A Fight in the Mountains.—For the last two or three years there has been a fued existing among several families residing on the pike in the Blue Ridge mountain, three miles from Boonsboro', Md., in reference to a small tract of land. The parties are Daniel Zittle, John Lapole, John Hutzell, Greenberry Young, John Duncan, and their wives. The party met upon the disputed territory on the 18th of June, armed with knives, stones and sticks, and fought a regular pitched battle, which resulted in the injury of several of the party. Mr. Zittle and one of the women were severely cut with a knife. Several of the combatants were arrested.—*Boonsboro' Odd Fellow.*

The trial of George Long, colored, aged about 11 years, charged with the murder of John T. Rumpf, a white child 6 years old, has been progressing in Baltimore City Court for three or four days. On Wednesday the jury brought in a verdict of *murder in the first degree*, but accompanied it with an unanimous recommendation to the Governor to commute the punishment to imprisonment for life.

Transferred.—The case of Robt. Morris, one of the alleged rescuers of the fugitive slave Shadrach, in Boston, has been transferred by Judge Sprague, in consideration of its involving difficult and important questions of law, to the United States circuit court.

A La Turk.—Daughters of one or two of our most respectable citizens made their appearance on Centre street last Saturday in the Bloomer costume. We are told they made quite a respectable appearance, and were surrounded and followed by a multitude of boys.—*Cumberland Unionist.*

More Stabbing.—Lynchburg, Va., is becoming famous for tragical occurrences On Thursday last, in an altercation, Benjamin E. Sumpter ran a sword cane through the body of a man named Leay, who, it is thought will die in consequence. Sumpter is in jail.

Hon. Samuel F. Vinton has been nominated for Governor of Ohio by the Whig Convention of that State. The Convention has recommened Maj. Gen. Scott as a candidte for the Presidency.

PLOUGHS—A lot of Nos. 6 and 7 Chenowith Plough Shares, just received, and for sale by Shannahan & Patchett.

Mary Setley and others

Mary A. Spencer and others.
} In Chancery, 5th June, 1851.

In the Matter of the Petition of William Arringdale.

THE object of this petition is to obtain the application of the share of the Real Estate of John Ruth Downes, dec'd., assigned by the Auditor to the devisees of John D. Green, dec'd., to the payment of the debts of the said Green upon the allegation of an insufficiency of his personal Estate for that purpose.

The petition states that in 1827, one John Garey of Talbot County died, leaving a will duly executed and admitted to probate, by which he appointed James Chambers his executor, that said Chambers renounced, and administration C. T. A. was granted to Isaac Chambers, who gave Bond with James Chambers and John D. Green as his sureties and proceeded to administer the Estate, but his letters were revoked and he died without having passed any account. That administration d. b. n., on the Estate of John Garey was then granted to John Arringdale who proceeded to execute the trust, but also died without having passed any accounts, and on the 9th February, 1830, administration D. B. N., C. T. A. was granted to William Arringdale, who proceeded to settle the Estate, and passed two accounts, by the last of which passed on the 11th September, 1832, he appears to have overpaid the Estate, in so far as assets had come to his hands by the sum of 69¼ cents. The petition also states that on the 26th November 1827, Isaac Chambers returned an inventory of Garey's Estate which was appraised at $526,18, and on the 16th June 1828 a list of sales showing a loss on the appraisement of $13,23, so that Chambers was then charged, and so remained charged at the time of his death, with $512,95. That of this sum John Arringdale received from the adm'r. of Chambers in notes of hand $210,88 which were received and accounted for by William Arringdale, and at May Term, 1829 of Talbot County Court, recovered Judgment against James Chambers and John D. Green, as sureties of the said Isaac Chambers for $302,07 with int. from the 29th November, 1827 and costs, this sum being the balance of Garey's estate in the hands of said Isaac, after crediting the notes aforesaid; that upon an execution issued on this judgment $46,-70, applicable to its reduction were made out of the property of Isaac Chambers, that afterwards John Green died, having by will, duly executed to pass Real Estate, appointed Richard Spencer, his Executor, and at Nov. Term, 1837 of Talbot County Court, judgment was rendered against said Spencer as Executor in favor of William Arringdale adm'r. d. b. n., of Garey for $281,97, the balance due upon the judgment aforesaid against James Chambers and John D. Green, with interest from the 22d May 1829 and costs; that the whole of this judgment it till due and unpaid, that at the time of the rendition of said judgment against James Chambers, he was utterly insolvent, an execution issued thereon against him, having proved fruitless, and that he is long since dead, his Estate having been and still being hopelessly insolvent.

