A BEAUTIFUL MONUMENT,

From whose base to the very top stands out in bold relief the names of our own fellow citizens inscribed, all bearing testimony to the virtues of

Hampton's Vegetable Tincture.

STILL another of our citizens relieved from dreadful suffering. Go and see him and hundreds of others, and learn the facts from their own lips.

BALTIMORE, Sept. 12th, 1851.

To Messrs. Mortimer & Mowbray—It is with pleasure I can bear testimony to Dr. Hampton's Vegetable Tincture, by which I have been cured of a Chronic Inflammatory Rheumatism, of some seven years' periodical duration.

I had the best medical attention in Boston and Philadelphia, in each of which I have wrought at my business, as also in our own city. Here, as in the first named cities, I had the best medical attendance, all of whom gave me but very little if any relief. For the last three years I have been attacked as often as five times a year, the latest of which was on the twelfth of July last. I continued to suffer most violently; my arms and knees were very much swollen, suffering intensely, and with most acute pains in my limbs, (all of which were useless,) and having at different times taken all kinds of prescriptions without any apparent benefit. I became much discouraged. It often occurred to me that *death* alone could relieve me of these most violent sufferings I endured. When in the above condition, I was induced by a friend to try HAMPTON'S VEGETABLE TINCTURE, and after using it but *five days* I walked about my room, and in *ten days* came down stairs, and have since been improving daily. My appetite is good, and I can eat all kinds of food. In fact, I think I can say, "I am entirely cured by using *only three bottles* of Hampton's Vegetable Tincture alone."

Gentlemen—You are at liberty to use my name, for the benefit of all afflicted similar to myself; that by reading this but faint description of my case they may be induced to use this invaluable Tincture and be benefitted thereby, is the wish of Yours, &c.,

ROBERT GAULT, Type Founder,
No. 90 Holliday street.

We ask the afflicted to call and see letters, and be referred to our own fellow citizens who have been cured by this great medicine, which exerts a healthy action in the stomach, liver, kidneys, &c. By this natural action it will cure all scrofulous affections, all chronic disease, dyspepsia, catarrh, cough, rheumatism, piles, fistula, liver complaint, all throat diseases, spinal diseases, &c., &c.

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BALTIMORE, Sept. 18th, 1851.

Messrs. Mortimer and Mowbray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely excruciating suffering, from Chronic Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persuasion he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his,) to make generally known the healing powers of this truly wonderful medicine. Yours, most respectfully,

JAMES P. MERRITT.
187 Baltimore street.

BALTIMORE CITY, Sept. 13th, 1851.

Gentlemen—This is to certify that in the year 1843, I was attacked with a nervous affection in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried everything I could think or hear of, (as there was much sympathy for me) at length all efforts failed to cure me. I became much weakened and I could walk but a very short distance at a time, and was often in the act of falling on the pavement—I would stop in some door or alley to prevent it. In consequence of frequent palpitations, from what I could learn I supposed I had *disease of the heart*, being subject to frequent distressing pains about the same, also the chest and abdomen, the latter being much distended. At this stage of my disorder I could neither *sleep, walk* nor *eat* with any satisfaction. Life seemed to be a burden to me, and my feelings were gloomy beyond description. I at length heard of Dr. HAMPTON'S VEGETABLE TINCTURE, and made trial of it. I had but taken the first dose when I felt a change for the better. *Hope* immediately sprung up. I continued, by the use of this *invaluable Tincture*, to improve daily until I had taken three bottles, which, under Divine Providence, made a perfect cure of me. I found that I had an excellent appetite, and could partake of any food—which for years previously I could not have done without the most distressing sensations. I now enjoy *uninterrupted good health*, and have done so for the *last six years*.

I would say to all afflicted similar to myself, cast aside your prejudices, and try *Hampton's Vegetable Tincture*.

Any information beside this, but *meagre description of my case*, will be gladly and cheerfully given for the benefit of the afflicted.

Yours, &c.
WILLIAM OLDHAM, Custom House,
Dwelling Fayette street, above Fremont st.

Still another of our most talented and highly respectable citizens speaks for Hampton's Vegetable Tincture.

BALTIMORE, July 18th, 1851.

Messrs Mortimer & Mowbray, Gentlemen:—My daughter having been afflicted for more than a year with the spinal disease, and having tried every remedy that was prescribed by some of our best physicians, without affording her any apparent relief. I fortunately was advised by a friend to try a bottle of "Dr. HAMPTON'S VEGETABLE TINCTURE," which relieved her of her pain in less than twenty four hours. I am pleased to say that since she took it she has been free from pain, and she is gradually gaining strength, which I attribute entirely to the restorative properties of this medicine. I believe if it were more extensively used, it would do more good in the removal of such diseases incident to the human family than what is usually prescribed.

