NOTICE
TO
Merchants, Traders & Others.

ALL persons and bodies, corporate or politic, in Talbot county, who are or shall be doing any act or thing or shall be in the occupation of any house or place for any purpose, for which a license is made necessary by the laws of Maryland, are hereby warned to obtain a License or renew the same on or before the first day of May ensuing, under the penalties prescribed by said laws for the infraction thereof.

Those interested are notified of the following requirements of the License Laws passed by the General Assembly of Maryland.

The rates required for Traders' Licenses are as follows:

If the amount of goods on hand at the principal season of sale or expected to be kept on hand, does not exceed

$1000 the price of license is		$12.35	—if over
1000 and not over	$1500	15.35	"
1500 " "	2500	18.35	"
2500 " "	4000	22.35	"
4000 " "	6000	30.35	"
6000 " "	8000	40.35	"
8000 " "	10000	50.35	"
5000 " "	15000	65.35	"
10000 " "	20000	80.35	"
15000 " "	30000	100.35	"
20000 " "	40000	125.35	"
30000 " "		150.35	"

40The applicant must either make oath, as heretofore, before the Clerk of the Circuit Court of the county where he is engaged in business of the amount of goods kept on hand at the principal season of sale; or the oath may be administered by a Justice of the Peace when the person wanting the license applies through an agent.—If the latter course be adopted, the following form will be deemed a sufficient compliance with the act.

Talbot County, to wit:

On this ——— day of ———— 1861; before the subscriber, a Justice of the Peace of the State of Maryland, in and for said county, personally appeared ———— and declared that he intends to apply for a Trader's License under the laws of the State to the Clerk of the Circuit Court for Talbot county, and made oath that the amount of stock of goods generally kept on hand by him *(or by the concern in which he is engaged,* in case it is a partnership) at the principal season of sale (or if the applicant has not previously engaged in such trade, *that the amount of the stock of goods he expects to keep, &c.,*) does not (or will not) exceed $———

Sworn before ————

If the oath be administered by a Justice of the Peace out of the county in which the application is made, there must be attached the certificate of the Clerk of the Circuit Court of the county in which the Justice resides.

The rates of license of females vending millinery, &c., whose stock at any season of the year does not or will not exceed $500, is $6.35. If their stock does or shall exceed $500, the rates are the same as those of traders' Licenses, and the same form of application must be observed.

The Laws require all persons, proposing to sell spirituous or fermented liquors, or lager-beer, in quantities not less than a pint, to apply to the Clerk of the Circuit Court, in person, or make the oath before a Magistrate, as above, stating that he desires a License to sell spirituous or fermented liquors, as the case may be, and the amount of stock in trade in the same manner *as* these applying for Traders' License. If the amount of stock does not or shall not exceed

$500 the rate is		$18.40	—if over
500 and not over	$1000	35.10	"
1000 " "	2000	50.10	"
2000 " "	4000	75.10	"
4000 " "	6000	100.00	"

Persons applying for Ordinary Licenses in which spirituous or fermented liquors or lager-beer is to be sold in quantities less than a pint, must make application to the Clerk of the Circuit Court, for the county in which they reside, and must also be recommended by two respectable freeholders of the immediate vicinity of the applicant—which may be made in the following form:

To the Clerk of the Circuit Court
for Talbot County:

We, the undersigned, freeholders of Talbot county, living in the immediate vicinity of ———, who is about to apply to you for a license to keep an ordinary at ——— in said county, do hereby recommend him as a suitable person to obtain the license ——

May ——, 1861. ———

The applicant must then make oath to the Clerk to the following effect, that he has bonafide, and without intending to evade the requirements and the Acts of Assembly of this State, regulating the issues of licenses to ordinary keepers and traders, provided and expects to maintain six good beds with sufficient clothing therefor, and three rooms more than sufficient for the private uses of said applicant, and stabling and provender for five horses at least.

In addition he shall also make oath to the Clerk of the rates of rent or annual value of the house or place at or in which the business is intended to be carried on. If said rent does not exceed

$100 the rate is		$25.60	—if over
100 and not over	$200	10.50	"
200 " "	300	50.50	"
300 " "	400	60.50	"
400 " "	500	75.50	"

Any person proposing to keep an oyster house, &c., or any place other than an ordinary for the sale of spirituous or fermented liquors, or lager-beer in quantities less than a pint, shall apply to the Clerk of the Circuit Court for the county where he resides, and must be recommended by two respectable freeholders of his immediate vicinity, as a suitable person to keep such a house.

The License in all cases, by the late Act of the General Assembly, is $50.

The oath required to be made by applicants for Traders' License, and License to sell spirituous liquor in quantities not less than a pint, may be made before a Justice of the Peace and forwarded to and filed with the Clerk of the Circuit Court, to whom all applications for License must be made.

