AN ACT to amend Section 34 of Article 3 of the Constitution of this State.

SECTION 1. *Be it enacted by the General Assembly of Maryland* (three-fifths of all the members of the two Houses concurring), That the following section be and the same is hereby proposed as an amendment to the Constitution of this State, and if adopted by the legal and qualified voters thereof, as herein provided, it shall supersede and stand in the place and stead of Section 34 of Article 3 of said Constitution.

SECTION 34. No debt shall be hereafter contracted by the General Assembly unless such debt shall be authorized by a law providing for the collection of an annual tax or taxes sufficient to pay the interest on such debt as it falls due, and also to discharge the principal thereof within fifteen years from the time of contracting the same, and the taxes laid for this purpose shall not be repealed or applied to any other object until the said debt and interest thereon shall be fully discharged. The credit of the State shall not in any manner be given or loaned to, or in aid of any individual, association or corporation; nor shall the General Assembly have the power in any mode to involve the State in the construction of works of internal improvement, nor in granting any aid thereto which shall involve the faith or credit of the State; nor make any appropriation therefor, except in aid of the construction of works of internal improvement in the counties of St. Mary's, Charles and Calvert, which had no direct advantage from such works as have heretofore been aided by the State; and provided that such aid, advances or appropriations shall not exceed in the aggregate the sum of five hundred thousand dollars, and they shall not use or appropriate the proceeds of the internal improvement companies, or of the State tax now levied or which may hereafter be levied to pay off the public debt, to any other purpose until the interest and debt are fully paid, or the sinking fund shall be equal to the amount of the outstanding debt; but the General Assembly may, without laying a tax, borrow an amount never to exceed fifty thousand dollars to meet temporary deficiencies in the treasury, and may contract debts to any amount that may be necessary for the defense of the State.

But nothing in this section or in this Constitution contained shall deprive the General Assembly of the power to apportion amongst and to appropriate to the city of Baltimore and the several counties of the State out of any funds in the treasury not otherwise appropriated, a sum of money not exceeding four hundred thousand dollars each year, to be expended only in the construction and maintenance of public roads and highways under and in accordance with such regulations as the General Assembly may from time to time prescribe.
