EXECUTOR'S SALE OF Valuable Real Estate

In Talbot & Caroline Counties.

BY virtue of authority derived in and by the last will and testament of Jacob C. Willson deceased, I will sell at public sale at the front door of the Court House in Easton, between the hours of 2 and 5 o'clock, P. M., on *TUESDAY, the 4th day of November next*, the following Real Estate situated in Talbot County to wit:

That tract of Land adjoining the town of Easton, upon the Bayside road, commonly known as the "Cooper lots" containing **9 Acres** 3 rods and 30 ps. of land, more or less; under a fine state of cultivation, with buildings thereon. The land is very good and this property very desirable.

Also the house and lot on Washington St. in the town of Easton, adjoining the former residence of Dr. Theodore Denny, and now occupied by Mr. Wm. Roberts. The dwelling is of brick and in good repair, the location is healthy, the neighborhood excellent, and the residence extremely desirable.

Also the Brick Store-house and dwelling attached thereto, at the corner of Washington and Dover Streets, in the town of Easton, now occupied by Robert M. Willson. This is one of the best stands for business in the town.

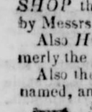

Also the *HOUSE & LOT* on the East side of Washington St., now occupied by Perry Robinson Esq., as a Magistrate's office.

Also the House and lot on same Street lately occupied by Francis Rowin's as a dwelling and Watch-makers Shop. The dwelling is a comfortable one, with an excellent garden attached thereto.

Also the *HOUSE & LOT* on Harrison St., immediately adjoining the property of Samuel Hambleton Esq., upon the North.

Also the *HOUSE & LOT* on South Street adjoining the new Protestant Episcopal Church, and now occupied by negro Sam Sharp.

Also the House and lot on Aurora St., commonly known as 'the Bull's Eye.' This is a spacious lot, adjoining the residence of Mrs. Kerr, and is one of the handsomest locations for a residence in the town.

Also the *LOT* with *CARPENTER'S SHOP* thereon, on West Street, now occupied by Messrs. Elliott & Bullen.

Also *HOUSE & LOT* on Point Road formerly the property of Thomas W. Loockerman.

Also the House and Lot adjoining the last named, and now occupied by Mrs. Perry.

Also a House and Lot at Dover Ferry, immediately at the Bridge, together with all the right, title and interest of Jacob C. Willson, in and to the Dover Bridge and Ferry.

And I will sell on *SATURDAY, the 8th day of November next*, at Upper Hunting Creek in Caroline County, between the hours of 2 and 5 o'clock, P. M. in front of the Store of Jesse Hubbard, the following property to wit:

The **STORE HOUSE** and two *FRAME DWELLINGS*, with Smoke-house and *SHOE SHOP* attached thereto, situated at Upper Hunting Creek, and now occupied by Dr. John K. Thompson. This property has a fine garden and large lot of ground, with excellent water—good stabling and outbuildings, and is one of the most eligible locations for business in that whole section of the country.

Also that valuable **GRIST & SAW MILL**, with *Carding Machine, Smut Machine, Timber Wheels*, and all other necessary fixtures, commonly known as "the Upper Hunting Creek Mills."

This property is now in complete order, and rents for four hundred and fifty dollars. The Stream is an unfailing one, and the neighborhood one of the best in the country for the Milling business. Belonging to these Mills is a good Miller's House and lot—and one hundred and eleven and one quarter acres of land, more or less—a part of which is covered with WOOD.

Also that other most valuable and very desirable set of Grist and Saw Mills, known as "the Hog Creek Mills" about five miles from Hunting Creek—and also in Caroline County. The stream cannot be surpassed, and the Mills have recently undergone a thorough repair, and are in excellent order. The Mills have a first rate run of custom, and rent readily for three hundred and fifty dollars. This Mill has new Smut Machine, a carding Machine, Timber Wheels and all necessary fixtures. The "Hog Creek Mills, have about seventy acres of land attached, with a most excellent two story dwelling, and kitchen, and necessary outbuildings.

