## FOREIGN NEWS.

ARRIVAL OF THE BALTIC.

NEW YORK, April 3, 10 P. M.

The Mail steamer Baltic arrived at 7 o'clock this evening, bringing 7 days later intelligence from Europe.

*England.*—The Papal bill has been so modified and curtailed as to be acknowledged by no party, yet it still occupies the time of the House of Commons.

*France.*—The correspondence of the Times says it is impossible to deny that a re actionary movement is evident among certain legitimists circles in the Famburg St. Germain to accept a prolongation of the President's powers The Siecle, in reference to the circulation of rumors, that France would assume a hostile position on the German question, says: So long as a good understanding subsists with England, there can be no war on any such account.

The news from Berlin, Dresden and Vienna was the principle subject of discussion. The Council decided that instructions should be given to the French Minister at Vienna, informing him of the attitude France will take should a contest arise between the great German powers.

The views of the King of Prussia met with sympathy in the Council. The Monitieur states that the President had received notification from the Emperor of Prussia, notifying him of the marriage of his neice with Prince George of Mechlenburg.

*Germany.*—Fresh complications have arisen in Germany. Prussia and Austria no longer act in concert, the secondary states coincide with neither.

*Liverpool Markets, March 21st.*

The late accounts from France reporting a slight advance in Wheat and Flour with some cessation of exports have created more confidence in the market, with a turn in favor of holders, flour having advanced 6d. per bbl. and wheat 1d per 70 lbs.; Western canal flour is quoted at 18s. 6d.a21s; Baltimore and Philadelphia 22s. 6d; Ohio 20sa21s, some 18s.a19s; and Canada 20a21s per bbl. Wheat 5s. 3d. a5s. 6d. for Red, and 6sa6s. 2d. per 70 lbs. for White—Yellow Indian 30s White 31s. and mixed 29s. per quarter

Provisions are higher. Beef of good quality has realized full prices. Pork remains unchanged. Bacon has advanced 1s a2s per cwt; hams and shoulders are scarce. Lard has advanced 3d to 6d per cwt.

PROVIDENCE, April 3d.

*Rhode Island Election*—The election for two members of Congress and State officers took place yesterday. Returns are in from nearly the whole State and show the election of Philip Allen, democrat, Govenor, by 600 majority. Wm. B. Lawrence, democrat, Lieut Governor; Asa Potter, dem, Secretary of State; Wm. B. Burges, dem., Attorney General; and Edwin Wilson, dem, State Treasurer, by 250 majority each. Geo. G King, whig, is elected to Congress in the 1st District, and B. B. Thurston, democrat, in the 2d. The latter is a democratic gain. The Senate stands 14 democrats, 13 whigs, 4 no choice. The House 31 democrats, 35 whigs, and 6 no choice.

MYSTERIOUS—The Wilmington (Del.) Journal says that the coroner there had the body of a woman dug up on Tuesday for a post mortem examination. A Mrs. Hamilton, residing near Centreville, died very mysteriously and was buried about three weeks since. Some suspicions have been excited that the death was occasioned by foul means. It has not heard the result of the investigation.

A REMARKABLE DEATH—On Wednesday a Mrs. Doran, who had been during the day, complaining of a severe toothache, undertook to cure it by a mode which had been recommended to her as highly efficacious, and which in several instances, had been successfully put in practice. The perscription was, to make a compound of sulphur, beeswax and onion seed, and burn it in a dish, while the face of the afflicted person was to be held over it until the pain in the tooth was gone. Mrs. Doran tried the remedy, but unfortunately inhaled the gas from the burning compound, fell over, and expired in an instant!—*N. O. Delta.*

ANOTHER SCIENTIFIC WONDER! PEPSIN, *the True Digestive Fluid or Gastric Juice!* A great Dyspepsia Curer, prepared from Rennet, or the fourth stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11 North Eighth streets, Philadelphia, Pa. This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by nature's own agent, the Gastric Juice. See advertisement in another column.

All letters containing the above fee will receive immediate attention, and Nativities sent to any part of the world written on durable paper; and he is prepared to make use of his power by conjuration on any of the following topics: Courtship, advice given for the successful accomplishment of a wealthy marriage; he has the power to redeem such as are given to the free use of the bottle; and for all cases of hazard, and for the recovery of stolen or lost property, and the purchasing of lottery tickets. Thousands of the above named cases have been done in this city and its vicinity, and in the United States to the full satisfaction of all. 10,000 Nativities or Horoscopes have been cast during the last four years while here. Letters will answer every purpose, and will do as well as to call in person, and the mail is now so safe that persons need not fear to trust money through the Post Office.
