Pupils will be expected to furnish their own Beds and Bedding, Towels, Table-Napkins, Silver Fork and two Spoons, or be subject to an additional charge.

Board in Vacation to accompany Mr. and Mrs. Pattison to their Home in Baltimore County, $3 00 per week.

The plan of instruction to be adopted is thorough and systematic, designed to embrace all the departments of a polite and finished education. The principals will associate with themselves, as far as Assistants may be required, resident Female Teachers of established reputation, holding themselves responsible to their Patrons for the faithful improvement of the Pupils, in all the branches to which their attention may be directed, and will make it their duty to advise the Parents or Guardians monthly of the progress or deficiency of their respective pupils.

The daily number of their studies is not to exceed from three to five.

It will be the aim of the Principals so to conduct the education of young ladies, as will best prepare them for the scenes and duties of practical life. They will seek to develope and strengthen the intellectual powers—train the mind to habits of careful study and thorough investigation—to inspire just principles of taste in Literature, with a thirst for knowledge and sound learning; that thus their pupils may learn to think and reflect, and be prepared to act, as they must do, sooner or later, for themselves. The culture of the heart, the proper regulation of the moral feelings, and the due observance of religious duties, will be diligently urged as the appropriate ends and objects of life.

The manners of ladies, which when duly refined, constitute an ornament and charm of the female sex, will be constantly and carefully cultivated. A well trained mind—a cheerful temper—a kind heart, with the adorning of a modest graceful deportment, presents that model of character to which each of their pupils will be urged to aspire. Attendance on Public Worship will be insisted upon, at those Churches directed by the Parents or Guardians, accompanied by one of the Principals or Teachers, or in the absence of such directions, in company with the family to the Episcopal Church of St. Michael's.

The exercises of the day will be opened and closed with devotional services.

The discipline of the Institute will be strictly parental.

At the solicitation of many friends, and from years of successful experience in the education of young ladies, the Principals feel a confidence in commending their labors to the regard and patronage of an intelligent community, and particularly to those Parents who, in selecting an Institution for the education of their daughters, have respect to their progressive improvement; no pains will be spared to render the residence of their pupils while with them, both comfortable and happy; the advantages of select female society twice a month will be enjoyed under the observance of the Principals and Teachers.

Communications may be addressed (prepaid,) to Mr. or Mrs. J. F. Pattison, St. Michaels, Md.

BYRNE'S LINIMENT,
FOR THE CURE OF

Rheumatism, Neuralgia, Sciatica, Lumbago, Sprains, Mumps, Pains arising from Colds, or injury in the back, joints or limbs, &c. &c.

Price only 25 cents per Bottle.

IN presenting the claims of this preparation to the public, the proprietor and manufacturer can not reconcile himself to use the means, so common, in puffing similar preparations.—The Liniment is composed entirely of officianal articles, correctly proportioned, so that each only assists in developing and concentrating the powerful action of all; and prepared on strict pharmaceuical principles. He makes no hesitation in declaring it one of the most powerful and efficacious preparations ever offered to the public. The diseases it is intended to cure, (and on which, up to the present, its success has been unprecedented) are all of the same family, cured by the same medicines; and that they can be cured is a fixed fact, incontestibly proven by the hundreds of certificates pouring in upon the proprietor from every quarter, from the most respectable families. For years past this secret has been in the possession of the manufacturer, only used on intimate friends, at their earnest solicitation, and heretofore, he has resisted all persuasion in bringing it before the public; but some astonishing cures (effected when all other remedies had signally failed) last Fall, so blazoned the article's fame that he has been driven into bringing it before the public, and if the future demand and success will but keep pace with the past, he will be satisfied. In proof of its success he must only give evidence of the following character:

On the 11th of February, 1851, the first regular agency for this article was established; since which time, without a single advertisement, and only 17 agencies, 1000 bottles have been sold; and no agent has yet had a single failure charged against the medicine—on the contrary, every family unhesitatingly declare it one of the best family medicines they ever heard of, or knew. Physicians of the first standing have prescribed it, and pronounced it successful in every case. He could fill a newspaper with certificates obtained.

W. H. Fairbank, of Talbot, after speaking at length of its astonishing effects on an aged man in his employ, declares no family should be without it.*

Joshua Harrison, of Church Neck, says he purchased it (hopelessly he admits) on recommendation of a friend, for an afflicted woman in his employ on which every medicine had entirely failed, and immediately she began to recover, &c.*

Henry Smith, on Long Point, Talbot co., declares he cured his wife of a spinal affection of some years standing, almost immediately.*

John Fairbank, of Talbot, says after years use of Expectorants, Tonic wines, Plasters, Cod Liver Oil, &c, &c, without any success on his wife's breast, he has discarded all medicines but this, and under its use his wife is in better general health than for the past 15 years, and speaks confidently of its ultimately effecting an entire cure.*

Wrightson Jones, of St. Michaels, gives the credit of a cure of Bronchitis from its use, and says *almost immediately* he felt relief.*

James Benson, of St. Michaels, says it cured almost immediately a severe neuralgic affection of the jaw in his wife, and goes on to speak of a threatened affection of the breast, cured almost immediately, under the most unfavorable circumstances.*

Adam Camper, of an affection of the back in his mother of many years standing, and she aged 70, and, using her own language, "for 15 years she never knew a night's sleep, until she began using this Liniment."*

And so he could go on, enumerating cure after cure of Toothache, (in which it is instantaneous) Face ache, Headache, Sprains, Strains, Lumbago, Sciatic affections, *Corns,* (for the cure of which he has proof from the most respectable sources.) In the county of Talbot and the adjacent ones, Baltimore city, Washington, Georgetown, Fredericksburg, Va., Leesburg and Alexandria, Va., and in fact wherever it has been introduced it is the same; certificates are by every mail crowding on him.

And one word more to the good people of Talbot. *If after purchasing this medicine and strictly following its directions, no beneficial effects follow, you can get your money back.*—*Does this* look like sailing under *false colors?*—He does not fear the result where a fair trial is given; it has passed through some severe ordeals, (as reference to the certificates appended to each bottle will prove) and it has nobly sustained its reputation in all.

It can be had of DAWSON & BRO., Easton; W. JONES and J. SKINNER, St. Michaels; C. R. MULLIKIN & Co., Trappe, and at nearly all the country stores in the Co. Also sold by N. MANSHIP, Denton.
