QUESTION.—The altitude of a triangle is 16 feet; what is the length of one side of the greatest rectangle that can be described in it?

Solution to the question of the 13th inst.

Let x plus y=a—2b. Then, by squaring both sides, x^2 plus 2xy plus $y^2=4b^2$; wherefore xy is less than b^2; which proves that the numbers must be equal. PUPIL.

A FARM OF 300 ACRES,

70 of which is Woodland,

SITUATED in Talbot County, on Third Haven River, and opposite to the Military Academy at Oxford, being about eight miles from Easton. The steamboats plying between Baltimore and Easton pass the door.

Few Farms have ever been offered for sale possessing advantages equal to those belonging to this estate. It is now in a good state of cultivation, and such are the inexhaustible resources of the most fertilizing manures, that with comparative small expense of labor it may be made one of the most productive farms of the size in the County. Among the Manures which exist so abundantly there is Marl, Shell Bank, "Marsh and Woods' Dirt."

Game, such as frequent these waters at all times during the season. Also from the River, Fish, Oysters, &c. in abundance.

The society of the nighborhood is everything that a gentleman could wish for his family, being in the immediate vicinity of the estates of Col. Nich. Goldsborough, Gen. Tench Tilghman and Messrs. Bannings.

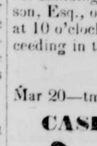

THE DWELLING is a spacious double house, one of the finest in the County, built by one of the best Baltimore mechanics, and combines all the conveniences for a large family. A very excellent tenant House, which in case of a division of the farm into two, of which the place is very susceptible, would answer for a Dwelling, Barn, Stables, Carriage Houses, Granaries, &c. &c.

Martin Goldsborough, Esq., who now occupies the premises, will give information to any who may call to see it. The place will be shown to any one by Mr. John Dulin, my present overseer, who resides on the premises; and for further particulars, inquire of

WARNER'S PATENT SUCTION, FORCING, AND ANTI-FREEZING PUMP,

Has taken the Premium of the N. Y. State Fair, and the Silver Medal and Premium of the American Institute. Also of the Franklin Institute of Philadelphia, and the Silver Medal of the Maryland Institute, 1851.

ALL of which will fully justify the following statement:

First—That it is the best, most simple and durable Pump in use.

Secondly—That with the same power, it will raise more water per minute than any other Pump in use.

Thirdly—It is anti freezing, and requires little or no repairs.

For a House and Fire Engine it is not equalled by any: one man can draw from a well and throw water over a three story house, or by attaching pipe can force water throughout the largest buildings, for Baths and other uses; for a Garden Engine, washing windows, carriages, &c., it is particularly applicable.

Concerning Seller's Vermifuge. A single vial producing wonders. Read the following from the Rev. S. Wakefield, Pastor of the Liberty street Methodist Episcopal Church.

PITTSBURGH, March 8, 1847.

Mr. R. E. Sellers:—It is from a sense of duty, as well as with great pleasure, that I bear testimony to the virtue of your justly celebrated Vermifuge. I procured a single bottle and gave it to three of my children, who had been ill for several weeks. The eldest was seven years old, the next four, and the youngest eighteen months. The first passed fifty-six worms, the second forty-seven, and the third a considerable number, not distinctly recollected. Since then they have been doing well, and are now in good health. Yours respectfully,
S. WAKEFIELD.

GREENVILLE, Va., Jan. 15, 1845.

Mr. R. E. Sellers:—Your vermifuge gives universal Satisfaction. I have sold *Fahnestock's, McLane's*, and others; but none has given the satisfaction that yours has.
B. F. GRAHAM, Postmaster.

All the Vermifuge manufacturers of the country are challenged to procure stronger testimony than the following:

UNION TOWNSHIP, Washington Co., Pa.

Mr. R. E. Sellers:—Dear Sir—One teaspoonful of your Vermifuge was given to a child of Mr. Bradbury, about twenty months old, and the single dose expelled the enormous quantity of 234 worms in about four hours from the time of taking the dose.
BENJAMIN LYTLE.

WARRENTON, Jefferson Co., O., Nov. 25, 1844.

Mr. R. E. Sellers:—This is to certify that I purchased of Thomas Shannon, Esq., one bottle of your celebrated Vermifuge, and gave it to my little son, who was then five years old, which took from him one hundred and eighty-six worms of a very large size. I believe your Vermifuge to be the best worm medicine for children that the world ever produced. I would therefore call upon all parents who have children afflicted with worms to give it fair trial.
JOSEPH MCCLEARY,
Justice of the Peace.

SELLERS' VERMIFUGE THE BEST IN THE WORLD.

Attention is asked to the following statement of a graduated physician:

GALLIPOLIS, April 1, 1845.

This certifies that I have kept on hand, and used in my practice, R. E. SELLERS' VERMIFUGE, for the two past years. I am confident in saying that it has not failed, in a single instance, to relieve children and adults troubled with worms; in many instances it has brought away large quantities. I am very confident it is the best worm medicine in use. All that is required to give it reputation in any family is to give it a fair trial.
