HERE I AM AGAIN,
MY FRIENDS.
MARCH has arrived and reminds me of the Spring trade, and I thought to myself that you would want a
COAT, VEST OR PANTS,
and if I had not the Goods when you called, you would be disappointed.

Now, if you owe me a bill I want it, to enable me to prepare for you this Spring. It don't matter how small or how large it is, I want it; you are the very one I am talking too; I don't mean your neighbor or friend; but all of you that owe me anything. So you that have an account on my books come along and help me out, as you know I never refuse to let you have what you want, and as all my means are in the hands of my friends, I must look to them to *pay up.*—So when you see me, come up to the *scratch* and you will be entitled to the first choice this Spring, if, I get your bill so that I can buy a new stock of goods.

A. P. SHARP & CO.,
PROPRIETORS OF THE
BOOTH & PARMENTER
SEWING MACHINE,
59 South Howard Steet, (near Pratt,)
BALTIMORE, MD.
DOCTOR SAMUEL HARPER,

AGENT FOR TALBOT COUNTY, will exhibit the machine, at his residence, in Easton, to any person wishing to examine it, and will give all necessary instruction in their use when purchased.

We take the liberty of calling your attention to our superior Sewing Machines, expressly adapted for family use.

It is now a fixed fact, that Sewing Machines must take the place of the old needle. It is no longer an experiment. After ten years' experience of the difficulties of Sewing Machines, from the fact of their complication rendering them almost impossible to be used in the country, success has become complete. In offering to the public the BOOTH & PARMENTER MACHINE, we can say with great confidence that the difficulty is now removed, for this Machine is so simple in all its parts, that any ordinary child can learn to work it, and it will sew with equal facility either way you turn it. In other words, there is no wrong way of turning the treadle, nor is there any danger of inexperienced persons putting it out of order.

As those who have them in use are the ones to speak, we insert a few cards of the hundreds who can testify of its simplicity, easy management, &c.:

From Rev. E. Yeates Reese, Editor "Methodist Protestant."

MESSRS. A. P. SHARP & Co.

The *Sewing Machine* of *Booth & Parmenter* is a household fixture in my family. It answers all my expectations concerning it—is simple, rapid in operation, does coarse and fine work, and has given no trouble to those who operate it. I can recommend it with great confidence.
E. Y. REESE, 105 Conway Street.

From "Barnum's City Hotel."
Baltimore, January 14th, 1860.

MESSRS. A. P. SHARP & Co.

Gentlemen:—The *Booth & Parmenter Sewing Machine* works well, and to say it is doing the principal work of this *Hotel*, using up spool after spool of thread, and sewing from the finest to the coarest fabrics, without the *least trouble*, is saying very much in its favor. It is extremely simple, and not liable to get out of order; and being easily understood and worked, makes it a *very superior* Family Machine. Yours truly,
BARNUM & CO.

EASTON, 20th September, 1860.

About two months since I purchased, for my daughter, one of Booth & Parmenter's Sewing Machines, which she has since been using in my family with much satisfaction and success. It is simple in its construction; can be easily worked by any one after a little experience, and does not seem likely to get out of order; or if it does, is easily adjusted—we think it a most valuable acquisition in a family and will soon repay its cost. My family prefer it to any they have knowledge of. Very Respectfully yours,
WM. H. GROOME.

During last year I purchased a Booth & Parmenter Sewing Machine, which has been used in my family with great success and profit—This is the best, most convenient and simple machine in use. It can be worked by any one, after a little experience in using it—not likely to get out of order, and readily repaired. In a family it will very soon repay the costs. Very respectfully yours,
JAS. LL. MARTIN.
Easton, 19th September, 1860.

EASTON, September 20, 1860.

Messrs. A. P. Sharp & Co.

Gentlemen:—Booth & Parmenter's Sewing Machine has been constantly used, in my family, for some time past, and gives, I am happy to state, entire satisfaction. Its mechanical arrangement is exceedingly simple and intelligible, is not liable to become disordered, and is admirably adapted for the various objects it proposes to accomplish. It ranks already among the indespensible of my household.
CHRIS. C. COX, M. D.

ROYAL OAK, Sept. 15, 1860.

I have had one of Booth & Parmentr's Sewing Machine, in my family for several months, it is simple and rapid in operation, does fine and coarse work well, and has given little or no trouble The work is strong. I consider it the best machine in use, and can recommend it to those who wish to purchase. I would not be without it for $100, unless I could get another, its worth is not known until used. R. H. ADAMS.

This is to certify that we, the undersigned, have had in use in our family, and thoroughly tested *Booth & Parmenter Sewing Machine*, on various kinds of Goods, both heavy and light, and do hereby concur in pronouncing it the most simple and perfect working Machine, that has ever come under our notice. It is so very strong and simple in all its parts, that it cannot get out of order, except from carelessness. It sews with perfect ease by turning either way, and makes a very neat, strong elastic seam, which will not rip, though every third or fourth stitch be cut.

W. K. BARKER, No. 150 Barre Street.
DR. E. J. HENKLE, Anne Arundel Co., Md.
RICHARD KING, 236 Baltimore Street.
B. F. NEWCOMER, 53 South Howard Street.

From the "Methodist Protestant," edited by the Rev. E. Yates Reese.

A First-rate Sewing Machine.—BOOTH & PARMENTER'S SEWING MACHINE, is really a first rate instrument. It is rapidly going into domestic use. One was placed some time ago in our domicil on trial, to be returned if we did not like it. But, like the Yankee clock, the experiment was a capital *hit*. Once worked there, it would require more fortitude than a peacefully-disposed husband could summon to allow it to be removed. The danger is that, to find work for it, more money may be spent for dry-goods than is desirable; for it disposes of material so rapidly, and so fascinates the femanines who operate it, that it is likely to be used more than is agreeable to a linky-lanky editorial purse. We commend it to our readers.
