LANCASTER, June 25

Pennsylvania Whig Convention.—The Convention assembled at 9 o'clock this morning. The balloting for Canal Commissioner was commenced. On the 6th ballot John Strohm, of Lancaster, was nominated.

The following gentlemen have been nominated for Judges of the Supreme Court:—Richard Coulter, of Westmoreland; Joshua A. Conely, of Montour; Geo. Chambers, of Franklin, and Wm. M. Meredith, (Secretary of the Treasury under Gen. Taylor,) of Philadelphia.

Nomination of Gen. Scott.—The Convention has adopted a resolution, declaring that Gen. Winfield Scott is beyond question, the choice of the Whigs of Pennsylvania as their candidate for the Presidency in 1852; and earnestly recommending him to the Whigs of the Union, as the most deserving and available candidate for that high office. The Convention also adopted a resolution complimentary to President Fillmore's administration.

The Convention adjourned this afternoon, after framing the following ticket: Governor—William F. Johnston. Canal Commissioner—John Strohm. Judges Supreme Court—Meredith, Coulter, Conely, Chambers, Jessup.

IMPRISONMENT FOR DEBT—WRITS OF HABEAS CORPUS.—We understand that the prisoners now in jail for debt, will be brought before Judge LeGrand of the County Court, on the morning of the 4th of July, on writs of habeas corpus, with a view to their immediate discharge. The new Constitution expressly provides that on and after the 4th of July "there shall be no imprisonment for debt;" but some of the creditors of the debtors whom they have confined in Jail, contend that another article of the Constitution guarantees that nothing in it shall effect debts contracted prior to its adoption, and have notified the Warden of the Jail that they will hold him responsible for the release of those debtors to the amount of the respecive claims against them. The debtors in Jail, on the other hand, threaten to sue the Warden for illegal imprisonment if he detain them beyond the 3rd of July. It is in order to relieve the Warden of any difficulties, that Judge LeGrand has consented to dispose of the question on that day.—*Balt. Clip*

FATAL ACCIDENT.—A little boy, four or five years of age, named John Driver, a son of Mr Driver, of Baltimore, was accidentally killed on Tuesday, near Rock Hall, by the discharge of a gun in the hands of a young lady, Miss Hester Ann Downing. The Chestertown Herald says:

It appears that she took the gun down from the rack for the purpose of frightening the little boy, and as she turned round the gun fired, the contents struck him in the left shoulder, and passing through came out under the right, killing him instantly. She did not touch the trigger.—This is an awful warning to persons who seek such instruments as guns to amuse themselves with.

SCHOONER WASP.—The disappearance of Capt. Haney, of the schooner Wasp, on her trip between Baltimore and Annapolis, is accounted for by the Maryland Republican. It appears that instead of being murdered, he has run off to avoid arrest by the U. S. Marshal, who some months ago went on board the Wasp to libel her for the claim of a carpenter, when Haney set sail and proceeded to Annapolis, with the Marshal on board. Here he deserted her, and the vessel was held in custody until the claim was paid. Fearing an arrest when in Baltimore last, he took passage in another vessel, leaving his own in the charge of negroes.

We learn from the Washington papers that the corner stone of the addition to the Capitol, authorized by the late act of Congress, will be laid by the President of the United States on the 4th of July next, in the presence of such officers of the Government as may be then in the city, and of all the citizens who may see fit to assemble to witness the ceremony; and that an address on that occasion will be delivered by the Secretary of State.

THE LARGEST AMOUNT OF SILVER which probably ever came from the West, reached Philadelphia on Monday, by Adams & Co's Express. It was six tons in weight, and came from the Union Bank of Tennessee, at Nashville, to the Philadelphia Bank. The procession which carried this precious load to the bank was quite an imposing one, all the force of Adams & Co. being required to carry it.

FOR CONGRESS.—Thomas R. Stewart, Esq., of Caroline county, is recommended in the Denton Journal as the democratic candidate for Congress from that district.