These Mills present also, a desirable opening for the Bark business. A Bark Mill erected here would be a speculation, as quantities of Citron and other valuable Barks may be had immediately in the vicinity. These are considered to be the best and most profitable Mill seats in this whole country, and those acquainted with Milling business are requested to examine for themselves.

Also, I will sell several smaller items of real property, not herein named, which will be more particularly specified and described on the day of sale.

In all the above named property there is a widow's dower.

TERMS OF SALE as prescribed by the testator:—A credit of one, two, and three years, on the whole purchase money; which is to be secured by bond, and sureties to be approved by the Executor.

NOTE.—Under and by virtue of the will aforesaid the *Executor* is authorized to dispose of any of the above property at private sale on the above named terms. The titles to the above described property are indisputable.

IMPORTANT TO HOUSE-KEEPERS.

THE undersigned takes this method of informing the citizens of Talbot County that he is prepared to furnish them with

AVERY'S PATENT WASHING MACHINES,

with perfect confidence in their merits, believing them to be superior in every respect to any Washing Machine ever before used. These Machines being in construction perfectly simple, may be successfully managed by a small boy or girl. It washes on the Fulling-Mill principle, with a rotary motion, which makes its operation easy and convenient, while its effects on the clothes is such as to wash every part thoroughly and uniformly without endangering the most delicate fabric, buttons, &c. It is the opinion of those that have used the Machine for several months, that while all others have failed to gain attention, much less confidence, this must succeed, and most essentially to the relief and gratification of the ladies. Its combination of valuable qualities are, simplicity of movements, absence of spray or spatter, uniform action on all parts of the clothing, no straining or pressure on buttons or particular parts while in operation, and the operation may be continued until all parts are cleaned.

A WRINGER, by the same inventor, although a separate patent, expels all water from the finest, or even thread worn goods, without any strain upon the most tender texture. Both Machines combine the two prime qualities of valuable invention, simplicity of operation and shortness of time taken by the process. It is confidently believed that no family, after having given them a fair trial, will consent to do without them.

All orders addressed to the subscriber at Easton, Md., post paid, will meet with prompt attention. JOSEPH T. VANE.
Sept 20. 6t

The following are a few of the certificates he has received in this county:

I hereby certify that I purchased of Joseph T. Vane one of his Washing Machines, in April last, and up to the present time it has given entire satisfaction.

I do hereby certify that I purchased of Joseph T. Vane, on the 8th of April, one of his Washing Machines, and up to this time it has given perfect satisfaction, and I can safely recommend it as a time and labor saving machine, and is less injurious to clothes than the old fashioned mode of hand washing.

BYRNE'S LINIMENT,

FOR THE CURE OF

Rheumatism, Neuralgia, Sciatica, Lumbago, Sprains, Mumps, Pains arising from Colds, or injury in the back, joints or limbs, &c. &c.

Price only 25 cents per Bottle.

IN presenting the claims of this preparation to the public, the proprietor and manufacturer can not reconcile himself to use the means, so common, in puffing similar preparations.—The Liniment is composed entirely of officianal articles, correctly proportioned, so that each only assists in developing and concentrating the powerful action of all; and prepared on strict pharmaceutical principles. He makes no hesitation in declaring it one of the most powerful and efficacious preparations ever offered to the public. The diseases it is intended to cure, (and on which, up to the present, its success has been unprecedented) are all of the same family, cured by the same medicines; and that they can be cured is a fixed fact, incontestibly proven by the hundreds of certificates pouring in upon the proprietor from every quarter, from the most respectable families. For years past this secret has been in the possession of the manufacturer, only used on intimate friends, at their earnest solicitation, and heretofore, he has resisted all persuasion in bringing it before the public; but some astonishing cures (effected when all other remedies had signally failed) last Fall, so blazoned the article's fame that he has been driven into bringing it before the public, and if the future demand and success will but keep pace with the past, he will be satisfied. In proof of its success he must only give evidence of the following character:

On the 11th of February, 1851, the first regular agency for this article was established; since which time, without a single advertisement, and only 17 agencies, 1000 bottles have been sold; and no agent has yet had a single failure charged against the medicine—on the contrary, every family unhesitatingly declare it one of the best family medicines they ever heard of, or knew. Physicians of the first standing have prescribed it, and pronounced it successful in every case. He could fill a newspaper with certificates obtained.

