A BRILLIANT CELEBRATION

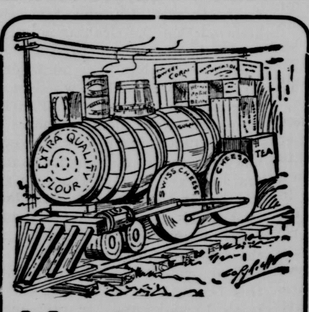

By Easton Knights of Pythias, Monday Evening.

On Monday evening last, a most delightful reception and banquet was given by Star of the East Lodge, No. 106, K. of P., at the Masonic Temple on Washington St. The affair was under the charge of a special committee, Mr. Oscar F. Sturmer, Mr. Geo. W. Mowbray, Mr. Harry Patchett and Col. Henry Hollyday. About forty special guests responded to the generous invitations of the committee, though many could not attend who were invited, and with the members of the order, there were present seventy-five or more persons who were delightfully entertained until a late hour.

The first part of the evening was devoted to the literary and instructive features, the programme being opened with prayer by Rev. W. E. Henry. Most entertaining and favorable addresses were made by Mr J. Harry Covington, Rev. W. G. McCready, and Maj. W. E. Stewart, who set forth the merits of the institution of the Knights of Pythias so that all could understand. The order is founded on friendship, charity and benevolence and holds its members to a strict accountability for all that pertain to noble living and the highest citizenship. The brotherhood also takes cognizance of its members in physical distress by giving such aid as is enjoined by the order, and in case of death comes to the relief of the sorrowing family in a manner that would not or could not be done save by organized effort.

Solos were rendered by Messrs. Patchett, Hollyday and Pardee, and Prof. Carter of Baltimore gave one of his master selections upon the organ. At the close of these very delightful exercises, the assemblage of persons was invited to partake of the bountiful supper prepared in the basement of the building by the committee in charge. This consisted of oysters, turkey, salads, jellies, pickles, olives, cakes, creams and coffee, and the words of praise to the committee were heard on every hand. The Star of the East Lodge won additional laurels to itself by this demonstration, which was an anniversary affair, commemorating the founding of the order in 1864. Since then it has spread over the world, and is considered one of the best beneficial orders ever instituted, as it more closely meets the needs of the average head of the family and young men than most other orders.

JOINT DEBATE IN MUSIC HALL.

Easton High School vs. Salisbury School —Subject, 'The Haman Bill.'

On Tuesday evening, Feb. 27, Salisbury High School will debate the Haman Oyster Bill in Music Hall. There are to be four debaters from Salisbury, and the four young gentlemen of the Easton High School who will oppose them are, Mr. Leonard Adkins, Mr. S. Carl Drake, Mr. Elbert Stafford and Mr James F. Faulkner. The judges have been chosen, one from Salisbury, one from Easton and one at large. Hon. J. Frank Turner will act as judge from Easton. Principal Walter Hoffington will come with the young gentlemen from Salisbury and he will probably introduce the debaters. The subject is, Resolved, That the General Assembly should pass the Haman Oyster Bill. Easton supports the negative.

The Burlesque 'The Passing of the Haman Bill' will be presented after the debate. Pupils of the Easton High School and of the Easton Night School take part.

The management wishes it understood that in the Burlesque nothing but fun is meant. It in no way expresses the opinion of the school or the school authorities as either for or against the bill. The proceeds are to be used towards the purchase of a Crowell Laboratory Apparatus for the school.

Consumption

¶ There is no specific for consumption. Fresh air, exercise, nourishing food and Scott's Emulsion will come pretty near curing it, if there is anything to build on. Millions of people throughout the world are living and in good health on one lung.

¶ From time immemorial the doctors prescribed cod liver oil for consumption. Of course the patient could not take it in its old form, hence it did very little good. They *can* take

SCOTT'S EMULSION

and tolerate it for a long time. There is no oil, not excepting butter, so easily digested and absorbed by the system as cod liver oil in the form of Scott's Emulsion, and that is the reason it is so helpful in consumption where its use must be continuous.

¶ We will send you a sample free.

¶ Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose or two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off, or greatly lessened in severity, by taking a dose of these Tablets as soon as the first symptom of an attack appears. Sold at Harry Roberts' drug store.
