R. E. SELLERS' VERMIFUGE,

FOR EXPELLING WORMS

FROM THE HUMAN SYSTEM

This Worm Medicine has no superior—if an equal—in this or any other country.—
It is much used and highly recommended by Physicians.

The following certificates prove it to be better than any ever offered to the American people:

THE TRUTH BY MEN OF TRUTH.

Concerning Seller's Vermifuge. A single vial producing wonders. Read the following from the Rev. S. Wakefield, Pastor of the Liberty street Methodist Episcopal Church.

PITTSBURGH, March 8, 1847.

Mr. R. E. Sellers:—It is from a sense of duty, as well as with great pleasure, that I bear testimony to the virtue of your justly celebrated Vermifuge. I procured a single bottle and gave it to three of my children, who had been ill for several weeks. The eldest was seven years old, the next four, and the youngest eighteen months. The first passed fifty-six worms, the second forty-seven, and the third a considerable number, not distinctly recollected. Since then they have been doing well, and are now in good health. Yours respectfully,
S. WAKEFIELD.

GREENVILLE, Va., Jan. 15, 1845.

Mr. R. E. Sellers:—Your vermifuge gives universal Satisfaction. I have sold *Fahnestock's, McLane's*, and others; but none has given the satisfaction that yours has.
B. F. GRAHAM, Postmaster.

All the Vermifuge manufacturers of the country are challenged to procure stronger testimony than the following:

UNION TOWNSHIP, Washington Co., Pa.

Mr. R. E. Sellers:—Dear Sir—One teaspoonful of your Vermifuge was given to a child of Mr. Bradbury, about twenty months old, and the single dose expelled the enormous quantity of 234 worms in about four hours from the time of taking the dose.
BENJAMIN LYTLE.

WARRENTON, Jefferson Co., O., Nov. 25, 1844.

Mr. R. E. Sellers:—This is to certify that I purchased of Thomas Shannon, Esq., one bottle of your celebrated Vermifuge, and gave it to my little son, who was then five years old, which took from him one hundred and eighty-six worms of a very large size. I believe your Vermifuge to be the best worm medicine for children that the world ever produced. I would therefore call upon all parents who have children afflicted with worms to give it fair trial.
JOSEPH McCLEARY,
Justice of the Peace.

SELLERS' VERMIFUGE THE BEST IN THE WORLD.

Attention is asked to the following statement of a graduated physician:

GALLIPOLIS, April 1, 1845.

This certifies that I have kept on hand, and used in my practice, R. E. SELLERS' VERMIFUGE, for the two past years. I am confident in saying that it has not failed, in a single instance, to relieve children and adults troubled with worms; in many instances it has brought away large quantities. I am very confident it is the best worm medicine in use. All that is required to give it reputation in any family is to give it a fair trial.

WARNER'S PATENT SUCTION, FORCING, AND ANTI-FREEZING PUMP,

Has taken the Premium of the N. Y. State Fair, and the Silver Medal and Premium of the American Institute. Also of the Franklin Institute of Philadelphia, and the Silver Medal of the Maryland Institute, 1851.

ALL of which will fully justify the following statement:

First—That it is the best, most simple and durable Pump in use.

Secondly—That with the same power, it will raise more water per minute than any other Pump in use.

Thirdly—It is anti-freezing, and requires little or no repairs.

For a House and Fire Engine it is not equalled by any; one man can draw from a well and throw water over a three story house, or by attaching pipe can force water throughout the largest buildings, for Baths and other uses; for a Garden Engine, washing windows, carriages, &c., it is particularly applicable.

Board in Vacation to accompany Mr. and Mrs. Pattison to their Home in Baltimore County, $3 00 per week.

The plan of instruction to be adopted is thorough and systematic, designed to embrace all the departments of a polite and finished education. The principals will associate with themselves, as far as Assistants may be required, resident Female Teachers of established reputation, holding themselves responsible to their Patrons for the faithful improvement of the Pupils, in all the branches to which their attention may be directed, and will make it their duty to advise the Parents or Guardians monthly of the progress or deficiency of their respective pupils.

The daily number of their studies is not to exceed from three to five.

It will be the aim of the Principals so to conduct the education of young ladies, as will best prepare them for the scenes and duties of practical life. They will seek to develope and strengthen the intellectual powers—train the mind to habits of careful study and thorough investigation—to inspire just principles of taste in Literature, with a thirst for knowledge and sound learning; that thus their pupils may learn to think and reflect, and be prepared to act, as they must do, sooner or later, for themselves. The culture of the heart, the proper regulation of the moral feelings, and the due observance of religious duties, will be diligently urged as the appropriate ends and objects of life.

The manners of ladies, which when duly refined, constitute an ornament and charm of the female sex, will be constantly and carefully cultivated. A well trained mind—a cheerful temper—a kind heart, with the adorning of a modest graceful deportment, presents that model of character to which each of their pupils will be urged to aspire. Attendance on Public Worship will be insisted upon, at those Churches directed by the Parents or Guardians, accompanied by one of the Principals or Teachers, or in the absence of such directions, in company with the family to the Episcopal Church of St. Michael's.

The exercises of the day will be opened and closed with devotional services.

The discipline of the Institute will be strictly parental.