The petition then states that in 1816, one John Ruth Downes died; having by will duly executed to pass real estate, and admitted to probate according to law, devised his real estate to his wife for life, and after her death one undivided fourth thereof to his sister Rachael Green; that the wife of Downes survived him *and died in 1849, that long before her death* Rachel Green died intestate, leaving the said John D. Green her only child and sole heir at law, that said Green by his will devised to Mary Anna Spencer, Emma Spencer and William Spencer, children of Richard Spencer, aforesaid, all his interest as such heir at law, in the real estate of said Downes, charged however, with the payment of his debts. And that said Spencer as Executor so proceeded in the settlement of said Green's estate, that he compromised and by various arrangements settled with the creditors of his testator other than the said William Arringdale, their several claims against his estate, which was largely insolvent; and afterwards removed with his children as aforesaid, to Alabama or elsewhere beyond the limits of this State, where they still reside, leaving the said judgment against him in full force, and the indebtedness of said Green's estate wholly due and unpaid, and that Mary Anna Spencer has married and is now wife of John C. Keener, and Emma Spencer has married ——— Holcomb.

The petition then sets forth that under the decree in this cause the real estate of the said John Ruth Downes has been sold, charges that the interest of Rachel Green therein which descended to said John D. Green was bound by the Judgment in favor of John Arringdale against said Green and others, and should now be applied in payment of that against said Green's Executor in favor of William Arringdale, the personal estate of said Green having proved entirely insufficient for the payment of his debts, and this interest having been expressly charged by said Green with said debts, and prays that one fourth of the proceeds of said sale may be applied to the payment of the petitioners of said judgment and of such other claim as may be shown to be entitled to participate therein.

It is thereupon adjudged and ordered that the petitioner by causing a copy of this order to be inserted in some newspaper published in Talbot County, once in each successive week for one month before the fifteenth day of July next, give notice to the said Richard Spencer Executor of John D. Green, dec'd., John C. Keener and Mary Anna his wife, ——— Holcomb and Emma his wife, and William Spencer, now residents as before stated, of the object and substance of this petition, and warn them to appear in this court in person or by Solicitor on or before the fifteenth day of November next to answer the premises and show cause if any they have, why relief should not be granted as prayed. Another Scientific Wonder!

Dr. J. S. HOUGHTON'S GREAT DYSPEPSIA CURER!

THE TRUE
DIGESTIVE FLUID,
OR
GASTRIC JUICE

Prepared from RENNET, or the fourth Stomach of the Ox, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBILITY, curing after Nature's own method, by Nature's own agent, the Gastric Juice.

☞ Half a teaspoonful of this Fluid, infused in water, will digest or dissolve, *Five Pounds of Roast Beef in about two hours,* out of the stomach.

This is a GREAT NATIONAL REMEDY for INDIGESTION, and DYSPEPSIA, curing after Nature's own Method, by Nature's own Agent, the Gastric Juice. PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice—the *Solvent of the Food,* the *Purifying, Preserving,* and *Stimulating* Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL DIGESTIVE FLUID, precisely like the natural Gastric Juice, in its Chemical powers, and furnishing a COMPLETE and PERFECT SUBSTITUTE for it. By the aid of this preparation, the pains and evils of INDIGESTION and DYSPEPSIA are removed just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of DEBILITY, EMACIATION, NERVOUS DECLINE and DYSPEPTIC CONSUMPTION, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree CURIOUS and REMARKABLE.

BARON LIEBIG, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid analagous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be *softened, changed, and digested, just in the same manner as they would be in the human stomach.*"

DR. PEREIRA, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are fewer higher authorities than Dr. Pereira.

Dr. COMBE, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding every thing else to fail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which *proved completely successful.*"

Dr. GRAHAM, author of the famous works on "Vegetable Diet," says: "it is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of *artificial digestion* of them *in no wise different from the natural digestive process.*"

Professor DUNGLISON, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals are well known. "In all cases," he says, "digestion occurred as perfectly in the *artificial* as in the *natural* digestions."

AS A DYSPEPSIA CURER,

DR. HOUGHTON'S preparation of PEPSIN has produced the most *marvelous effects,* curing cases of *Debility, Emaciation, Nervous Decline,* and *Dyspeptic Consumption,* supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than TWO HUNDRED REMARKABLE CURES, in Philadelphia, New York and Boston alone.—These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great NERVOUS ANTIDOTE, and particularly useful for tendency to billious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles *Health* with *Intemperance.*

OLD STOMACH COMPLAINTS.

There is no form of OLD STOMACH COMPLAINTS which it does not seem to reach and remove at once. No matter how bad they may be, it GIVES INSTANT RELIEF! A *single dose removes all the unpleasant symptoms,* and it only needs to be repeated for a short time, to make these good effects permanent.—PURITY of BLOOD and VIGOR of BODY follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Price, ONE DOLLAR per bottle. One bottle will often effect a lasting cure.

Dr. HOUGHTON'S PEPSIN, is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder, and in Fluid form—and in Prescription vials for the use of Physicians.

PRIVATE CIRCULARS, for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is NOT A SECRET REMEDY, no objection can be raised against its use by Physicians in respectable standing and regular practice. Price, ONE DOLLAR per bottle.

Sold by R. F. HEMSLEY, AND DAWSON & BRO., Druggists, *Easton, Md.,* wholesale & retail, at the *proprietors* prices.
