TO THE OYSTERMEN OF TALBOT COUNTY:

I denounce as a malicious falsehood. the statement published in the Ledger this week over the signatures of the Democratic State Central Committee of Talbot County, that I promised Mr. Haman to support his Bill. I also denounce as not only false, but absurd, the further statement of said Committee that the recent Republican State Convention in Baltimore City approved the Haman Bill, and the further statement that the Republican Convention of Talbot county approved said Bill.

The Haman Bill has never been made a party measure by either party, and no caucus on that Bill has ever been held in the House of Delegates or Senate, by the members of either party. It is a fact, however, that almost, if not every, Republican Senator in the last Legislature voted AGAINST the Haman Bill. and a large majority of the Democratic Senators voted IN FAVOR of it.

I think my position on this question is too well known to you from my past record in the Senate to make it necssary that I should follow up every eleventh hour statement made by the Democratic campaign committee for the purpose of deceiving you as to my position on this question.

I have told you that if re-elected to the Senate, I shall take care of your interests in the future as I have done in the past, by fighting the Haman Bill or any other measure which you consider against your interests.

Very truly yours,

ROBERT B. DIXON.

IMPORTANT NOTICE.

A statement in the Easton Ledger of November 2nd over the signature of the Democratic State Central Committee, evidently written by J. FRANK TURNER, chairman. says the Republican Party at its recent convention in Baltimore City declared in favor of the Haman Bill. This is a deliberate falsehood. I was a delegate to that convention, and a member of the committee on resolutions, and I say positively that not one word of approval was given by that Committee to the Haman Bill.—Anyone wishing to prove this I would refer them to the resolutions adopted by the Republican Party at its convention held in Baltimore on Sept. 6th and published in the Sun, American and News.

THOS. M. BARTLETT.

The Ledger in the review of the county's business exhibit says, "Jos. B. Harrington, County Treasurer, is greatly responsible for this healthy financial condition, etc."

It gives the impression that to Mr. Harrington is due the plaudits of the people; in fact as far as the management of the County Commissioners office is concerned he is the whole thing. This we can prove to the contrary. We do admit, however, that he is practically the whole show in the Democratic ring. But as to the commissioners' office, we take it that Mr. Harrington's position as County Treasurer and Clerk of the board of County Commissioners is purely clerical. The business of that Board for the past 6 years has been directed by its President, Mr. Jas. H Caulk, to whom credit for the record made in county affairs should be largely given. He is the gentleman who has occupied the pilot house and it is a well known secret that the autocrats are impatient for the date of his retirement.

CAMPAIGN COMMITTEE.

REPUBLICANS, BEWARE!

The sample ballot sent out by the Democrats is misleading, in that they have placed the names of the Republican candidates second in each group, which is wrong. Beware of Democratic trick sample ballot.

In all groups of three, upon the official ballot as posted, the Republican Candidates are placed third, except that of the County Treasurer, Henry Shreve, which is placed second.

All instructors of voters should look carefully into this, and see that no error on the part of the voter be made.

It is well known that Mr. Harrington is at the head of the Democratic MACHINE of this County, and consequently had choice as to position on the ticket given his opponent.

REP. CAM. COMMITTEE.

Hon. Robert B. Dixon defeated the Haman Bill, and the reader is referred to issues of the Baltimore Sun of May 6th, in which paper Mr. Haman declared that the defeat of his pet measure was absolutely due to the Senator from Talbot County, Robert B. Dixon.

Oystermen, remember this when you go to the polls. Mr. Dixon is your friend. He has not one cent of interest in the oyster business. His only interest is to protect and defend the homes and firesides of his constituents in this county, and he will do this.

Gen. Seth's position, as stated by Mr. Adkins and many other Democrats is that his position on this subject has been that of silent eloquence, hence the oysterman must know his friend at this important time.

LETTER TO GEO. M. WILSON,

Easton, Md.

Dear Sir: Have you found out you can paint a job with fewer gallons Devoe than of anything else, lead and-oil or anything else?

Mr Floyd Almy, House and Sign Painter, Greenwich, N Y, found it out three years ago; he writes: "I have used Devoe lead-and-zinc for the last three years, and cannot say too much in its favor. I am using it now on a big job that I took by contract, and it has saved me at least $25 in the cost of material."

Devoe is the strongest paint we know of; goes furthest; takes less of it to do your job.

Lead-and oil is pure; lead-and-zinc is stronger; covers more; goes further.

Have you found-out you can paint a gallon Devoe in less time than a gallon of anything else? That means less time for the job. Less time; less money.

Less paint, less money for that; less time, less money for that. Devoe lasts longer; do you mind the less money for that? You are surer of it.

Yours truly,

72 F. W. Devoe & CO.