W. H. Fairbank, of Talbot, after speaking at length of its astonishing effects on an aged man in his employ, declares no family should be without it.*

Joshua Harrison, of Church Neck, says he purchased it (hopelessly he admits) on recommendation of a friend, for an afflicted woman in his employ on which every medicine had entirely failed, and immediately she began to recover, &c.*

Henry Smith, on Long Point, Talbot co., declares he cured his wife of a spinal affection of some years standing, almost immediately.*

John Fairbank, of Talbot, says after years use of Expectorants, Tonic wines, Plasters, Cod Liver Oil, &c, &c, without any success on his wife's breast, he has discarded all medicines but this, and under its use his wife is in better general health than for the past 15 years, and speaks confidently of its ultimately effecting an entire cure.*

Wrightson Jones, of St. Michaels, gives the credit of a cure of Bronchitis from its use, and says *almost immediately* he felt relief.*

James Benson, of St. Michaels, says it cured almost immediately a severe neuralgic affection of the jaw in his wife, and goes on to speak of a threatened affection of the breast, cured almost immediately, under the most unfavorable circumstances.*

Adam Camper, of an affection of the back in his mother of many years standing, and she aged 70, and, using her own language, "for 15 years she never knew a night's sleep, until she began using this Liniment.*

And so he could go on, enumerating cure after cure of Toothache, (in which it is instantaneous) Face ache, Headache, Sprains, Strains, Lumbago, Sciatic affections, *Corns*, (for the cure of which he has proof from the most respectable sources.) In the county of Talbot and the adjacent ones, Baltimore city, Washington, Georgetown, Fredericksburg, Va., Leesburg and Alexandria, Va., and in fact wherever it has been introduced it is the same; certificates are by every mail crowding on him.

And one word more to the good people of Talbot. *If after purchasing this medicine and strictly following its directions, no beneficial effects follow, you can get your money back.*—Does *this* look like sailing under *false colors?*—He does not fear the result where a fair trial is given; it has passed through some severe ordeals, (as reference to the certificates appended to each bottle will prove) and it has nobly sustained its reputation in all.

It can be had of DAWSON & BRO., Easton; W. JONES and J. SKINNER, St. Michaels; C. R. MULLIKIN & Co., Trappe, and at nearly all the country stores in the Co. Also sold by N. MANSHIP, Denton.

Persons desiring Agencies will address the subscriber at St. Michaels, Talbot Co., Md., to whom liberal per centages will be allowed.

A BEAUTIFUL MONUMENT,

From whose base to the very top stands out in bold relief the names of our own fellow citizens inscribed, all bearing testimony to the virtues of

Hampton's Vegetable Tincture.

STILL another of our citizens relieved from dreadful suffering. Go and see him and hundreds of others, and learn the facts from their own lips.

BALTIMORE, Sept. 12th, 1851.

To Messrs. Mortimer & Mowbray—It is with pleasure I can bear testimony to Dr. Hampton's Vegetable Tincture, by which I have been cured of a Chronic Inflammatory Rheumatism, of some seven years' periodical duration.

I had the best medical attention in Boston and Philadelphia, in each of which I have wrought at my business, as also in our own city. Here, as in the first named cities, I had the best medical attendance, all of whom gave me but very little if any relief. For the last three years I have been attacked as often as five times a year, the latest of which was on the twelfth of July last. I continued to suffer most violently; my arms and knees were very much swollen, suffering intensely, and with most acute pains in my limbs, (all of which were useless,) and having at different times taken all kinds of prescriptions without any apparent benefit. I became much discouraged. It often occurred to me that *death* alone could relieve me of these most violent sufferings I endured. When in the above condition, I was induced by a friend to try HAMPTON'S VEGETABLE TINCTURE, and after using it but *five days* I walked about my room, and in *ten days* came down stairs, and have since been improving daily. My appetite is good, and I can eat all kinds of food. In fact, I think I can say, "I am entirely cured by using *only three bottles* of Hampton's Vegetable Tincture alone."