A. P. SHARP & CO.,
PROPRIETORS OF THE
BOOTH & PARMENTER
SEWING MACHINE,
59 South Howard Steet, (near Pratt,)
BALTIMORE, MD.

DOCTOR SAMUEL HARPER,

AGENT FOR TALBOT COUNTY, will exhibit the machine, at his residence, in Easton, to any person wishing to examine it, and will give all necessary instruction in their use when purchased.

We take the liberty of calling your attention to our superior Sewing Machines, expressly adapted for family use.

It is now a fixed fact, that Sewing Machines must take the place of the old needle. It is no longer an experiment. After ten years' experience of the difficulties of Sewing Machines, from the fact of their complication rendering them almost impossible to be used in the country, success has become complete. In offering to the public the BOOTH & PARMENTER MACHINE, we can say with great confidence that the difficulty is now removed, for this Machine is so simple in all its parts, that any ordinary child can learn to work it, and it will sew with equal facility either way you turn it. In other words, there is no wrong way of turning the treadle, nor is there any danger of inexperienced persons putting it out of order.

As those who have them in use are the ones to speak, we insert a few cards of the hundreds who can testify of its simplicity, easy management, &c.:

From Rev. E. Yeates Reese, Editor "Methodist Protestant."

MESSRS. A. P. SHARP & Co.

The *Sewing Machine* of *Booth & Parmenter* is a household fixture in my family. It answers all my expectations concerning it—is simple, rapid in operation, does coarse and fine work, and has given no trouble to those who operate it. I can recommend it with great confidence.

E. Y. REESE, 105 Conway Street.

MESSRS. A. P. SHARP & Co.

Gentlemen:—The *Booth & Parmenter Sewing Machine* works well, and to say it is doing the principal work of this *Hotel*, using up spool after spool of thread, and sewing from the finest to the coarest fabries, without the *least trouble*, is saying very much in its favor. It is extremely simple, and not liable to get out of order; and being easily understood and worked, makes it a *very superior* Family Machine. Yours truly,

BARNUM & CO.

EASTON, 20th September, 1860.

About two months since I purchased, for my daughter, one of Booth & Parmenter's Sewing Machines, which she has since been using in my family with much satisfaction and success. It is simple in its construction; can be easily worked by any one after a little experience, and does not seem likely to get out of order; or if it does, is easily adjusted—we think it a most valuable acquisition in a family and will soon repay its cost. My family prefer it to any they have knowledge of. Very Respectfully yours,

WM. H. GROOME.

During last year I purchased a Booth & Parmenter Sewing Machine, which has been used in my family with great success and profit.—This is the best, most convenient and simple machine in use. It can be worked by any one, after a little experience in using it—not likely to get out of order, and readily repaired. In a family it will very soon repay the costs. Very respectfully yours,

JAS. LL. MARTIN.

Messrs. A. P. Sharp & Co.

Gentlemen:—Booth & Parmenter's Sewing Machine has been constantly used, in my family, for some time past, and gives, I am happy to state, entire satisfaction. Its mechanical arrangement is exceedingly simple and intelligible, is not liable to become disordered, and is admirably adapted for the various objects it proposes to accomplish. It ranks already among the indispensible of my household.

CHRIS. C. COX, M. D.

ROYAL OAK, Sept. 15, 1860.

I have had one of Booth & Parmenter's Sewing Machine, in my family for several months, it is simple and rapid in operation, does fine and coarse work well, and has given little or no trouble. The work is strong. I consider it the best machine in use, and can recommend it to those who wish to purchase. I would not be without it for $100, unless I could get another, its worth is not known until used. R. H. ADAMS.

This is to certify that we, the undersigned, have had in use in our family, and thoroughly tested *Booth & Parmenter Sewing Machine*, on various kinds of Goods, both heavy and light, and do hereby concur in pronouncing it the most simple and perfect working Machine, that has ever come under our notice. It is so very strong and simple in all its parts, that it cannot get out of order, except from carelessness. It sews with perfect ease by turning either way, and makes a very neat, strong elastic seam, which will not rip, though every third or fourth stitch be cut.

From the "Methodist Protestant," edited by the Rev. E. Yates Reese.

A First-rate Sewing Machine.—BOOTH & PARMENTER'S SEWING MACHINE, is really a first rate instrument. It is rapidly going into domestic use. One was placed some time ago in our domicil on trial, to be returned if we did not like it. But, like the Yankee clock, the experiment was a capital *hit.* Once worked there, it would require more fortitude than a peacefully-disposed husband could summon to allow it to be removed. The danger is that, to find work for it, more money may be spent for dry-goods than is desirable; for it disposes of material so rapidly, and so fascinates the femanines who operate it, that it is likely to be used more than is agreeable to a linky-lanky editorial purse. We commend it to our readers.
