INTERESTING EXTRADITION CASE.—At New York on Saturday, before the United States Commissioner, Stephen Walsh, an Irishman, and eight others principally Irish, were charged with robbing a corporal in the British army at St. John, N. B. of a quantity of fire-arms and accoutrements, the property of Queen Victoria. The charge is made under the Ashburton treaty by the British Consul at N. York, at the instance of Sir Henry L. Bulwer The accused all deserted from the British army at St. John, at one time having tied and gagged the corporal to prevent his giving the alarm.

They got off safely, and had crossed the frontier of Maine when they were taken before a magistrate at Machias on a charge of larceny, which not being an offence recognised for extradition under the treaty, they were discharged. Walsh immediately took measures to become an American citizen, and enlisted in the U. S. army.—He was stationed at Bedlow's Island, where he was arrested. Walsh defended himself before the Commissioner with ingenuity and ability. He contended that the corporal was drunk when the men deserted, but that he knew beforehand of it, and connived at it in this way. The arms were only those they had with them. They were subsequently discharged.

WOMAN MURDERED BY HER HUSBAND.—At Boston on Sunday afternoon, Daniel Mahoney was arrested for beating his wife to death. They lived in the third story, and whilst drunk he commenced the assault on his wife in the room they occupied, and then dragged her down to the foot of the stairs, where he was discovered by some of the neighbors kneeling over her and striking her with great fury with his fist. He was dragged away from her, and she died within half an hour. Her skull was found to be fractured, and upon examining the room the officer discovered blood upon an axe-handle and upon a flat-iron She has left four children, one of them being an infant. It was covered with blood from the wounds inflicted on its mother before she was dragged out of the room. She was about 28 years of age.

LOLA MONTES.—A recent letter from Paris, says the celebrated Countess of Mansfield, the noted Lola Montes, has concluded to resume her former professional career of a dancer This world-known lady is daily practising, and will make her first appearance at New York in about three months. Of course the New Yorkers will give her a public reception.

CONVICTED OF MURDER.—Five negroes were convicted of murder in the Fayette circuit, Kentucky, on Saturday week—four of them on the charge of murdering Mr. Lyon, some two years ago; the other, of the murder of another negro. In the former case a motion for a new trial has been made; the other negro is to be hung on the 19th of July.

DISMISSED.—Passed Midshipman Pollock, sailing master of the U. S. ship St. Louis, now on the Brazil station, has been court martialed and discharged from the squadron, for cutting down a seaman with a cutlass. He is the same fellow who three years ago was tried and convicted for shooting Mr. Jewett (not fatally) of the Buffalo Commercial Advertiser, and was sentenced to the State Prison, but pardoned.

TERRIBLE DEATH.—A negro man, belonging to Col. Hurst, of Scriven county Ga., was bitten on the hand, a few days ago, by a rattle snake, and in twenty minutes he was a corpse! In five minutes after the bite, his face, scalp and tongue were enormously swollen, his abdomen enlarged, and his tongue protruded between his teeth!

ANOTHER SCIENTIFIC WONDER! PEPSIN, *the True Digestive Fluid or Gastric Juice!* A great Dyspepsia Curer, prepared from Rennet, or the fourth stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11 North Eighth streets, Philadelphia, Pa.