Gentlemen—You are at liberty to use my name, for the benefit of all afflicted similar to myself; that by reading this but faint description of my case they may be induced to use this invaluable Tincture and be benefitted thereby, is the wish of Yours, &c.,

ROBERT GAULT, Type Founder,
No. 90 Holliday street.

We ask the afflicted to call and see letters, and be referred to our own fellow citizens who have been cured by this great medicine, which exerts a healthy action in the stomach, liver, kidneys, &c. By this natural action it will cure all scrofulous affections, all chronic disease, dyspepsia, catarrh, cough, rheumatism, piles, fistula, liver complaint, all throat diseases, spinal diseases, &c., &c.

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BALTIMORE, Sept. 18th, 1851.

Messrs. Mortimer and Mowbray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely excruciating suffering, from Chronic Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persuasion he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his,) to make generally known the healing powers of this truly wonderful medicine. Yours, most respectfully,

JAMES P. MERRITT.
187 Baltimore street.

BALTIMORE CITY, Sept. 13th, 1851.

Gentlemen—This is to certify that in the year 1843, I was attacked with a nervous affection in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried everything I could think or hear of, (as there was much sympathy for me) at length all efforts failed to cure me. I became much weakened and I could walk but a very short distance at a time, and was often in the act of falling on the pavement—I would stop in some door or alley to prevent it. In consequence of frequent palpitations, from what I could learn I supposed I had *disease of the heart*, being subject to frequent distressing pains about the same, also the chest and abdomen, the latter being much distended. At this stage of my disorder I could neither *sleep, walk nor eat* with any satisfaction. Life seemed to be a burden to me, and my feelings were gloomy beyond description. I at length heard of Dr. HAMPTON'S VEGETABLE TINCTURE, and made trial of it. I had but taken the first dose when I felt a change for the better. *Hope* immediately sprung up. I continued, by the use of this *invaluable Tincture*, to improve daily until I had taken three bottles, which, under Divine Providence, made a perfect cure of me. I found that I had an excellent appetite, and could partake of any food—which for years previously I could not have done without the most distressing sensations. I now enjoy *uninterrupted good health*, and have done so for the *last six years*.

I would say to all, afflicted similar to myself, cast aside your prejudices, and try *Hampton's Vegetable Tincture*.

Any information beside this, but *meagre description of my case*, will be gladly and cheerfully given for the benefit of the afflicted.

Yours, &c.

Still another of our most talented and highly respectable citizens speaks for Hampton's Vegetable Tincture.

BALTIMORE, July 18th, 1851.

Messrs Mortimer & Mowbray, Gentlemen:—My daughter having been afflicted for more than a year with the spinal disease, and having tried every remedy that was prescribed by some of our best physicians, without affording her any apparent relief. I fortunately was advised by a friend to try a bottle of "Dr. HAMPTON'S VEGETABLE TINCTURE," which relieved her of her pain in less than twenty four hours. I am pleased to say that since she took it she has been free from pain, and she is gradually gaining strength, which I attribute entirely to the restorative properties of this medicine. I believe if it were more extensively used, it would do more good in the removal of such diseases incident to the human family than what is usually prescribed.

Very respectfully, your ob't serv't,
ROBERT KERR,
Principal Western Female High School.

We ask the afflicted and their friends to call and get a Pamphlet and see certificates of wonderful cures, in the city of Baltimore and other places. Where this great remedy has been tried the greatest excitement exists from the fact that it cures where all other remedies have failed. MORTIMER & MOWBRAY,
General Agents, Baltimore.
