THE USUAL RESULT WHICH GENERALLY ATTENDS THE USE OF *WISHART'S TAR CORDIAL.*
MR. WISHART:—My Dear Friend: For the last two years I have been afflicted with a distressing cough, which settled on my lungs, giving me little rest, day or night, coughing almost without cessation. My physician attended me for more than a year, but my whole system continued sinking, and I thought I must die of consumption; but, hearing of the great power of your Tar Cordial to cure consumption, I bought a bottle, and have been using it for two weeks. My whole system appears to have undergone a great change; the load of sickness seems removed; the shortness of breath has left me; I can sleep all night without coughing, which I could not do for two years; my lungs feel well, and I think that one more bottle will entirely cure me.—You may refer to me, and I will tell what the Tar Cordial has done for me. I live at the Rising Sun Village, and nearly every person in the village knows me, for I have lived here for twenty years. MARGARET LEIMER, Rising Sun Village.

MR. WM. H. READ.—Dear Sir: About 3 years ago I contracted a severe cold which seriously affected my health. I experienced a dryness and burning in my throat, hoarseness, pain in swallowing or speaking, which was quite severe. In the morning my throat was swollen, pulse rapid, with violent headache. Alarmed at these protracted symptoms, after using numerous remedies, a friend advised me to try READ'S CELEBRATED SYRUP OF LIVERWORT. I procured three bottles, which performed a perfect cure.

HASTINGS' COMPOUND SYRUP OF NAPTHA.
NOT ONLY A POSITIVE BUT A WARRANTED CURE FOR CONSUMPTION AND ALL DISEASES OF THE LUNGS.—This Medicine has decided the dispute about the curability of consumption, and satisfied the Medical Faculty and all who have used it that consumption and all affections of the lungs cannot only be cured, but that they are as easily and simply CURED as almost any of the disorders to which the human frame is liable. The operations of a single bottle, which costs $1, is sufficient to satisfy any patient—if not already too far gone with the disease—of this fact; and even a single dose gives evidence of its extraordinary influence in arresting and eradicating the malady by the immediate relief which it affords.
This is no quack or secret remedy. Dr. Hastings, its discoverer, is one of the most eminent Physicians of the age, and has made a full disclosure of its history and all its component parts to the world, not wishing to incur the possibility of confining to himself, for the sake of profit, a secret which is calculated to do such universal good. And such has been the wonderful results of its operation that the London Lancet and Medical Times, and the most eminent physicians of both hemispheres are unanimously calling upon sufferers to have immediate recourse to it, and proclaiming, that, of all known medicine, it alone has positively established its efficacy by undeniable proofs of curing consumption and all diseases of the lungs.
Price $1 per bottle, or six bottles for $5. For sale, wholesale and retail, by SETH S. HANCE, 108 Baltimore street, and SWEETZER & CO., corner of Charles and Pratt st.