At the solicitation of many friends, and from years of successful experience in the education of young ladies, the Principals feel a confidence in commending their labors to the regard and patronage of an intelligent community, and particularly to those Parents who, in selecting an Institution for the education of their daughters, have respect to their progressive improvement; no pains will be spared to render the residence of their pupils while with them, both comfortable and happy; the advantages of select female society twice a month will be enjoyed under the observance of the Principals and Teachers.

Communications may be addressed (prepaid,) to Mr. or Mrs. J. F. Pattison, St. Michaels, Md.

A BEAUTIFUL MONUMENT,

From whose base to the very top stands out in bold relief the names of our own fellow citizens inscribed, all bearing testimony to the virtues of

Hampton's Vegetable Tincture.

STILL another of our citizens relieved from dreadful suffering Go and see him and hundreds of others, and learn the facts from their own lips.

BALTIMORE, Sept. 12th, 1851.

To Messrs. Mortimer & Mowbray—It is with pleasure I can bear testimony to Dr. Hampton's Vegetable Tincture, by which I have been cured of a Chronic Inflammatory Rheumatism, of some seven years' periodical duration.

I had the best medical attention in Boston and Philadelphia, in each of which I have wrought at my business, as also in our own city. Here, as in the first named cities, I had the best medical attendance, all of whom gave me but very little if any relief. For the last three years I have been attacked as often as five times a year, the latest of which was on the twelfth of July last. I continued to suffer most violently; my arms and knees were very much swollen, suffering intensely, and with most acute pains in my limbs, (all of which were useless,) and having at different times taken all kinds of prescriptions without any apparent benefit. I became much discouraged. It often occurred to me that *death* alone could relieve me of these most violent sufferings I endured. When in the above condition, I was induced by a friend to try HAMPTON'S VEGETABLE TINCTURE, and after using it but *five days* I walked about my room, and in *ten days* came down stairs, and have since been improving daily. My appetite is good, and I can eat all kinds of food. In fact, I think I can say, "I am entirely cured by using *only three bottles* of Hampton's Vegetable Tincture alone."

Gentlemen—You are at liberty to use my name, for the benefit of all afflicted similar to myself; that by reading this but faint description of my case they may be induced to use this invaluable Tincture and be benefitted thereby, is the wish of Yours, &c.,
ROBERT GAULT, Type Founder,
No. 99 Holliday street.

We ask the afflicted to call and see letters, and be referred to our own fellow citizens who have been cured by this great medicine, which exerts a healthy action in the stomach, liver, kidneys, &c. By this natural action it will cure all scrofulous affections, all chronic disease, dyspepsia, catarrh, cough, rheumatism, piles, fistula, liver complaint, all throat diseases, spinal diseases, &c., &c.

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BALTIMORE, Sept. 18th, 1851.

Messrs. Mortimer and Mowbray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely excruciating suffering, from Chronic Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persuasion he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his,) to make generally known the healing powers of this truly wonderful medicine. Yours, most respectfully,
JAMES P. MERRITT.
187 Baltimore street.

BALTIMORE CITY, Sept. 13th, 1851.

Gentlemen—This is to certify that in the year 1843, I was attacked with a nervous affection in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried everything I could think or hear of, (as there was much sympathy for me) at length all efforts failed to cure me. I became much weakened and I could walk but a very short distance at a time, and was often in the act of falling on the pavement—I would stop in some door or alley to prevent it. In consequence of frequent palpitations, from what I could learn I supposed I had *disease of the heart*, being subject to frequent distressing pains about the same, also the chest and abdomen, the latter being much distended. At this stage of my disorder I could neither *sleep, walk* nor *eat* with any satisfaction. Life seemed to be a burden to me, and my feelings were gloomy beyond description. I at length heard of Dr. HAMPTON'S VEGETABLE TINCTURE, and made trial of it. I had but taken the first dose when I felt a change for the better. *Hope* immediately sprung up. I continued, by the use of this *invaluable Tincture*, to improve daily until I had taken three bottles, which, under Divine Providence, made a perfect cure of me. I found that I had an excellent appetite, and could partake of any food—which for years previously I could not have done without the most distressing sensations. I now enjoy *uninterrupted good health*, and have done so for the *last six years*.

I would say to all, afflicted similar to myself, cast aside your prejudices, and try *Hampton's Vegetable Tincture*.

Any information beside this, but *meagre description of my case*, will be gladly and cheerfully given for the benefit of the afflicted.
Yours, &c.

Still another of our most talented and highly respectable citizens speaks for Hampton's Vegetable Tincture.

BALTIMORE, July 18th, 1851.

Messrs Mortimer & Mowbray, Gentlemen:—My daughter having been afflicted for more than a year with the spinal disease, and having tried every remedy that was prescribed by some of our best physicians, without affording her any apparent relief. I fortunately was advised by a friend to try a bottle of "Dr. HAMPTON'S VEGETABLE TINCTURE," which relieved her of her pain in less than twenty four hours. I am pleased to say that since she took it she has been free from pain, and she is gradually gaining strength, which I attribute entirely to the restorative properties of this medicine. I believe if it were more extensively used, it would do more good in the removal of such diseases incident to the human family than what is usually prescribed.
Very respectfully, your ob't serv't,
ROBERT KERR,
Principal Western Female High School.

We ask the afflicted and their friends to call and get a Pamphlet and see certificates of wonderful cures, in the city of Baltimore and other places. Where this great remedy has been tried the greatest excitement exists from the fact that it cures where all other remedies have failed. MORTIMER & MOWBRAY,
General Agents, Baltimore.
