treatment, and radical cure of Spermatorrhœa, or Seminal Weakness, Sexual Debility, Nervousness and Involuntary Emissions, producing Impotency, Consumption and Mental and Physical Debility.—By Robert J. Culverwell, M. D.
The important fact that the awful consequences of self-abuse may be effectually removed without internal medicines or the dangerous applications of caustics, instruments, medicated bougies, and other empirical devises, is here clearly demonstrated, and the entirely new and highly successful treatment, as adopted by the celebrated author, fully explained, by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding all the advertised nostrums of the day.—This Lecture will prove a boon to thousands and thousands.
