...against Fire!

...Insurance Company... County are now effecting insurances by fire upon every description of property, on terms highly advantageous to the parties insured.—Policies will be issued upon property in any county of the Eastern Shore.

The company is composed exclusively of those who insure their property in it, and is intended to have the same effect as if an agreement had been entered into by the same individuals, that whenever any one of them may lose his house by fire, the others shall unite in raising such a portion of the sum required to rebuild it as they have previously agreed to pay.

Applications for insurance or for information in relation thereto, will be punctually attended to if addressed to the Secretary, post paid.

The following gentlemen compose the present Board:

WHITMAN'S Premium Wrought Iron Rail-WAY HORSE POWER.

AT the great Agricultural State Fair, held at Baltimore, October, 1849, there was the largest exhibition of Horse powers and Threshing Machines, ever exhibited in this State, or at any other State Fair in this country, and all thoroughly examined and tested by a large and competent committee, who awarded the *first premium* to the above power, as the *best* on the ground. More than *five Thousand* of these powers are now in use by many of the best Farmers in the Country, and they consider them to be *double* in power to any of the best Sweep Powers, more durable and much easier for the horses. CASH PRICE. $100.

E. WHITMAN, Jr.,

Corner of Light & Pratt Street, Balt.

☞ As evidence that we do not over rate the capacity of this Power, and for the satisfaction of farmers in want of a good machine, we insert the following letter, just received from one of the most intelligent and respectable farmers in Virginia—and we are in daily receipt of letters of the same import from Maine to Texas.

Miller's Tavern, Essex Co., Va., May 20, '50

Mr. E WHITMAN, Jr.,—

Dear Sir:—I have for some time intended giving a full description of operation and success of the 2 horse wrought iron RAIL WAY POWER and THRESHING MACHINE. I purchased of you last May. I will give you a few instances of my threshing.—I carried the whole machine between 8 and 10 miles with an ox cart, & set it three times on different farms, and threshed from 115 to 120 bushels of wheat in one day, & each time took the machine out of the cart; made the tables; geared the horses: and commenced threshing in ten minutes. Rev. Peter Ainsley, Col. Rich'd J. Muse and Musco Garnett, Esq., were witnesses to the above.—In another instance I commenced threshing at Mr. W. R. G. Tribble's, at 8 o'clock in the morning, and threshed 92 bushels of wheat by 12 o'clock—then moved about a mile after 2 o'clock in the afternoon of same day, and threshed 47 bushels of wheat before sun down. Mr. L. D. Brooks, Mr. Beverly Brooks and others, can vouch for the truth of this statement. I frequently threshed 100 bushels of wheat from breakfast to dinner time—and during the season, I threshed 38 different crops, making in all 5,450 bushels of wheat, and the wear of the machine is scarcely apparent—and I consider the labor to the horse no more than ploughing in light land. I candidly believe, your wrought iron Railway Horse-power and thresher, surpasses any I have seen, and I find it is now much better since your late improvements have been attached.

You will please have two of your Improved Rail-way Horse-power and threshers put up and sent to me by first conveyance they are for two of my neighbors—have them landed at Piscataway Bridge. I think I shall order one or two more of them between now and harvest

Very respectfully, yours,

W. G. COVINGTON.

One Wheel Power.

WE also have the EDDY POWER, which is one of the most simple and durable Sweep Powers now in use. It consists of one wheel only, and the horses work inside of the wheel. It can be transported easily from place to place, in a common farm wagon, and may be set up in twenty minutes and taken down in half that time. It is simple in construction, not liable to get out of order, and may be easily repaired, the gearing being made entirely of wrought iron. It may work in the open field though it is better to have it under cover, when stationary, especially during stormy or very hot whether. For efficiency, durability and simplicity, this, for a sweep power, is preferred by many to all others. Price of the largest size, with our late improvements, $100.

E. WHITMAN, Jr.,

SWEEP POWERS.

WE also have three other kinds of SWEEP POWERS, which embrace all the valuable improvements that have been attached to the Sweep or Lever Powers. Prices, $85, $100, and $120. E. WHITMAN, Jr.

