MEDICINAL.

Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

Scrofula and Scrofulous Complaints, Eruptions and Leuptive Diseases, Ulcers, Pimples, Blotches, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Diseases, Dropsy, Neuralgia or Tic Douloureux, Debility, Dyspepsia and Indigestion, Erysipelas, Rose or St. Anthony's Fire, and indeed the whole class of complaints arising from Impurity of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

SOLE AGENT FOR
ALLEN & NEEDLES' SUPER-PHOSPHATE OF LIME.
Price $45 for 2000 lbs., Cash.
ALLEN & NEEDLES' FERTILIZER.
Price $30 for 2000 lbs., for approved *endorsed* note at eight months from March 15th, *without* interest. Note to be given *on or before* the delivery of the article. Or for Cash $28 00 for 2000 lbs.

☞In all cases the freight is $1½ per ton to be paid in Cash.

The subscriber has experienced much satisfaction from the sale of over one hundred tons of "Allen & Needles' New Fertilizer" the past year, from the fact that although *some* persons did not have their expectations realized all unite that it has merits of a high order and nine tenths of the purchasers expressed themselves satisfied that, but for the severe drouth of last summer, it would have paid them handsomely. This concentrated manure is highly ammoniated being composed mainly of BONES, HAIR, ANIMAL MATTER AND SULPHURIC ACID. It is put up in new and sound seamless bags, which when emptied may be used for grain bags or other farm purposes.

The terms on which this manure is sold are such as to place it within the reach of all farmers, enabling them as it does to pay for it out of the crop it assists in producing.

The subscriber has been furnished with numerous verbal and written replies to his questionings concerning it, some of which are very flattering.

One verbal one is from a farmer of high standing in Trappe district who states that his corn crop was greatly benefitted by it and that after his crop of corn was matured he put a piece of the same land in Lucerne and at the time of his report December 10th his Lucerne *was then ten or twelve inches high*, something he never saw before at the same season.

Another report is, that a trial was made in the same field with Guano, Stable Manure, Lime and Marl and where the "Fertilizer" was applied, *though the poorest land in the field*, his corn was the best.

Annexed is a written report.

EASTON, MD., Oct. 13, 1860.

Thos. C. Nicols, Jr., Esq.

Dear Sir:—In reply to your inquiry in regard to the success of "ALLEN & NEEDLES' FERTILIZER" purchased of you last Spring I will say that owing to the drought the corn crop generally was cut short, but where the Fertilizer was applied the corn grew off finely and so continued until the drought stopped its progress. I applied it also to both Sweet and Irish Potatoes *with great success* making the *best crop I ever made*. I applied it also to Garden Vegetables, and notwithstanding the dry season I raised more vegetables than I have for the last *three years all together*. My confidence in it is so strong that I wish you to retain for me five tons to go on my wheat. Yours Truly,
CHARLES M. JUMP.

Numerous testimonials could be added to the above but it is deemed unnecessary. Few condemn it, numbers applaud it.

Orders are respectfully solicited and the earlier they are given the better as the supply is limited. It can be hauled any time and not affect the date of the falling due of the note, as whether taken before or after March 15th the notes will all bear same date.

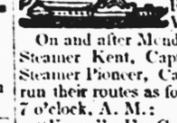

I repeat send in your orders early. A small supply on hand to begin with.

Delivered without extra expense on Tred Haven or Choptank Rivers. Or on any other river on the shore where the orders reach 50 tons or more. [jan 19, 1861.

To the Inebriate, it is particularly serviceable: a very small quantity used instead of the usual stimulant, will give tone and vigor to the digestive organs, and impart strength to resist the temptation, and therefore be considered an invaluable agent in reclaiming the drunkard.

The traveling public will also find it very efficacious in correcting the bad results arising from a change of water and diet, a few drops of which will give a glow and vigor to the stomach, equal to a wine glass full of brandy or other stimulant, without producing any of the injurious and over-raising effects which are sure to result from the use of stimuli of any kind. It is also a superior article for flavoring Jellies, Preserves, Cakes and for other Culinary uses besides making a good beverage in hot weather.

JUST HOME
ALREADY FOR THE PRESENT
AND APPROACHING
SEASONS.

THE subscriber again begs leave to inform the citizens of Easton and the county, that he has just returned from the city and has now open a *NEW STOCK OF BOOTS, SHOES AND GAITERS.* His stock is (cheaper for the styles and quality than any he has) had heretofore. He can sell Men's Shoes from 75 cents up to $3; Ladies Shoes from 50 cents up to $2.75; Misses Shoes from $1 up to $1.62; Youths' Shoes from 87 cents up to $1.25; Gentlemen's Gaiters from $2 up to $5; Ladies' Gaiters from $1.25 up to $2.75.

In addition to these he has shoes (of different styles and quality,) to fit children of all sizes from the largest to the smallest; and from thence up to the grown man he has from the neatest Dress Boot, for the Gentlemen, to the most durable Brogan for the Servant—all at prices to suit the times.

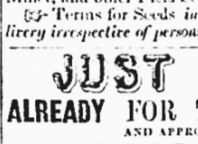

SHOP MADE WORK.

He also desires to remind those who prefer Home Made Work that he has laid in a large stock of Superior Material, which he will make up to order in the modern styles, and guaranteed to fit. MENDING will also be done with the same neatness and promptness as heretofore.

Being thankful for past favors from a generous public, he feels determined, by a strict attention to business and a determination to please, to merit a continuance of their favor.

CALL AT THE
CHEAP SHOE STORE.

THE subscriber has just returned from the city with a large lot of

BOOTS, SHOES, &c., of every description, to an inspection of which I invite the attention of my friends and the public generally, feeling confident I can offer as great inducements as any other establishment on the shore. My intention is to keep a stock that will recommend itself. Having had a long experience in buying goods in the Boot and Shoe line, I think I have that which will suit this market.

I will name in part, Gentlemens' Boots, Gaiters and Oxford Ties; Ladies' Gaiters, Morocco Boots and Slippers; Misses Gaiters and Morocco Boots; also Misses and Childrens' Copper toed boots, and every description of work in my line.

MANUFACTURING.—I am also prepared to make to order, all kinds of *Boots, Shoes and Gaiters*, that cannot be surpassed on the Shore for neatness and durability. So Ladies and Gentlemen, Boys and Girls, can have a neat fit in a few days by leaving their measures at my store, next to the Post Office.

REPAIRING.—Particular attention paid to repairing, and persons can have their shoes repaired by leaving them with me a few hours.

Hats, Caps, &c.—I have on hand a lot of Hats, Caps, Harness, &c., which I will sell *at cost* to make room for other goods. Persons in want of such goods will find it to their interest to give me a call.

Feeling thankful for past favors I still solicit a continuance of the same.
