DOUBLE NUMBERS FOR 1852.

Graham's Magazine for 1852.

THE MAGAZINE OF THE UNION.

THE New Volume of this unrivalled and popular Monthly commences with the January number, specimen copies of which will be ready by the first of December.

The well established character of Graham's Magazine, as the leading American Monthly, renders it unnecessary to set forth its merits in each recurring prospectus. It has won its way, after years of success, to the front rank among its rivals, and is now universally conceded to be the

BEST AMERICAN MAGAZINE.

Its contributors are all of acknowledged ability.

Arrangements are perfected for a series of splendid articles from the most distinguished writers in the United States, well known to the readers of the work, making this Magazine

THE ORGAN OF AMERICAN TALENT

in every department of mind.

DOUBLE NUMBERS FOR 1852.

The reading matter of Graham's Magazine for the next year will be about double that of former volumes, making a book unrivaled by any that has ever appeared in America or Europe.

Splendid and Costly Engravings.

In this department Grahams Magazine has always been celebrated. The excellence and beauty of its pictorial appointments far surpass the usual adornments of the Monthly Magazines. The very finest and most expensive efforts of the first artists of Europe and America grace the work.

The new volume will open in a style of elegance that will convince our friends that "Excelsior" is our motto for 1852, and that "Graham" will continue to be the

FAVORITE OF THE PUBLIC,

both in its pictorial and literary character, while the extraordinary increase of the amount of reading matter will insure it a still wider welcome and circulation.

TERMS.—Single subscribers, $3; 2 copies $5; 5 copies $10; and 10 copies for $20, and an extra copy to the person sending the club of ten subscribers. Address

BYRNE'S LINIMENT,

FOR THE CURE OF
Rheumatism, Neuralgia, Sciatica, Lumbago, Sprains, Mumps, Pains arising from Colds, or injury in the back, joints or limbs, &c. &c.
Price only 25 cnts per Bottle.

IN presenting the claims of this preparation to the public, the proprietor and manufacturer can not reconcile himself to use the means, so common, in puffing similar preparations.—The Liniment is composed entirely of officianal articles, correctly proportioned, so that each only assists in developing and concentrating the powerful action of all; and prepared on strict pharmaceutical principles. He makes no hesitation in declaring it one of the most powerful and efficacious preparations ever offered to the public. The diseases it is intended to cure, (and on which, up to the present, its success has been unprecedented) are all of the same family, cured by the same medicines; and that they can be cured is a fixed fact, incontestibly proven by the hundreds of certificates pouring in upon the proprietor from every quarter, from the most respectable families. For years past this secret has been in the possession of the manufacturer, only used on intimate friends, at their earnest solicitation, and heretofore, he has resisted all persuasion in bringing it before the public; but some astonishing cures (effected when all other remedies had signally failed) last Fall, so blazoned the article's fame that he has been driven into bringing it before the public, and if the future demand and success will but keep pace with the past, he will be satisfied. In proof of its success he must only give evidence of the following character:

On the 11th of February, 1851, the first regular agency for this article was established; since which time, without a single advertisement, and only 17 agencies, 1000 bottles have been sold; and no agent has yet had a single failure charged against the medicine—on the contrary, every family unhesitatingly declare it one of the best family medicines they ever heard of, or knew. Physicians of the first standing have prescribed it, and pronounced it successful in every case.* He could fill a newspaper with certificates obtained.

W. H. Fairbank, of Talbot, after speaking at length of its astonishing effects on an aged man in his employ, declares no family should be without it.*

Joshua Harrison, of Church Neck, says he purchased it (hopelessly he admits) on recommendation of a friend, for an afflicted woman in his employ on which every medicine had entirely failed, and immediately she began to recover, &c.*

Henry Smith, on Long Point, Talbot co., declares he cured his wife of a spinal affection of some years standing, almost immediately.*

John Fairbank, of Talbot, says after years use of Expectorants, Tonic wines, Plasters, Cod Liver Oil, &c, &c, without any success on his wife's breast, he has discarded all medicines but this, and under its use his wife is in better general health than for the past 15 years, and speaks confidently of its ultimately effecting an entire cure.*

Wrightson Jones, of St. Michaels, gives the credit of a cure of Bronchitis from its use, and says *almost immediatly* he felt relief.*

James Benson, of St. Michaels, says it cured almost immediately a severe neuralgic affection of the jaw in his wife, and goes on to speak of a threatened affection of the breast, cured almost immediately, under the most unfavorable circumstances.*

Adam Camper, of an affection of the back in his mother of many years standing, and she aged 70, and, using her own language, "for 15 years she never knew a night's sleep, until she began using this Liniment.*

And so he could go on, enumerating cure after cure of Toothache, (in which it is instantaneous) Face ache, Headache, Sprains, Strains, Lumbago, Sciatic affections, *Corns*, (for the cure of which he has proof from the most respectable sources.) In the county of Talbot and the adjacent ones, Baltimore city, Washington, Georgetown, Fredericksburg, Va., Leesburg and Alexandria, Va., and in fact wherever it has been introduced it is the same; certificates are by every mail crowding on him.

And one word more to the good people of Talbot. *If after purchasing this medicine and strictly following its directions, no beneficial effects follow, you can get your money back.*—Does *this* look like sailing under *false colors?*—He does not fear the result where a fair trial is given; it has passed through some severe ordeals, (as reference to the certificates appended to each bottle will prove) and it has nobly sustained its reputation in all.

It can be had of DAWSON & BRO., Easton; W. JONES and J. SKINNER, St. Michaels; C. R. MULLIKIN & Co., Trappe, and at nearly all the country stores in the Co. Also sold by N. MANSHIP, Denton.

Persons desiring Agencies will address the subscriber at St. Michaels, Talbot Co., Md., to whom liberal per centages will be allowed.