PREMIUM THRESHERS.

OUR Iron Thresher, which received the first Premium in Baltimore, last Fall, is well adapted to either of the above powers.—Price of the two sizes, $45 and $50. If Straw Carriers are attached, they are $15 extra.

MARRIAGE:

WHY SO OFTEN UNHAPPY

THE CAUSES AND THE REMEDY!

MANY and many a wife endures years of bodily suffering and of mental anguish, prostrate and helpless, embittering her life, that of her husband, and hazarding the future welfare of her children, arising from causes which, *if known,* would have spared the suffering, the anguish to the wife, and to the husband embarrassments and pecuniary difficulties having their origin in the mind being weighed down and harassed in consequence of the sickness of the companion of his bosom.

How important that the causes should be known to every wife, to every husband, that the dreadful and harrowing consequences to the health and happiness of both may be avoided! Life is too short and health too precious to admit any portion of the one to be spent without the full enjoyment of the other. The timely possession of a little work entitled as follows has been the means of saving the health and the life of thousands, as over

TWO HUNDRED THOUSAND

copies have been sold since the first edition was issued.

The author has been induced to advertise it by the urgent and pressing request of those who have been indebted to its publication for all they hold dear (that all may have an opportunity of obtaining it), and who have favored him with thousands of letters of encomium, some of which are annexed to the advertisement.

THE MARRIED WOMAN'S Private Medical Companion.

BY DR. A. M. MAURICEAU,

PROFESSOR OF DISEASES OF WOMEN.

Twentieth Edition. 18mo., *pp* 250. *Price,* $1.00.

THIS WORK IS INTENDED ESPECIALLY FOR THE *MARRIED,* or those contemplating marriage, as it discloses important secrets which should be known to them particularly.

Here, every female—the wife, the mother—the one either budding into womanhood, or the one in the decline of years, in whom nature contemplates an important change—can discover the causes, symptoms, and the most efficient remedies and most certain mode of cure, in every complaint to which her sex is subject.

The revelations contained in its pages have proved a blessing to thousands, as the innumerable letters received by the author (which he is permitted by the writers to publish) will attest.

SICKLY AND UNHAPPY WIVES.

Extract of a Letter from a Gentleman in Dayton, O

"DAYTON, May 1, 1847.

"DR. A. M. MAURICEAU—*My Dear Sir:* 'The Married Woman's Private Medical Companion,' for which I enclosed one dollar to your address, came safely to hand. I would not have troubled you with these few lines, but that I am impelled by a sense of gratitude, for myself and wife, to give utterance to our sincere and heartfelt emotions.

"My wife has been perceptibly sinking for some three years or more, in consequence of her great anguish and suffering some months before and during confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was, on the last occasion, despaired of. I supposed that this state of things was inevitable, and resigned myself to meet the worst. At this time (now about two months) I heard your book highly spoken of, as containing some matters reaching my case. On its receipt and perusal, I can not express to you the relief it afforded my distressed mind and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desomeaux provided a remedy. It opened a prospect to me which I little conceived was possible. No pecuniary consideration can ever repay the obligations am under to you for having been the means of imparting to us the matters contained in 'The Married Woman's Private Medical Companion.' But for this, ere another year would have passed over my head, in all human probability my wife would have been in her grave, and my children left motherless."

Extract from a Letter.

Competence and Health.

"LANCASTER, PA., Oct 24, 1847.

"MY DEAR SIR: I know you will have the kindness to bear with me in encroaching upon your time, while I acknowledge (in behalf of myself and wife) the obligations we feel ourselves under to you in having made known certain matters, contained in your most invaluable 'Married Woman's Private Medical Companion.' It has been worth its weight in gold to me. If I express myself rather warmly, you will see that I can not do so too warmly, when I inform you of the extent to which I have, through it, been benefited. I will state my situation when I obtained your book through the merest curiosity. I look upon it as one of the most fortunate events of my life. I had been married some ten years, and was the father of seven children. I was long struggling unceasingly to the end that I might gain a moderate competency, but the results of my utmost exertions at the end left me about where I was at the beginning of each year—and that only, with the most stinted economy, sufficing with barely the necessaries of life. Finally, this constant effort was beginning to have its effect upon my health: I felt less capable to endure its continuance, while I felt the necessity of perseverance.

