JOYOUS EASTER-DAY.

Observance of the Great Festival in Easton Churches.

Last Sunday was Easter, and a delightful one. Owing to its late occurrence, flowers were abundant, and the different churches were made beautiful and fragrant therewith. Large congregations attended all the services, sketches of which are given below:

Trinity Cathedral.

Dean Rich officiated at all services, celebrating the Holy Communion at 7.30 A. M. and after Morning Prayer at 11. At this service he preached an appropriate sermon. The music was beautifully rendered by the vested choir, assisted by Messrs. Cox and Patterson, of Bowman's Orchestra. The ladies of the choir appeared for the first time in their vestments, which attracted much attention and admiration.

At 3 P. M. a bright and hearty service was held for the children, the Dean delivering an instructive and profitable address. The Lenten offerings, etc., for general missions were turned in, amounting to $15.

At 7.30 P. M. a joint service was held with the congregation of Christ church. Rev. Dr. McCready was preacher. The attendance was very large, exceeding the sittings of the Cathedral. The choir had a valuable addition in Mr. R. Harry Patchett, who sang a very sweet offertory solo.

The offerings for the day amounted to $75.

The beautiful programs published in the last issue of THE GAZETTE were finely rendered at Calvary M. P. Church and Trinity M. E. Church, South. Appropriate services were aiso held in all other Easton churches. Want of space prevents a fuller account.

The Easter music of Christ Church and Trinity Cathedral will be repeated on Sunday.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J.
