Those interested are notified of the following requirements of the License Laws passed by the General Assembly of Maryland.

The rates required for Traders' Licenses are as follows:

If the amount of goods on hand at the principal season of sale or expected to be kept on hand, does not exceed

The applicant must either make oath, as heretofore, before the Clerk of the Circuit Court of the county where he is engaged in business of the amount of goods kept on hand at the principal season of sale; or the oath may be administered by a Justice of the Peace when the person wanting the license applies through an agent.—If the latter course be adopted, the following form will be deemed a sufficient compliance with the act.

Talbot County, to wit:

On this——day of——1861; before the subscriber, a Justice of the Peace of the State of Maryland, in and for said county, personally appeared——and declared that he intends to apply for a Trader's License under the laws of the State to the Clerk of the Circuit Court for Talbot county, and made oath that the amount of stock of goods generally kept on hand by him *(or by the concern in which he is engaged,* in case it is a partnership) at the principal season of sale (or if the applicant has not precisely engaged in such trade, *that the amount of the stock of goods he expects to keep, &c.,*) does not (or will not) exceed $——

Sworn before——

If the oath be administered by a Justice of the Peace out of the county in which the application is made, there must be attached the certificate of the Clerk of the Circuit Court of the county in which the Justice resides.

The rates of license of females vending millinery, &c., whose stock at any season of the year does not or will not exceed $500, is $6.35. If their stock does or shall exceed $500, the rates are the same as those of traders' License, and the same form of application must be observed.

The Laws require all persons, proposing to sell spirituous or fermented liquors, or lager-beer, in quantities not less than a pint, to apply to the Clerk of the Circuit Court, in person, or make the oath before a Magistrate, as above, stating that he desires a License to sell spirituous or fermented liquors, as the case may be, and the amount of stock in trade in the same manner as those applying for Traders' License. If the amount of stock does not or shall not exceed $500 the rate is $18.10—if over

2000	" "	4000	75.10 "
1000	" "	6000	100.00 "

Persons applying for Ordinary Licenses in which spirituous or fermented liquors or lager-beer is to be sold in quantities less than a pint, must make application to the Clerk of the Circuit Court. for the county in which they reside, and must also be recommended by two respectable freeholders of the immediate vicinity of the applicant—which may be made in the following form:

To the Clerk of the Circuit Court
for Talbot County:

We, the undersigned, freeholders of Talbot county, living in the immediate vicinity of——, who is about to apply to you for a license to keep an ordinary at——in said county, do hereby recommend him as a suitable person to obtain the license——

May——, 1861.

The applicant must then make oath to the Clerk to the following effect, that he has bonafide, and without intending to evade the requirements and the Acts of Assembly of this State, regulating the issues of licenses to ordinary keepers and traders, provided and expects to maintain six good beds with sufficient clothing therefor, and three rooms more than sufficient for the private uses of said applicant, and stabling and provender for five horses at least.

In addition he shall also make oath to the Clerk of the rates of rent or annual value of the house or place at or in which the business is intended to be carried on. If said rent does not exceed

$100	the rate is		$25.60—if over
100	and not over	$200	40.60 "
200	" "	300	50.60 "
300	" "	400	60.60 "
400	" "	500	75.60 "

Any person proposing to keep an oyster house, &c., or any place other than an ordinary for the sale of spirituous or fermented liquors, or lager-beer in quantities less than a pint, shall apply to the Clerk of the Circuit Court for the county where he resides, and must be recommended by two respectable freeholders of his immediate vicinity, as a suitable person to keep such a house.

The License in all cases, by the late Act of the General Assembly, is $50.

The oath required to be made by applicants for Traders' License, and License to sell spirituous liquor in quantities not less than a pint, may be made before a Justice of the Peace and forwarded to and filed with the Clerk of the Circuit Court, to whom all applications for License must be made.

INTERESTING TO FAMILIES.
PROF. HORSFORD'S
SELF-RAISING FLOUR.

THE Self-Raising Flour is an invaluable article for producing, in a few minutes, by the addition of cold water, with no yeast, and but little salt, the most nutritious and wholesome Bread, Biscuit, Cakes, Pastry, &c., rendering it of great importance to Housekeepers, Invalids, Dyspeptics, Sea-faring men, Ship-passengers, &c., &c.

Bread, to be wholesome, must be light and porous. This result, hitherto, has been obtained almost exclusively by fermentation with yeast.—After repeated experiments, Prof. Horsford, of Harvard University, succeeded in preparing flour, from which bread, more digestible, and of finer flavor, may be produced by the addition of cold water only; and ready for the table in a half hour. Among the advantages of the

Self-Raising Flour,

are: The saving of time in preparing it for the oven, and the certainty of having good bread immediately, as it should be baked as soon as the dough is formed.

A little water, with the means of making a fire, being all that is requisite in any station, to secure excellent Loaf-Bread, Biscuit, Batter or Griddle Cakes—healthful luxuries or inestimable value to families, or travelers by sea or land.

Bread from the Self-Raising Flour will keep good much longer than any other, and will not mould, nor become sour; and may be eaten while fresh without detriment.

It gives 16 per cent. more bread than flour raised with yeast; of finer flavor; more digestible and nutritious; making

32 Pounds more Bread to the Barrel:

When used for Pastry, Pies, &c., Eggs and Butter may often be dispensed with, while in other cases, much less than the usual quantities will suffice; in Bread or Biscuit no shortening will need be used, thus saving another item of expense.

In Custard and all other Pies, the undercrust bakes as light as the upper—an important advantage over common flour, as regards health and economy.

THE SELF-RAISING FLOUR will be found decidedly the CHEAPEST that can be used for household purposes,

Saving 30 Per Cent,

in butter and eggs, and making the most superior Bread, light Pastry, Cake, Puddings, Dumplings, Batter and Griddle Cakes, &c., with much economy of time and trouble.

In proof of the great value and excellence of the Patent Self-Raising Flour, we are permitted to refer to the following persons, who have tried it with eminent success:

Mrs. Hugh A. Cooper, Broadway,
" Rev. George Hildt, Eastern Avenue,
" A. R. Mettee, 150 Broadway,
" Jno. W. Randolph, "
" Dr. J. C. S. Monkur, "
" Dr. Inloes, "
" Rev. W. R. Mills,
" Dr. J. J. Cockrill,
Robert Dobbin, Esq., Balto. American,
Dr. C. H. Raborg, W. Lombard St.,
Henry Stockbridge, Esq., No. 12, N. Calhoun St.

Having received the agency for this valuable flour, for the State of Maryland, we are prepared to fill cash orders promptly; it is put up in 25 and 50 cent packages, dollar bags, and in quarter barrels, half barrels, and barrels, the price being as low as good extra, or family flour of the ordinary kind. It is having a rapidly increasing sale in this city, is approved by all who use it, and must eventually take the place of every other flour. It is beyond question the best and cheapest flour known. Every Family should try it, and secure better, whiter and more wholesome bread in half an hour, than can be made from yeast in a day. A liberal discount to dealers No charge for drayage.
