MARRIAGE,

HAPPINESS AND COMPETENCE.

WHY IS IT!

That we behold many females, scarce in the meridian of life broken in health and spirits with a complication of diseases and ailments, depriving them of the power for the enjoyment of life at an age when physical health, buoyancy of spirits, and happy serenity of mind, arising from a condition of health, should be predominant.

Many of the causes of her sufferings at first—perhaps years before, perhaps during girlhood, or the first years of marriage—were in their origin so light as to pass unnoticed, and of course neglected.

IN AFTER YEARS,

When too late to be benefited by our knowledge, we look back and mourn, and regret the full consequences of our ignorance.

What would we not often give to possess, in early life, the knowledge we obtain in after years! And what days and nights of anguish we might not have been spared, if the knowledge was timely possessed. It is

MELANCHOLY AND STARTLING

To behold the sickness and suffering endured by many a wife for many years, from causes simple and controllable, easily remedied—or better still,—not incurred, to every

WIFE AND MOTHER

Possessed the information contained in a little volume, (with in the reach of all) which would spare to herself

YEARS OF MISERY,

And to her husband the constant toil and anxiety of mind, necessarily devolving upon him from sickness of the wife, without giving him the opportunity of acquiring that competence which his exertions are entitled, and the possession of which would secure the happiness of himself, wife, and children.

SECURE THE MEANS OF HAPPINESS

By becoming in time possessed of the knowledge, the want of which has caused the sickness and poverty of thousands.

In view of such consequences, no wife or mother is excusable if she neglect to avail herself of that knowledge in respect to herself, which would spare her much suffering, be the means of happiness and prosperity to her husband, and confer upon her children that blessing above all price—healthy bodies, with healthy minds. That knowledge is contained in a little work entitled

VALUABLE FARM

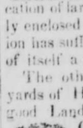

Situated in the Bayside Neck of Talbot County, for Sale.

THE subscriber offers for sale that valuable Farm in the Bayside Neck, situated on the Eastern Bay about seven miles from St. Michaels, on the road leading to Haddaway's Ferry, known as the farm of the late Mrs. C. L. Edmondson, and on which Charles Medaniel at present resides.

This Farm contains about **THREE HUNDRED ACRES,** and is divided into two equal portions by the public road. It will be sold in two divisions. The one of which, situated on the Eastern Bay, contains the arable land, and on it are the Buildings. It has been improved by the application of large quantities of Lime, and is entirely enclosed with Chesnut fences. This division has sufficient Timber for farm use and is of itself a most valuable and desirable Farm.

The other division runs within a hundred yards of Harris's Creek, on which there is a good Landing, and is heavily covered with Oak, Yellow Pine, and Chestnut Timber, and would afford to a purchaser sufficient valuable Timber near navigable water, to pay for the purchase of a fine farm.

It is seldom so valuable land is offered for sale, and it is worthy the attention of persons wishing to make a purchase in one of the most improved sections of Talbot County.

Persons wishing to purchase either of these valuable divisions of the above described Farm can see a plat of the same in the hands of JNO. R. PLATER, of Easton, Md., from whom information can be had of the terms of sale, and satisfaction given as to the title, &c.

2000 WEIGHT OF BACON, just received and for sale by

jun 5 WM. R. MARTIN.

$500 CHALLENGE.

WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that the *Worms*, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote Worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect. Where *Bowel Complaints and Diarrhœa* have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with *Dyspepsia*, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM.

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach, effecting the health so as to cause St. Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is *Tape Worm* hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of 2 Table-poonfulls 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of *Tape Worm.*

HOBENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c. We should, therefore, watch every system that might indicate a wrong action of the Liver. These Pills being composed of ROOTS & PLANTS, furnished by nature to heal the sick, namely; 1st, An EXPECTORANT, which augments the secretion from the Pulmonary mucus membrane or promotes the discharge of secreted matter. 2nd, An ALTERATIVE, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3rd. A TONIC, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, A CATHARTIC, which acts in perfect harmony with the other ingredients and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

TO FEMALES.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base Imitation.
