NOTICE.

AT a meeting of the Committee of Safety, of Talbot county, on Thursday the 25th day of April, it was resolved that the Merchants, Traders, Restaurant Keepers, and proprietors of all places where liquor is sold, be requested to close their places of business at 7½ o'clock, P. M., during the present state of excitement in the community.

At a meeting of the Committee on the 7th of May, a respectful petition was presented from the Merchants, Traders, &c., of Easton, asking for a relaxation of the request on Saturday nights. The petition was enforced by a Committee on their behalf. It was duly considered and the request reluctantly declined by the Committee, they being satisfied their former action was sustained by the public sentiment of the community and the following resolution was passed by the Committee and ordered to be published:

Resolved, That it be recommended to the slaveholders of the county and those persons employing free negroes, to allow their slaves and free negroes, time on Saturday's to go to Easton and other towns and public places, and do their LAWFUL TRAFFICKING AND DEALING, and return by 7½ o'clock, P. M., and further, that it be recommended to masters to keep their slaves at home at night, and free negroes also to remain at home after dark; except on special business.