Very respectfully, your ob't serv't,
ROBERT KERR,
Principal Western Female High School.

We ask the afflicted and their friends to call and get a Pamphlet and see certificates of wonderful cures, in the city of Baltimore and other places. Where this great remedy has been tried the greatest excitement exists from the fact that it cures where all other remedies have failed. MORTIMER & MOWBRAY,

Another Scientific Wonder!

DR. J. S. HOUGHTON'S

GREAT DYSPEPSIA CURER!

THE TRUE

DIGESTIVE FLUID,

OR

GASTRIC JUICE

Prepared from RENNET, or the fourth Stomach of the Ox, after directions of BARON LIEBIG, the great Physiological Chemist, by J. S. HOUGHTON, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for INDIGESTION, DYSPEPSIA, JAUNDICE, LIVER COMPLAINT, CONSTIPATION, and DEBILITY, curing after Nature's own method, by Nature's own agent, the Gastric Juice.

☞ Half a teaspoonful of this Fluid, infused in water, will digest or dissolve, *Five Pounds of Roast Beef in about two hours*, out of the stomach.

This is a GREAT NATIONAL REMEDY for INDIGESTION, and DYSPEPSIA, curing after Nature's own Method, by Nature's own Agent, the Gastric Juice. PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice—the *Solvent of the Food*, the *Purifying, Preserving*, and *Stimulating* Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an ARTIFICIAL DIGESTIVE FLUID, precisely like the natural Gastric Juice, in its Chemical powers, and furnishing a COMPLETE and PERFECT SUBSTITUTE for it. By the aid of this preparation, the pains and evils of INDIGESTION and DYSPEPSIA are removed just as they would be by a healthy Stomach. It is doing wonders for Dyspeptics, curing cases of DEBILITY, EMACIATION, NERVOUS DECLINE and DYSPEPTIC CONSUMPTION, supposed to be on the verge of the grave. The scientific evidence upon which it is based, is in the highest degree CURIOUS and REMARKABLE.

BARON LIEBIG, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid analagous to the Gastric Juice, may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be *softened, changed, and digested, just in the same manner as they would be in the human stomach.*"

DR. PEREIRA, in his famous treatise on "Food and Diet," published by Fowler & Wells, New York, page 35, states the same great fact, and describes the method of preparation. There are fewer higher authorities than Dr. Pereira.

Dr. COMBE, in his valuable writings on the "Physiology of Digestion," observes that "a diminution of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspepsia;" and he states that "a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding every thing else to fail, had recourse to the Gastric Juice, obtained from the stomach of living animals, which *proved completely successful.*"

Dr. GRAHAM, author of the famous works on "Vegetable Diet," says: "it is a remarkable fact in physiology, that the stomachs of animals, macerated in water, impart to the fluid the property of dissolving various articles of food, and of effecting a kind of *artificial digestion* of them *in no wise different from the natural digestive process.*"

Professor DUNGLISON, of the Jefferson College, Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals are well known. "In all cases," he says, "digestion occurred as perfectly in the *artificial* as in the *natural* digestions."

AS A DYSPEPSIA CURER,

DR. HOUGHTON'S preparation of PEPSIN has produced the most *marvelous effects*, curing cases of *Debility, Emaciation, Nervous Decline*, and *Dyspeptic Consumption*, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than TWO HUNDRED REMARKABLE CURES, in Philadelphia, New York and Boston alone.—These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great NERVOUS ANTIDOTE, and particularly useful for tendency to billious disorder, Liver Complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, Mercury, and other drugs upon the Digestive organs, after a long sickness. Also, for excess in eating, and the too free use of ardent spirits. It almost reconciles *Health* with *Intemperance.*

OLD STOMACH COMPLAINTS.

There is no form of OLD STOMACH COMPLAINTS which it does not seem to reach and remove at once. No matter how bad they may be, it GIVES INSTANT RELIEF! A *single dose removes all the unpleasant symptoms*, and it only needs to be repeated for a short time, to make these good effects permanent.—PURITY OF BLOOD and VIGOR OF BODY follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Price, ONE DOLLAR per bottle. One bottle will often effect a lasting cure.

Dr. HOUGHTON'S PEPSIN, is sold by nearly all the dealers in fine drugs and Popular Medicines, throughout the United States. It is prepared in Powder, and in Fluid form—and in Prescription vials for the use of Physicians.

PRIVATE CIRCULARS, for the use of Physicians, may be obtained of Dr. Houghton or his Agents, describing the whole process of preparation, and giving the authorities upon which the claims of this new remedy are based. As it is NOT A SECRET REMEDY, no objection can be raised against its use by Physicians in respectable standing and regular practice. Price, ONE DOLLAR per bottle.
