MISCELLANEOUS.

A REAL BLESSING.

Physician.—Well, Mrs. Jones, how is that headach?

Mrs. Jones. Gone! Doctor, all gone! the pill you sent cured me in just twenty minutes, and I wish you would send more so that I can have them handy.

Physician.—You can get them at any Druggists. Call for Cephalic Pills, I find they never fail, and I recommend them in all cases of Headache.

Mrs. Jones.—I shall send for a box directly, and shall tell all my suffering friends, for they are a *real blessing.*

TWENTY MILLIONS OF DOLLRES SAVED.—Mr. Spalding has sold two millions of bottles of his celebrated Prepared Glue and it is estimated that each bottle saves at least ten dollars worth of broken furniture, thus making an eggregate of twenty millions of dollars reclaimed from total loss by this valuable invention. Having made his Glue a household word, he now proposes to do the world still greater service by curing all the aching heads with his Cephalic Pills, and if they are as good as his Glue, Headaches will soon vanish away like snow in July.

OVER EXCITEMENT, and the mental care and anxiety incident to close attention to business or study, are among the numerous causes of Nervous Headach. The disordered state of mind and body incident to this distressing complaint is a fatal blow to all energy and ambition. Sufferers by this disorder can always obtain speedy relief from these distressing attacks by using one of the Cephalic Pills whenever the symptoms appear. It quiets the overtasked brain, and soothes the strained and jarring nerves, and relaxes the tension of the stomach which always accompanies and aggravates the disordered condition of the brain.

FACT WORTH KNOWING.—Spalding's Cephalic Pills are a certain cure for Sick Headache, Bilious Headache, Nervous Headache, Costiveness and General Debility.

GREAT DISCOVERY.—Among the most important of all the great medical discoveries of this age may be considered the system of vaccination for protection from Small Pox, the Cephalic Pill for relief of Headache, and the use of Quinine for the prevention of Fevers, either of which is a sure specific, whose benefits will be experienced by suffering humanity long after their discoverers are forgotten.

☞ DID you ever have the Sick Headache?—Do you remember the throbbing temples, the fevered brow, the loathing and disgust at the sight of food. How totally unfit you were for pleasure conversation or study. One of the Cephalic Pills would have relieved you from all the suffering which you then experienced. For this and other purposes you should always have a box of them on hand to use as occasion requires.

BRIDGET.—Missus wants you to send her a box of Cephalic Glue, no, a bottle of Prepared Pills,—but I'm thinking that's not just it naither; but perhaps ye'll be after knowing what it is.—Ye see she's nigh dead and gone with the Sick Headach, and wants some more of that same as relieved her before.

Druggist.—You must mean Spalding's Cephalic Pills.

Bridget.—Och! sure now and you've sed it, here's the quarther and giv me the Pills and dont be all day about it aither.

CONSTIPATION OR COSTIVENESS.

No one of the "many ills flesh is heir to" is so prevalent, so little understood, and so much neglected as Costiveness. Often originating in carelessness, or sedentary habits; it is regarded as a slight disorder of too little consequence to excite anxiety, while in reality it is the precurser and companion of many of the most fatal and dangerous diseases, and unless early eradicated it will bring the sufferer to an untimely grave.—Among the lighter evils of which costiveness is the usual attendant are Headach, Colic, Rheumatism, Foul Breath, Piles and others of like nature, while a long train of frightful diseases such as Malignant Fevers, Abcesses, Dysentary, Diarrhœa, Dyspepsia, Apoplexy, Epilepsy, Paralysis, Hysteria, Hypochondriasis, Melancholy and Insanity, first indicate their presence in the system by this alarming symptom. Not unfrequently the diseases named originate in Constipation, but take on an independent existence unless the cause is eradicated in an early stage.—From all these considerations it follows that the disorder should receive immediate attention whenever it occurs, and no person should neglect to get a box of Cephalic Pills on the first appearance of the complaint, as their timely use will expel the insiduous approaches of disease and destroy this dangerous foe to human life.
