A PROCLAMATION

By the Governor of Maryland.

STATE OF MARYLAND, To WIT:

WHEREAS, it has been the practice of all Christian People to set apart days for *Public Thanksgiving and Prayer*, as a National testimony to the Goodness and Mercy of Divine Providence;—and whereas, it is the especial duty of those, who have enjoyed His largest bounty, to manifest their gratitude and sense of dependence;—and whereas, the People of this State have been, in a most signal manner, enriched with every temporal blessing, which the heart of man can desire.—and whereas, ALSO, in view of the unexampled happiness and prosperity, for so long a time enjoyed, by the whole American Confederacy of States, under the wise and liberal form of Government bequeathed to them by a common Ancestry, it has been deemed appropr ate, by the Governors of the several States, to set apart THURSDAY, the 27th day of NOVEMBER next, as a day of simultaneous thanksgiving for past benefits, and of prayer for the bountiful continuance of the same, throughout the Union:

Now, therefore, I, ENOCH LOUIS LOWE, Governor of the State of Maryland, do designate and set apart *Thursday, the 27th day of November next*, as a day of thanksgiving to ALMIGHTY GOD, to be kept and observed by the good People of the State of Maryland—whom I earnestly exhort, on that day to abstain from all secular employments, and to devote themselves to such religious services and exercises as are appropriate to a day of thanksgiving and prayer.

Given under my hand, and the Great Seal of the State of Maryland, this 24th day of October, in the year of our Lord, one thousand eight hundred and fifty-one.

L.S. E. LOUIS LOWE.

BYRNE'S LINIMENT,

FOR THE CURE OF

Rheumatism, Neuralgia, Sciatica, Lumbago, Sprains, Mumps, Pains arising from Colds, or injury in the back, joints or limbs, &c. &c.

Price only 25 cents per Bottle.

IN presenting the claims of this preparation to the public, the proprietor and manufacturer can not reconcile himself to use the means, so common, in puffing similar preparations.—The Liniment is composed entirely of officianal articles, correctly proportioned, so that each only assists in developing and concentrating the powerful action of all; and prepared on strict pharmaceutical principles. He makes no hesitation in declaring it one of the most powerful and efficacious preparations ever offered to the public. The diseases it is intended to cure, (and on which, up to the present, its success has been unprecedented) are all of the same family, cured by the same medicines; and that they can be cured is a fixed fact, incontestibly proven by the hundreds of certificates pouring in upon the proprietor from every quarter, from the most respectable families. For years past this secret has been in the possession of the manufacturer, only used on intimate friends, at their earnest solicitation, and heretofore, he has resisted all persuasion in bringing it before the public; but some astonishing cures (effected when all other remedies had signally failed) last Fall, so blazoned the article's fame that he has been driven into bringing it before the public, and if the future demand and success will but keep pace with the past, he will be satisfied. In proof of its success he must only give evidence of the following character:

On the 11th of February, 1851, the first regular agency for this article was established; since which time, without a single advertisement, and only 17 agencies, 1000 bottles have been sold; and no agent has yet had a single failure charged against the medicine—on the contrary, every family unhesitatingly declare it one of the best family medicines they ever heard of, or knew. Physicians of the first standing have prescribed it, and pronounced it successful in every case. He could fill a newspaper with certificates obtained.

W. H. Fairbank, of Talbot, after speaking at length of its astonishing effects on an aged man in his employ, declares no family should be without it.*

Joshua Harrison, of Church Neck, says he purchased it (hopelessly he admits) on recommendation of a friend, for an afflicted woman in his employ on which every medicine had entirely failed, and immediately she began to recover, &c.*

Henry Smith, on Long Point, Talbot co., declares he cured his wife of a spinal affection of some years standing, almost immediately.*

John Fairbank, of Talbot, says after years use of Expectorants, Tonic wines, Plasters, Cod Liver Oil, &c, &c, without any success on his wife's breast, he has discarded all medicines but this, and under its use his wife is in better general health than for the past 15 years, and speaks confidently of its ultimately effecting an entire cure.*

Wrightson Jones, of St. Michaels, gives the credit of a cure of Bronchitis from its use, and says *almost immediately* he felt relief.*

James Benson, of St. Michaels, says it cured almost immediately a severe neuralgic affection of the jaw in his wife, and goes on to speak of a threatened affection of the breast, cured almost immediately, under the most unfavorable circumstances.*

Adam Camper, of an affection of the back in his mother of many years standing, and she aged 70, and, using her own language, "for 15 years she never knew a night's sleep, until she began using this Liniment."*

And so he could go on, enumerating cure after cure of Toothache, (in which it is instantaneous) Face ache, Headache, Sprains, Strains, Lumbago, Sciatic affections, *Corns*, (for the cure of which he has proof from the most respectable sources.) In the county of Talbot and the adjacent ones, Baltimore city, Washington, Georgetown, Fredericksburg, Va., Leesburg and Alexandria, Va., and in fact wherever it has been introduced it is the same; certificates are by every mail crowding on him.

And one word more to the good people of Talbot. *If after purchasing this medicine and strictly following its directions, no beneficial effects follow, you can get your money back.*—Does *this* look like sailing under *false colors?*—He does not fear the result where a fair trial is given; it has passed through some severe ordeals, (as reference to the certificates appended to each bottle will prove) and it has nobly sustained its reputation in all.