"This constant, unceasing struggle on my part was imperative, in consequence of the prostrated condition of my wife (with occasional intermission) for six years, much of the time confined to her bed, and of course incapable of taking the charge and management of household affairs. Her condition arose from causes of which I was ignorant. Oh! what would I have given had I the six years to live over again! What would my wife have given to have been spared the long days and still longer nights prostrate on a bed of sickness!—all of which would have been avoided, had I then seen a copy of 'THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION.'"

From a Physician.

DANGEROUS DELIVERIES,

OBSTRUCTIONS, IRREGULARITIES, &C.

How many are suffering from obstruction or irregularities peculiar to the female system, which undermine their health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice! How many suffer from *prolapsus uteri* (falling of the womb), or from *fluor-albus* (weakness, debility, &c., &c)! How many are in constant agony for many months preceding confinement! How many have difficult if not dangerous deliveries, and whose lives are jeopardied during such time, will find in its pages the means of prevention, amelioration, and relief!

Extract from a Letter.

To those just Married.—"Had I known!"

"PHILADELPHIA, Nov. 29, 1847.

"DR. A. M. MAURICEAU: Had I known of the important matters treated of in 'The Married Woman's Private Medical Companion' some years ago how much misery I might have escaped! I have suffered years from causes which you point out in your book, without knowing what to do. I obtained a copy, and found my case treated of. I trust every female will avail herself of the information contained in its pages."

Letters are daily received of this character, unnecessary to present.

To those yet unmarried, but contemplating marriage, or perhaps hesitating as to the propriety of incurring the responsibilities attendant upon it, the importance of being possessed of the revelations contained in these pages, so intimately involving their future happiness, can not be appreciated.

It is, of course, impracticable to convey more fully the various subjects treated of, as they are of a nature strictly intended for the married, or those contemplating marriage; neither is it necessary, since it is every one's duty to become possessed of knowledge whereby the sufferings to which a wife, a mother, or a sister, may be subject, can be obviated.

☞ **Copies will be sent by Mail free of Postage to the Purchaser.**

☞ On the receipt of One Dollar, "THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION" is sent *(mailed free)* to any part of the United States. All letters must be post-paid (except those containing a remittance), and addressed to Dr. A. M. MAURICEAU, Box 1224, New York City. Publishing Office, No. 129 Liberty st., New York.

Over 20,000 Copies have been sent by MAIL within three months with perfect safety and certainty.

Booksellers and agents engaged in its sale are making handsome competencies from the ready and extraordinary demand for it, and the extremely liberal terms afforded them.

Active local or travelling Agents, throughout the United States and Canada, will be supplied on the same terms. Communications are required to be *post-paid* and addressed as above.

☞ CAUTION.—The public are cautioned against various catch pennies intended to be aimed off upon them, imitating the title of the work as "The Married *Ladies'* Medical Companion," and various other titles. Easton Dressing Saloon,

For Gentlemen: One Door South of the Bank.

PHILEMON FLOYD, Fashionable Barber, respectfully informs his friends and the public, that he still carries on the barbering business, and is prepared to give his customers a good shave, and to do champooning and hair dressing in the most fashionable style. He has been at very considerable expense to fit up his new shop in a style not equalled by any other on the Eastern Shore, with every convenience for the comfort of those who may favor him with their custom; and he hopes by attention to business, to continue to merit and enjoy a very large share of patronage.

N. B. Gentlemen can have their boots blacked by my boy at any time, for a fip; and persons wishing the latest news, can always find the last number of the Baltimore Sun, at the Easton Dressing Saloon. Jan. 13, 1849

READ IN TIME.—As the Ague and Fever is at hand, all those who would shun it can do so by getting one bottle of *Martin & Whiteley's National Tonic,* which is not only a preventative, but a certain cure. For proof of its wonderful cures see pamphlets, which can be had with the medicine at the store of
