ROAD NOTICE.

NOTICE is hereby given, that the undersigned intend to apply to the Commissioners for Talbot county, to have the road leading to Double Mills, in District No. 2, made a public road, to be worked by the county, and so changed, as to run down the division line between Captain Robson Leonard and Mrs. Mister.

TO THE PEOPLE
Of the United States.

IN the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neglect of small complaints is surprising, and it is therefore of the utmost importance that a strict attention to the least and most trifling bodily ailment should be had; for diseases of the body must invariably affect the mind. The subscribers now only ask a trial of

Dr. J. Bovee Dods'
Imperial Wine Bitters,

from all who have not used them. We challenge the world to produce their equal.

These Bitters for the cure of Weak Stomachs General Debility, and for Purifying and Enriching the Blood, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alternative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for diseases and Weakness peculiar to Females, where a tonic is required to strengthen and brace the system. No lady, who is subject to lassitude and faintness, should be without them as they are reviving in action.

THESE BITTERS

will not only Cure, but prevent Disease, and in this respect are doubly valuable to the person who may use them. For

INCIPIENT CONSUMPTION,

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, and for all cases requiring a Tonic

Dr. Dods' Celebrated Wine Bitters

ARE UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, and for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Bookkeepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy and Wine, without intoxicating; and are a valuable remedy for persons addicted to the use of excessive strong drink, and who wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors, with which the country is flooded.

These Bitters not only cure but prevent disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable Bitters over the land; and thereby essentially aid in banishing Drunkenness and Disease.

In all Affections of the Head, Sick Headache or Nervous Headache, Dr. Dods' Imperial Wine Bitters will be found to be most Salutary and Efficacious.

FEMALES.

The many certificates which have been tendered us and the letters which we are daily receiving, are conclusive proof that among the women these Bitters have given a satisfaction which no others have ever done before. No woman in the land should be without them, and those who once use them will not fail to keep a supply.

Dr. J. Bovee Dods' Imperial Wine Bitters are prepared by an eminent and skillful physician who has used them successfully in his practice for the last twenty-five years. The proprietor, before purchasing the exclusive right to manufacture and sell Dr. Bovee Dods' celebrated Imperial Bitters, had them tested by two distinguished medical practitioners, who pronounced them a valuable remedy for disease.

Although the medical faculty of the country, as a general thing, disapprove of Patent Medicines, a respectable Physician can be found in the [illegible], acquainted with their medical properties, who will not highly approve Dr. J Bovee Dods' Imperial Wine Bitters.

In all newly settled places, where there is always a large quantity of decaying timber from which a poisonous miasma is created, these Bitters should be used every morning before breakfast.

DR. J. BOVEE DODS'
Imperial Wine Bitters

are composed of a pure and unadulterated Wine, combined with Barberry, Solomon's Seal, Comfrey, Wild Cherry Tree Bark, Spikenard, Chamomile Flowers and Gentian. They are manufactured by Dr. Dods himself, who is an experienced and successful Physician, and hence should not be classed among the quack nostrums which flood the country, and against which the Medical Profession are so justly prejudiced.

These truly valuable Bitters have been so thoroughly tested by all classes of the community for almost every variety of disease incident to the human system, that they are now deemed indispensable as a

Tonic, Medicine and a Beverage.

MARYLANDERS, RALLY!
VOLUNTEERS WANTED
FOR THE
1st Eastern Shore Regiment
OF
HOME GUARD.

I HAVE been authorized by the War Department at Washington to have enrolled and mustered into the service of the United States a Regiment of Infantry to act as a

HOME GUARD,

AND TO BE STATIONED ON THE
Eastern Shore of Maryland.

The purpose of the movement is to repel invasion, to preserve the peace and good order in our midst and to protect the rights of all, and aid in the enforcement of the laws.

As it has been asserted, with a view of defeating the movement, that the Administration intend ordering the troops away from home as soon as they are mustered in, I would remark that the Secretary of War expressly pledges that they "shall be stationed on the Eastern Shore of Maryland" and used only for "Home Protection." I state this fact for the benefit of those who are willing to do all they can for their country in its present peril, but whose circumstances are such as prevents their going abroad. The necessity of this movement must be apparent to every candid and considerate mind. We are already threatened by the enemies of the country. At any moment we are liable to have civil war in our midst. In times of Revolution no one can tell into what peril a single day may place us. It behooves us to prepare, and be ready for any emergency, ere it be too late. It is high time that Marylanders were armed and prepared to protect themselves against adventuring Rebels.

The time of Enlistment will be three years, or until the end of the War.

A COMPANY

consists, when full, of one Captain, Two Lieutenants, One First Sergeant, Four Sergeants, Eight Corporals, Two Musicians, One Waggoner, and Eighty-two Privates.

Each Company will select its own officers, subject to the approval of the War Department.

The Company will be mustered into service as soon as it numbers Eighty-six men. But must afterwards be raised to One Hundred.

THE PAY

allowed for a Captain is Sixty dollars, four rations (or $36,00) per month and one servant.—Of First Lieutenant is Fifty dollars, four rations, per month and one servant. Of Second Lieutenant is Forty-five dollars, four rations per month, and one servant. Cadet, Twenty-four dollars per month. First Sergeant, Twenty dollars per month. Sergeant, Seventeen dollars per month. Corporal, Fifteen dollars per month.—Those officers who have no rations mentioned a love in their pay, are allowed one ration, or nine dollars per month for board, and three dollars per month for clothing. The same allowances are also made to Privates.

Each soldier is entitled to a bounty of One Hundred dollars when discharged from service.

THE DISPOSITION OF THE TROOPS.

As many inquiries have been made concerning the disposition of the companies, I would remark that the Government pays each man for his full time, and assumes that he will give the whole of his time to the service. But it is the evident and written intention of the Government to afford security to the homes of us all. To accomplish this it would appear to be necessary to keep each company stationed in the neighborhood in which it was organized, as much as possible. Each company must be on muster every day. The whole force, it is contemplated, will be brought together at stated periods—say once in a month or oftener, as the exigency of the times and the public service may require. It is designated, I presume to let each company protect its own homes and neighborhood, in the main.
