Ellsworth's Fire Zouaves Reorganizing.

NEW YORK, Aug. 19.—Over six hundred men responded at roll call of the Ellsworth Fire Zouaves to-day, and men are continually reporting themselves. A reorganization of the regiment will be effected without difficulty.

There are forty eight regiments forming in this city. Several are full, and the rest average from two hundred to six hundred and fifty men each. The full and incomplete regiments will doubtless now be forwarded as rapidly as possible. The latter will be merged, so as to form full regiments. Recruiting is going on rapidly, and the city can probably send fifteen thousand men to Washington in a few days.

Gold En Route from California.

FORT KEARNEY, August 20.—The California Pony Express of the 10th instant has arrived.—The steamer Sonora had sailed from San Francisco with $750,000 in treasure for New York.

STEAMBOAT EXCURSION TO POINT LOOK OUT.—Considerable excitement prevailed at an early hour yesterday morning, especially about the steamboat wharves, occasioned by handbills announcing that the steamer Hugh Jenkins would leave her wharf at nine o'clock this morning for the purpose of making an excursion to the new watering establishment at Point Look Out, which is the promontory of St. Mary's county, and near the hot-bed of Secessionists of the State.—The bill announced that parties who left Washington on the morning of the departure of the boat would arrive in time, and one of the features was that a grand tournament and ball would take place at the Pavilion, to which the excursionists would be admitted free. Soon as the "Union men" were informed of the affair they protested against the steamer leaving the port under such circumstances, alleging that they feared the Secessionists would take possession of her, as they have other steamers, and use them to their own wicked purposes. The result is that the steamer will leave and will have for her protection a full corps of Col. Duryea's Zouaves, with a rifled battery.—*American of Monday.*
